Mrs. Laverne Brown, accompanied by her daughter, Ruth, her mother, Mrs. Boggs, and Mearle and Francis, motored to Trinidad the latter part of evening or rather Monday morning, for they struck "wet weather" at Raton and almost swam all the rest of the way home—but then, nothing ever discourages a Ford.

Miss Helen Mansker and Miss Wilma Hardin are spending a few days with the Misses Eklund this week at the ranch.

SOCIAL LIFE IN CLAYTON

Mr. and Mrs. Geoffrey Holdsworth, Lawrence Cliver, Miss Fay and Milo Ratcliff left Monday for Taos and other points where they will spend some time fishing and camping. Miss Marie Arnold accompanied them as far as Raton.

Mrs. Simon Herzstein entertains the Auction Club this afternoon.

Mrs. Carpenter of El Paso, is here visiting her father and mother, Mr. and Mrs. Dudley Snyder. Mrs. Carpenter was one of Clayton's most popular girls and her friends were delighted to have her with them again if only for a short time. She is very much in love with her new home in El Paso and has taken quite a prominent part socially there, but she is loyal to Clayton and says there will never be any other place that seems as much like home.

Miss Marie Arnold, niece of Mr. and Mrs. Jerry Leahy of Raton, has been visiting in the city for several days past. She returned Monday to her home in Raton.

Mrs. W. J. Eaton was hostess Saturday evening at a theatre party after which the guests went to Rose's Pharmacy for refreshments. Those present were Mesdames Dudley Snyder, Carpenter, Eklund, Simon Herzstein, Morris Herzstein, Herbert Herzstein, Hammond, Priestly, Wherritt, Easterwood, Toombs, Palmer.

Miss Sadie Herzstein entertained informally Thursday afternoon of last week in honor of Miss Marie Arnold of Raton, niece of Hon. Jerry Leahy, who has been visiting in the city. Five-hundred was the principal feature and Miss Vendla Eklund captured the honors and a hand-painted olive dish. A dainty luncheon was served to Misses Inez and Vendla Eklund, Maud and Wilma Hardin, Marie Arnold, Minnie Ray Latham, Peggy Russell and Mrs. H. C. McFadden.

The Girls' Five Hundred Club was entertained Saturday afternoon by Miss Vendla Eklund in the parlors of the Eklund hotel. Miss Wilma Hardin made the highest score that has been held since the Club was organized, which was 4170. She was rewarded with a dainty hand embroidered "love bird" set. The luncheon was delicious and was served on small tables. Those present were Misses Maud and Wil-

ma Hardin, Inez Eklund, Minnie Ray Latham, Sadie Herzstein, Marie Arnold, Helen Mansker, and Mesdames Kuhns, McFadden, Sparks, Jenkins and Herbert Herzstein.

Mrs. O. T. Toombs entertained most delightfully Friday afternoon of last week in honor of Mrs. W. J. Eaton of Socorro. Five hundred was played. The luncheon was served on a long table at which all were seated. The centerpiece was a basket of beautiful sweet peas. Covers were placed for Mesdames Kiser, Guyer, Harvey, Hill, Eklund, Wherritt, Messenger, Simon Herzstein, N. Herzstein, Woodward, Palmer, Easterwood, Holdsworth and Eaton.

The Eastern Star held its first fall meeting Tuesday evening. All the officers were present. Visiting members were Mesdames Harberg of Philadelphia, Evans of Hyco, Texas, and Billieu, who was Worthy Matron of the Elk City lodge. The meeting was a social one and was extremely pleasant. After adjourning from the lodge rooms, all went to Rose's Drug store and had refreshments. Those who attended were Mesdames Easterwood, Kilburn, Paddock, Gill, Suthers, Slack, Jones, Herring, Brown, Winchester, Thompson, Herbert Herzstein, Harberg, Evans, Billieu, Morris Herzstein and Messrs. Robert Brown, who is Worthy Patron and Frank Kilburn, past Worthy Patron.

Miss Elzada Crumley entertained a number of guests on the lawn of the court house last evening. The young people enjoyed a number of games and refreshments of ice-cream and cake were served. Miss Elzada is charming as hostess and a lawn party is always a jolly one anyway. Those who attended were Messrs. Arthur Deam, Robert Caldwell, Julius Kingdom, Evan Eakin, Tom Crumley, Charles Neal, and Misses Jennie and Leah Gray, Lillian Guyer, Elsie Munnix, of Trinidad, Eleanor Thompson, Elsie Zeller, Leah Caldwell, Helen Miller, Clio Toombs, Vivian Crumley and Lizzie Herring.

The dance given at Texline the latter part of last week was well attended from Clayton. The music was furnished by the Bristol Orchestra. Those who went down were Messrs. Rankin, Erakine, Leonard Herzstein, Goodrich, Clark, Ratcliff, Webb, and Misses Vendla Eklund, Wilma Hardin, Minnie Ray Latham, Russell, Arnold, Mansker and Snyder.

"FARM LOAN FAKE"

at which "great achievements" both Jefferson and Jackson, could they know of it, would turn over with means in their graves. Don't you believe, Mr. Farmer, that the system bodes any good to you. It is after your lands and it will get them if you "monkey" with the system. Can't you see that it is plainly a part of the "Regional Bank" system? Just twelve Regional Banks and just twelve Farm Land Banks. Just a plain scheme to get your vote first and your land second if you patronize it. And in that respect, it will be a "great achievement" if it "achieves." But it hasn't "achieved" yet and the farmer will be very foolish if he permits it to "achieve" his ruin which it will certainly do if he approves it by his vote and patronage. But there is little danger that a Union County farmer will have an opportunity to patronize the scheme though his opportunity to approve it by voting for the administration is certain. When you investigate it fully, Mr. Farmer, you will find it the most realistic, plutocratic scheme ever dreamed of in the so-called democratic "achievements." How easy it would have been for the so-called democratic president with his so-called democratic congress to have given relief direct to the farmer in the matter of real government loans had they been sincere in their grief for the "poor farmer." Instead of being given "bread" he is being hit "between the eyes" with a stone from the "great achievement" catapult. If you will investigate fully you will find that it is a scheme, precisely similar to the old United States Bank scheme, which Thomas Jefferson, Andrew Jackson, Abraham Lincoln and all other progressive Americans condemned more than half a century ago. That it is based on land, instead of bonds of the United States, does not alter its purpose nor the details of its operations. "Great achievement" that "Farm Loan Act" which, in a "close-up," fades into a "Farm Land Bank" scheme to drive the farmer into the mere tenantry that has cursed the "Emerald Isle" for hundreds of years and as has been done in Oklahoma already. Beware, Mr. Farmer, how you bite at this "great achievement" worm!

"NEAL OF THE NAVY"

The "Neal of the Navy" series will soon be run at the Mission for the kids as well as the grown-ups. This is an educational series as well as exciting and thrilling. Produced by Pathe is a guarantee. Watch for the date.

We have seen "Neal of the Navy" and consider it as good a serial as "The Million Dollar Mystery" in fact, its educational features are far superior to either "The Million Mystery" or "The Diamond from the Sky" in which latter the famous Lottie Pickford was the leading star.

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."
