Could Hardly Do Her Work

Housework is trying on health and strength. Women are as much inclined to kidney and bladder trouble as men. Symptoms of aching back, stiff and sore joints and muscles, blurred vision, puffiness under eyes, should be given prompt attention before they lead to chronic or more serious ailment. Mrs. George Hauck 955 Pearl St., Benton Harbor Mich., writes: "I was awful bad, with such pain I could hardly do my work, and I am very thankful for Foley Kidney Pills."—City Drug Store.
