

FAMILY REMEDIES.

In no other department of domestic arrangements is there such stupendous disregard of the welfare of the family as in guarding against the common ills of life by the use of effective and reliable family remedies.

Joseph Kirchensteiner, 87 - Croton street, Cleveland, O., writes: "We have used Pe-ru-na for eight years as our family medicine. During the whole of that time we have not had to employ a physician. Our family consists of seven and we always use it for the thousand and one ailments to which mankind is liable."

The Mosque of Omar.

The site of the Mosque of Omar, or Dome of the Rock, in Jerusalem, is unquestionably that on which stood the temple of Solomon. This site occupies one-fifth of the whole city, and when we see how small a part of the huge marble platform is occupied by the Dome of the Rock, and its adjacent Mosques of El Aksa we gather some faint idea of the area of that temple, which was the grandest pile ever reared to the glory of Jehovah.

Alabama Marries Mississippi

War-Only Husband. Oxford, Ala., writer: Have used Dr. M. A. Simmons' Liver Medicine 25 years. I know it cures. Dizziness of Head, Sour Stomach, Sick Headache, I tried many other doctors, I tried "The Doctor's Black Balm," but did not find it to be half as good as the M. A. Simmons' Medicine.

Leucorrhoea—"Whites."

"This is a disorder from which few women escape at some period of their lives. It is in the nature of a pestilential. In a healthy condition the lining membrane of the genital organs secretes a whitish mucus to lubricate them, but if the mucus membrane is congested or inflamed, the secretion becomes profuse, irritating and offensive. The best results will follow the use of our Moxon's Female Remedy as no injection, and a dose twice a day for some time of that great Female Remedy, Dr. Simmons' Squaw Vine Wine, will cure the complaint."

Q. M. Kirby

Energy, Miss, writes: My mother has been used to your Moxon's Female Remedy in my father's family for many years. It cures all kinds of Leucorrhoea, Dyspepsia, Biliousness, My sister was confined in bed for months with Moxon's Female Remedy. My mother gave her up to die, she began taking M. A. S. M. and she is now as well as ever. There is no just comparison between M. A. S. M. and other Liver Regulators. The letter by which your Moxon's Female Remedy has been found not so reliable has been discarded.

Menstrual Irregularities.

Paternity is the period when menstruation is established. It is the time when the girl becomes a woman, and also the time from which many female diseases date. The menstrual flow usually continues from three to six days and comes on about every twenty-eight days. The quantity varies from two to eight ounces, but the amount consistent with the health of one person may be excessive and weak in another. The function is regarded as being regular when its effect upon the system is favorable. The departure from healthy menstruation is numerous and should be corrected by using Dr. Simmons' Squaw Vine Wine.
