### Dangers of Colds and how to Avoid Them.

More fatalities have their origin in or result from a cold than from any other cause. This fact alone should make people more careful as there is no danger whatever from a cold when it is properly treated in the beginning. For many years Chamberlain's cough remedy has been recognized as the most prompt and effectual medicine in use for this disease. It acts on nature's plan, loosens the cough, relieves the lungs, opens the secretions and aids nature in restoring the system to a healthy condition. Sold by all druggists.

### Puerto Points.

DEAR EDITOR NEWS:—

We are having some fine weather and the farmers are taking advantage of it.

Rev. Trickey, of Oklahoma, was in Puerto the first of the week, the guest of his brother-in-law McCain. He is looking for a location.

R. M. Bates is building a straw barn.

Our school closed last week on account of the winter and the children living at a distance.

W. S. Newby went to town Monday after lumber for his mill house. He will be grinding meal and feed in the near future.

Walter Wallace of Quay was in Puerto Saturday.

Jose Tafuya has moved back to Puerto. He went to Las Vegas last fall but got dissatisfied and came back.

Santiago Garcia gave a big dance the first of the week. Senorita Rebecca Garcia was to have been married at that time but the priest did not arrive and the wedding was put off until the 18th inst.

Geo. R. Taylor has made final proof on his claim.

Miss Grace Hooper, who has been spending the holidays at home returned to school at Tucumcari Saturday. Miss Woodard accompanied her and will also enter school there.

Sam Chadwick is building a substantial adobe house on his claim on the plains.

Jim Griggs has been putting up some fence for Silas Hodges with his fence machine.

Mr. Cheek of Oklahoma has settled near Puerto.

A wagon loaded with pigs, chickens and fruit trees passed through Puerto Monday, from Oklahoma,

having come all the way over land. The gentleman (we did not learn his name) has settled near Quay.

Jack Lewis is circulating a petition to have a post office at his place on the Frio draw fifteen miles south of Puerto. The people out there need an office as it is a long way to any office and is being settled up rapidly. We wish him much success.

Green Silman, of the Frio, was in Puerto Monday.

Dr. Boggs is putting down a well at his place.
