Steel Stubble and Sod Plow.

Fitted with the celebrated "Garden
City Clipper" Bottom.

Made by David Bradley Mfg. Co., Bradley, Ill., U. S. A.

About the best thing you can get hold of for all classes of work. At home in the stubble or fallow, turns a good flat furrow in the sod. Just a nice medium between the more abrupt old ground plow and the long, slow turning breaker. Hardened moldboard, share and landside. If we knew anything better suited to general work in this locality, we'd be selling it. But we don't think there is anything better. You'll agree when you see this one. Come in and let us show you.

Puerto Pickings

[Correspondence]

Henry Maywald and family visited Mrs. Maywald's mother and father, Mr. and Mrs. S. S. Gholson of Quay Sunday and Monday.

Mr. Meeks, who settled in the Puerto Canon in the early winter has been afflicted with rheumatism for some time. He is trying to sell out and will go back to Oklahoma.

The Mumps have been raging in Puerto for the past two weeks.

J. T. Bristow went to Tucumcari Sunday to attend Commissioners Court and to qualify as Constable.

J. H. Nix went to town Sunday after the last load of lumber for his rock house, he will add five more rooms to the four that he has in the near future and will run a hotel.

Puerto is still in the ring and improving. We are soon to have a barber shop, hotel and a drug store. The new shop adds some to our little hamlet.

Prospective settlers are coming through every day.

Fred Walther killed four hogs last weeks, one weighed 300 pounds.

Clarence Johnson has filed on a claim one mile south of Puerto. "Bear Grass."

New belts, combs and wash collars just arrived.
