Dear sirs:---"I have suffered more than twenty years from indigestion. About eighteen months ago I had grown so much worse that I could not retain anything on my stomach. My heart would beat so fast I could not sleep. At times I would almost draw double with pain in the pit of my stomach. I lost 25 pounds. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefited." Yours very truly,
JAKE C. MOORE,
State Warden.
