PASTOR. 13-1100

To the Ladies of Tucumcari and Quay County

Queen Quality

We want you to see the new *Queen Quality* shoes we are now showing. Never were shoes handsomer. Never were better fitting shoes produced. Never have we seen shoes at this price to compare with them for real value. It is logical that **QUEEN QUALITY** shoes outsell all other women's shoes in the world. An intelligent public is looking more and more to big trade mark names for security. Take **QUEEN QUALITY** for instance. The reputation of that name is worth a million dollars. Can the maker afford to stamp it on any shoe that would discredit it? Can they afford to sacrifice quality? You know it stands for your protection. You know that every dollar of this is behind your single purchase.
