Bell has wholly abandoned said tract; that he has changed his residence therefrom for more than six months since making said entry; that said tract is not settled upon and cultivated by said party as required by law and that said alleged absence from the said land was not due to his employment in the Army, Navy, or Marine Corps of the United States as a private soldier, officer, seaman or marine during the war with Spain or during any other war in which the United States may be engaged, said parties are hereby notified to appear, respond, and offer evidence touching said allegation at 10 o'clock a. m. on December, 26, 1907, before Eugene E. Dear sirs:—"I have suffered more than twenty years from Indigestion. About eighteen months ago I had grown so much worse that I could not retain anything on my stomach. My heart would beat so fast I could not sleep. At times I would almost draw double with pain in the pit of my stomach. I lost 25 pounds. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefitted." Yours very truly,

JAKE C. MOORE,
State Warden.

WITH CONSIDERATION.

320 acres of patented land, of which 40 acres has been laid off into a townsite called Puerto, 39 miles from here; half of said 40 acres is owned by another party. Also a school section of 640 acres, of which the party has a four year's government lease which, as you understand, can be renewed at the expiration of that time.

The 320 acres spoken of is also well fenced; the properties have three wells and two windmills on them, with abundance of water and one metal tank which holds 1200 gallons and also a splendid trough at one of the wells. The party has on this property a store 20 x 40 feet with \$3000 worth of merchandise, one splendid six room house, out houses, a corral, a great number of cedar posts, 20 head of thoroughbred hogs, 75 head of cattle and all kinds of farming implements except a lister. The party who owns the store is Post Master at Puerto and who ever buys it, will probably get his place. The owner who went out there four or five years ago, we are reliably informed has made \$30,000 or \$40,000 without anything to start with. He has taken a notion though, that he will go to Old Mexico and has listed the property before mentioned, with us, at \$11,000. We feel sure that it is worth \$15,000 at the lowest price.

This property is so situated that if the proposed railroad from Texico to this town is built, the engineers will be compelled to come right through Puerto in order to get over what is known as "Cap Rock." We feel that it is almost a certainty that this road will be built and if so, this property will be worth an enormous amount. If you buy this property, it would be a good investment and give you a base of operation right in one of the best farming districts of New Mexico. This property can also be purchased in parts.
