## Married.

Elmer Lash and Miss Bessie Shaw were married in Kansas City December 31. Miss Bessie Shaw is well known in Tucumcari. Her parents reside here and she was employed in the dry goods department of the M. B. Goldenburg Co. for a year or more, and was a general favorite among the young people of this city. She went to Kansas City last fall to attend business college and before she finished her studies met and loved a very handsome young employee of the Armour Packing Co., the result being a partnership for life with Elmer Lash. They have settled down in the Hill City and her host of friends here wish her all happiness attendant on a happy union. Miss Nellie Shaw who was also in Kansas City taking a course in a stenographic school, her sister, did not know of the marriage until she saw it in the Kansas City papers. Miss Nellie came home for the holidays and while knowing that her sister and young Lash were sweethearts, did not think of them being so hasty in the matter.

Tucumcari is elated over the fact that after January 1 the lid will be shut down hard and fast on the gambling evil. The Tucumcari News got out an extra special edition on Saturday Dec. 28 in order that two ordinances passed by the city council, relating to licenses for trade and business pursuits, should become a law on January 1. About twelve hundred copies were gotten out in ten hours.—ALBUQUERQUE JOURNAL.

Mrs. E. L. Warren is now organizing a private class in ball room dancing; for particulars call at residence, four doors east of Mrs. Ridley's boarding house, or at A. Jowell & Co's., store.

## Skipped with the Goods

C. J. Ryan, representing J. C. Jones, the Jeweler, sold \$75.00 worth of jewelry in Montoya the other day and went SOUTH. He is evidently looking for a "more warmer climate," as Jones has not heard of him or the \$75.00.

F. C. DeWitt & Co., Chicago, Ill.  
Dear sirs:—"I have suffered more than twenty years from Indigestion. About eighteen months ago I had grown so much worse that I could not retain anything on my stomach. My heart would beat so fast I could not sleep. At times I would almost draw double with pain in the pit of my stomach. I lost 25 pounds. I now weigh more than I ever did in my life and am in better health than for many years. Kodol did it. I keep a bottle constantly, and write this hoping that humanity will be benefitted." Yours very truly,  
JAKE C. MOORE,  
State Warden.

I will open a kindergarten at my residence on corner of Adams and High Streets at 9 A. M. Monday Morning, January 6th, 1908. Your patronage solicited.
