Tree Strangely Marked.  
 A curious tree which though sound was never known to blossom has just been cut down by Mr. James Hayden Carrigan, on his lands at Pandistown, County Kildare, Ireland. On the freshly sawn butt of the tree there was found a blood-red imprint of what closely resembled a hand and part of an arm.

Vegetable Nightcap.  
 A vegetable nightcap may be seen in the agricultural museum at Washington. It is the sheath of an immense African flower, and is used by the natives as a cap. Turned up around the lower edge, it runs to a point like a tasseled nightcap. Its color is a rich brown, its texture of a fine lacelike quality, and it is strong and durable.

**WOMAN IS HAZED BY NURSES**

Scandal Promised in Case of Nurse Who Was Ducked by Four Others.

London.—Official investigation and perhaps the unearthing of further scandal is promised for the case of "ragging" in which a nurse was ducked in a bath by four other nurses, the scene being Cuckfield Workhouse, Sussex. The incident has caused much curiosity concerning the doings in such institutions.

The offenders were four nurses in the infirmary ward. While the superintending nurse was away the nurse in charge and three other nurses who disliked a nurse named Miss Edwards, seized the latter after supper and "frogmarched" her for some distance.

At first Miss Edwards seemed to think what was taking place was a bit of fun, but as she approached the bathroom she became alarmed and struggled violently to free herself. She was however, carried to the bathroom and plunged, fully clothed, into the bath.

As soon as she was released she informed the matron of what had occurred and was put to bed, where, by order of Doctor Wells, she remained for several days.

The clerk to the guardians was informed next day of what had happened and he gave the offending nurses notice to leave. The order was not enforced, however.

**POISONING IS MORE POPULAR**

Suicides by This Means Outnumber Those by Firearms in New York State.

Albany, N. Y.—The publicity given to the use of bichloride of mercury, both by accident and design, has no doubt led a number of persons bent on self-destruction to use poison. Whereas for a long time firearms were the most popular means used by suicides, in October last, according to the state health department bulletin, they dropped to third place, while hanging took the lead, and suicide by poison and by asphyxia tied for second place, the number of deaths therefrom being 27 each.

The total number of suicides in October was 124, of which 23 were by firearms and nine by jumping off high places. The total of the deaths by violence during the month was 908. The railroads were responsible for 154, horses and vehicles for 52, and "other accidental traumatism" for 156.

While firearms fell off in popularity for suicides, they maintained their place for homicides, having been employed in 19 of the 37 reported for October.

**SAILORS HAVE A "WALDORF"**

Million-Dollar Hotel Especially for Seafarers in New York—Exclusive Affair.

New York.—"Jack's Waldorf" is what those of the forecastle call the \$1,000,000 building at Coenties slip, recently erected by the Seamen's Church Institute for a sailors' hotel. This hotel has a lobby for the exclusive use of its seafaring guests, who can there enjoy as much privacy as though they belonged to the swellest of Gotham's clubs. A room ticket is the sailors' passport through a turnstile into the specially reserved portion, safely beyond the reach of beggars, borrowers and "crimps" who are wont to prey upon this free-hearted class. Excellent rooming accommodations are furnished at from 25 to 40 cents a night. There are well-equipped reading and games rooms.

There is in the institution a special floor for officers of vessels—an officers' club, in fact. Although in the same building, the officers and the men are kept entirely separate.

**Corporation Footballs.**

Mayor Mitchell of New York was praising a commuter who, by continual complaints, had improved the railway service of his district.  
 "We are apt to call the kicker a crank and a nuisance," said Mr. Mitchell, "but it's the kicker who gets things done for the community."  
 He smiled and ended:  
 "They who never kick are but too apt to become footballs."

**IN MISERY WITH ECZEMA**

Franklinton, La.—"About four years ago my face broke out in little red pimples. At first the eczema did not bother, but finally the pimples began itching and burning and then there came little raised places. I suffered untold misery. I scratched them until they bled and I could not sleep at night. I was ashamed of my face and I could not bear to touch it.  
 "I tried different remedies without result until I tried Cuticura Soap and Ointment and in six weeks they completely cured my face. That was nine months ago, and no sign has appeared since." (Signed) Mrs. Leola Stennett, Dec. 14, 1912.

**BIG EATERS HAVE BAD KIDNEYS AND BACKACHE**

Take a Glass of Salts at Once if Your Back Is Hurting or Kidneys and Bladder Trouble You.

The American men and women must guard constantly against kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out; they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad, get from your pharmacist about four ounces of Jad Salts; take a table-spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder disorders.

Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.—Adv.
