C. V. Steed

The friends of C. V. Steed, who last week announced as a candidate for Probate Judge, are flocking to his support in large numbers. The News does not believe that there is a candidate for office that is better qualified for the position to which he aspires than is Mr. Steed. Although a resident of this county for over nine years he has never aspired to any kind of office and it was only through the persuasion of many prominent democrats that he finally consented to make the race.

He was the first man to engage in business in Clovis, nine years ago and his original home-stand was that upon which the town is now located. He has during all these years been a persistent booster for his town, county and adopted state. He was born and reared in the hills of old Carolina and is a democrat of the old school. He is firm in his convictions and scrupulously honest. The tax payers of this county need not have fear that the affairs of the office will not be in safe hands if he is elected. We have yet to hear of a single person who questions his honesty and ability. There is probably no man in Clovis who is better acquainted with the people of both the town and county than is Mr. Steed. He is a member of the Masonic and Old Fellows lodges of Clovis and has always been identified with the best interests of the city. He has been especially active in doing charitable work and takes much pride in doing something which will be beneficial to his fellow creature. A vote for C. V. Steed for Probate Judge is a vote for the right man.

Milton Reece

For Representative

PROMINENT LEADERS OF MORAL FORCES URGE VOTERS OF CURRY COUNTY TO VOTE FOR MILTON REECE.

To whom it may concern:

This is to certify, I am supporting Rev. Milton Reece in his race for the legislature. I have known him for several years, and I believe he is just the man we need to represent us from Curry County. He is an earnest christian, an able minister of the gospel, and will stand for all the legislation which we so much need along moral lines. I believe it to be the duty of all christians in the County to support him and especially do I solicit the support of the Methodist people in the County for him.

There never was a time when we so much needed Christian men in our state legislature as now. There never was a time when the lawless element in our state were trying harder to dominate the state. Let us do our utmost to elect brother Reece. Then we can rest assured, not only will our County be well represented, but immoral forces of the state will have an opponent who will fight them to a finish.

J. H. MESSER,
Pastor First M. E. Church, South Clovis, N. M.

I have known Rev. Milton Reece as pastor for nearly four years. He is a man of ability and sterling integrity. He has given much thought to needed legislation. The best interests of Curry County and New Mexico have in him a strong friend.

It is my opinion that in the present situation the Democrats of Curry County would make a very serious mistake should they fail to nominate Milton Reece.

JEREMIAH MOORE,
Pastor of Presbyterian Church, Clovis, N. M.

To whom it may concern:

This is to testify that I am personally acquainted with Rev. Milton Reece, a candidate for representative from Curry County and believe him to be a man of unusual aptitude for the office.

For more than two years he and I have been ministers in the same town and I have come to know him as a man of sterling value. He is an able leader in every great moral movement. Nobody ever has any doubts about where he stands. If he is elected, I believe he will stand for the right boldly, fearlessly and ably and that the forces of righteousness in this state will have a worthy advocate in this splendid Christian man with his great "common sense" about political matters.

C. W. LAMBERT,
Pastor First Christian Church, Clovis, N. M.

The Progress Club

The Progress Club met in last regular session for the year with Mrs. L. B. Parker, Tuesday afternoon.

The general topic for discussion was "Home Nursing," after which Mrs. F. J. Evans and Mrs. W. G. Nutter lead with articles on beautifying lawns by different arrangements of grass, flowers and trees. Current events concluded the program.

The Club will begin work again in September.

Womans Missionary Society

Mrs. Chas. Irvine was hostess to the W. M. S. at their social meeting on Thursday afternoon. In the absence of Mrs. Bayless, Mrs. Rice conducted the devotional and literary program. After an interesting discussion of Orientals in America, Mrs. Irvine assisted by Mesdames Messer and Austin served appetizing refreshments.

These monthly socials are very enjoyable and instructive and the good attendance proves that the ladies appreciate them.

Dancing Party

Mesdames Prichard and Drake entertained with dancing at the Elks Home Monday evening, in honor of Mrs. Prichard's sister, Mrs. Hoffman, who is visiting here from Kansas. About twenty-five couple attended and it was described by one who was there as being one of the greatest social successes of the season. Messrs Morris and Chapman furnished the music, which was par excellence. Fruit punch was served during the dance and an ice course afterward.
