

**The new at its best
in shoes wholly
comfortable**

In their fashioning the new models of the Red Cross Shoe are distinguished. No extravagant oddity, no soon-to-be-discarded fashion whim is in the whole display. But those modes which interpret the new in distinctive manner, whose vogue is assured, are here in splendid array.

Each has the famous "bends with your foot" sole—there's assurance of perfect comfort in that! And they're so carefully made that the day is far, far distant when you'll lay aside the model of your choice.

We suggest that you come in soon while our showing is still complete.

The prices bring you the utmost value—they range from

**"IT' JUST GRAND"
SAYS MRS. ROGERS**

**COULD NOT EAT MEATS OR
BREAD FOR TWO YEARS—
GAINS 18 POUNDS TAKING
TANLAC.**

"Noone could see the wonderful change in me and doubt that Tanlac is just a grand medicine," said Mrs. Louise Rogers, of 4017 Brooklyn ave. Los Angeles, Cal. Mrs. Rogers formerly lived at Wenatchee, Wash., where she is also well known.

"My health was so bad for years that I became almost a physical and nervous wreck," she continued. "I had nervous indigestion, disordered kidneys and other troubles. I was perfectly miserable and for over two years I could not eat bread, milk or meat, and had to live on the very lightest of foods. I suffered so that sleep was almost impossible and I fell off to a mere shadow of my former self. I was under constant treatment for eighteen months but kept getting worse instead of better. I nearly gave up all hope and my husband, too, thought I was going to die. He decided to send me to a health resort, but I was so low I had to be carried and have an attendant all the time.

"It was then that a lady from Vancouver persuaded me to try Tanlac and it was just three days before I noticed a change for the better. I have now taken five bottles, have gained eighteen pounds and all of my old troubles are gone entirely. I eat three good meals every day and sleep like a child all night long. I just want to tell everybody what a great medicine Tanlac is."

Tanlac is sold in Clovis by City Drug Co., in Texico by Red Cross Pharmacy, and in Melrose by Irwin & Pool. (Advertisement.)

Two attorneys, arriving late at a funeral, and hung up their hats in the cloak room. The minister was making the welkin ring with the virtues of the deceased when the second lawyer came out of the anteroom. He asked: "Are we very late, Jim?" "I don't know, but I think we are. Anyway, they have opened for the defense."

Furniture Talk

With the cost advancing in every direction, the temptation nowadays is to cut down the quality.

We think that this is a serious mistake. We do not believe the buying public desirous of high and medium class home furnishings wants low quality.

The policy of the HOUSE OF QUALITY—THE MAGIC CITY FURNITURE AND UNDERTAKING CO.—is to handle the very best merchandise the country affords, and to price it on a basis of low profit, thereby increasing the volume of business, and operating this service-giving institution at an exceedingly low cost—ultimately the consumer is rendered a double service.

Our guide of the past and for all future will be the QUALITY there is in an article—both construction and style.

The public has a keener appreciation of quality than ever before.

Your Money Back if You Want It.

**FAMOUS LECTURERS COM-
ING ON CHAUTAUQUA**

You are to have a week of Chautauqua shortly, May 21st to 26th, to be exact. Redpath-Horner, whose Premier Circuit serves this community, are particularly noted for the standard of excellence maintained in their programs. Redpath-Horner in Chautauqua means that the program is the result of thought and work far beyond the ordinary haphazard array of talent. Horner programs have a balance and logical sequence through the week like the arrangement of a symphony orchestra. The program which Clovis will have this summer will be a delight throughout and a week which will stand out in retrospect through all the year.

There are to be six lectures touching on a wide range of subjects of vital interest to American audiences at this particular time. The Horner programs have been especially strong in the lecture feature because Mr. Horner is anxious to get to the great audience Redpath-Horner serves the very men who are best answering the call of the hour. The arrangement of lectures this year is a masterful symphony with America as its theme.

France still has 400,000 men under arms. No wonder she can't pay us the interest she owes us.
