CLOVIS MARBLE WORKS CONTINUES TO GROW

Dad Dwight of the Clovis Marble Works on Grand Ave., ships his marble direct into Clovis from the quarries of the New England States. He cuts it, polishes and letters it right here and sells it direct to the customer. There are no middle man's profits and it is not hard to see how he can save you money on your monuments. Not only this, he is a citizen of Clovis, has his home here and when you patronize him you are helping to build up the town and the county. He hires no salesmen and no agents and when you buy one of Dad Dwight's monuments you have to deal direct with him at his marble works on Grand Avenue, but if you can save from 20 to 40 per cent on your monuments isn't it worth while? He has had 38 years experience in the monument business. If you need anything in his line it will pay you to see him. 6-17-tfc

BEAUTY SECRETS!

Where she gets her good looks, her healthy skin, her pink cheeks, is known to every one, because it is apparent that it is not due to cosmetics, paint and powder. But the true womanly beauty comes from good health, and this good health is a woman's secret.

Health comes with good physical machinery and good spirits, an active digestion. A body free from pains and aches comes with a tonic known for over fifty years as the best "temperance" tonic and nerve for woman—namely, Dr. Pierce's Favorite Prescription. It can be obtained in any drug store in liquid or tablet form, or send 10c to Dr. Pierce Invalids' Hotel, Buffalo, N. Y.

Cleansing of the intestinal tract is important. Take castor oil or select a vegetable pill. Such a one is composed of May-apple, leaves of aloe, root of jalap, and made into tiny sugar-coated pellets, to be had at every drug store as Dr. Pierce's Pleasant Pellets.

Lee Tires ask no favors of the road.
On rough country roads their tough treads travel almost unharmed over sharp and jutting points that would tear the heart out of less sturdy tires. On paved streets and boulevards Lee Tires wear down surprisingly and pleasingly slow.

If you knew how to make tires and none but the best would satisfy you, the Lee Tire is the kind you'd build.

So thoroughly good are Lee Tires that you'll get an entirely new idea of tire mileage and satisfaction from the first one you try. Let us show you why.

THERE IS EVERY
ADVANTAGE
IN
BUILDING
NOW
IN BUYING HERE

The man who waits for building material demand to slacken, for prices to recede, will lose much in profits and possibly pay even more in the end.

There is profit in building. Otherwise people would not build. With all prices high the profit remains. Why wait?

It is our earnest advise that you build now—that you come to us for your estimates.
