VO. XXVI, NO. XXXV

LOUISVILLE, KY., FRIDAY, SEPTEMBER 9 1904

ESTABLISHED 1879.

**NTS - 112  
No. 8 East 14 St.  
Some one's selfish some  
Is it you?  
Some one's sense of right is his  
Is it you?  
Some one lives a life of ease,  
Doing largely as they please—  
Drifting idly with the breeze;  
Is it you?  
Some one hopes success will find him;  
Is it you?  
Some one proud y looks behind him;  
Is it you?  
Some one full of good advice  
Seems to think it rather nice  
In a has-been's paradise—  
Is it you?  
Some one trusts to luck for winning;  
Is it you?  
Some one craves a new beginning;  
Is it you?  
Some one says: "I never had  
Such a chance as Jones' lad."  
Some's likewise quite a cad—  
Is it you?  
Some one's terribly mistaken;  
Is it you?  
Some one sadly will awaken;  
Is it you?  
Some one's working on the plan  
That a masterful "I can"  
Doesn't help to make the man—  
Is it you?  
Some one yet may "make a killing,"  
And it's you.  
Some one needs but to be willing,  
And it's you.  
Some one better set his jaw,  
Cleave to be a man of straw,  
Get some sand into his craw—  
And it's you.**

Hunter, Mollie Gordon, members of the board of managers. We left Monday morning for Central City, thence to South Carrollton, we reached the latter point at 2:30 p. m. found Rev. George Brown awaiting our arrival. At night a rain storm ensued which hindered our meeting; we were off next morning for Livermore; Misses Emma and Lizzie Brown calling to see us off. Teaching Livermore we found Revs. H. and P. H. Watson awaiting us also dear sister Bora and the children. We spent the time pleasantly in her home. At night we visited the church where a large crowd had assembled. Song and praise service was conducted by brother Watson in which all present took an active part, we were then introduced laying our claims before the congregation and a collection of \$3.06 was given. Below see names of contributors: Revs. P. H. Watson, H. Watson and L. Holloway, brethren Curt Crow and Jerry Decker, sisters Aurie Condit and Mary Ben. The society hopes to send a good contribution this year. Miss Lulu Bora our faithful friend hopes to enlarge her contribution to the work this year. Calhoun was our next point, Rev. Watson accompanying us to the point where we took the little boat "The Kalitta" for Calhoun a distance of 12 miles down treacherous Green River. The heavy rain storms in this section had swollen this stream until it had reached high water. We can never forget with what reluctance we made this trip. We believe in our old watch word "One Lord, One Faith and One Baptism" but must admit we don't like so much water as this. When we had landed safely we felt to thank the Lord for his guidance of the little bark on which we had made the trip. We feel especially grateful to Mr. Chapman who showed us so many favors on that seemingly perilous trip. There was no one to meet us at the wharf, in fact no one seemed to be expecting us had it not been for him showing us a stopping place we would have spent a most unpleasant day. At night we visited the church, a beautiful new building recently completed. A few assembled to meet us, through the kindness of Mrs. C. C. and Jones a collection of \$2.01 was given us, Bros. I. Chapman 50 cents and C. J. Johnson 20 cents, spent a pleasant night in the home of our sibs. Pleasant near the church whose wife and little daughter made us welcome. Left next morning by boat for Livermore, spent the day pleasantly here at the home of Rev. P. H. Watson. Accompanied by him and his pleasant little wife and Miss Bora to the train we were off at 3:30 for Union, reaching this point, found sister Moreman awaiting in her buggy, driving two miles over hills we found ourselves at last comfortably housed in their beautiful new home, surrounded by every comfort of life. We were warmly received by every member of the family, an elegant supper was served us after which we were off for church, three miles distance. Pastor Sweeney was absent but had announced our meeting, the church was undergoing needed repairs but owing to the thoughtfulness of season Mooreman we were able to hold our meeting. A large number of intelligent young men and women had assembled to hear us most of them being active members of the society which has Miss Mattie Hunter as its active president. We were introduced by her and we made an appeal for our work receiving a contribution of \$2.00 for same spent the night at the home of Miss Toibert. Pleasant Ridge being our next point.

Asking your prayers, I remain yours with heart in the work.

L. M. JACKSON.

**A Missionary Appointed.**

The Consolidated association in its last session held with the Consolidated church Lexington, Ky., July 12-16, left the appointing of a district missionary to the Executive Board.

A special meeting for consideration of the same was held Thursday evening, August 18th, in the Broadway Baptist church Winchester, Ky.

After fervent prayer the Board in its judgment guided by the Holy Spirit selected J. Francis Wilson to go over the district as their representative in the name of Him who said, "ethat believeth and is baptized shall be saved."

We ask of all within our bounds and others too, to receive our agent and treat him according to the teaching of the New Testament and bid him God's speed.

**Is Golf Catching**

on to popular favor? It seems to be. A noticeable increase in sales of Painkiller comes from golf districts. The reason for this is clear, as Perry Davis' Painkiller is the oldest and best remedy extant for sprains, strains, bruises and soreness, all of which are of common occurrence, either in vigorous play or through accident. Everywhere the standard liniment and balm.

comforted us through difficulties, both seen and unseen. For twenty-one years His hand has guided us, and too well do we remember that glorious meeting held last October in Alpha Baptist church, Franklin, Ky., how the Lord met us in the way and poured out His blessings upon us, so that our cups ran over and were made to exclaim "The Lord hath done great things for us!" We are looking with the eye of faith to our gathering together Thursday October 6 1904, in that grand old First Baptist church Lexington, which feels so near to me, as there was the place where I first saw the light and felt the power of the Holy Spirit, by the burden of my heart rolling away. We are looking forward to a grand meeting.

Our last meeting was a great inspiration to our work, Christ was certainly in our midst; a large delegation of sisters and brethren and we raised more money than at any previous session. We now ask you to unite with us in carrying on this glorious work, for we know every true Baptist brother and sister is with us. We simply give the signal for marching orders. We need all, this campaign is for the young as well as the old, all come with united heart and hand to more earnestly carry out this great work so that the reports at our Convention at Lexington in October will show greater success than ever before. Let us leave no stone unturned, where we may make friends or secure aid. Our fathers planted wisely and well, but they have ceased from this labor and gone to their rest, but their consecrated efforts, prayers and sacrifices will live as long as there is a student of State University who is able to raise the banner of that institution. Shall we provide suitable buildings and have comfortable surroundings for our students: If so the flag of the Baptist Women's Educational Convention is now hurried to the breeze with \$2,000.00 as its ensign. We call on our soldiers in all parts of our state and in other states old regulars and volunteers to keep that flag from trailing in the dust. "There is no discharge in this war" see to it that your church is organized and is represented at our next meeting. Our missionary, sister Jackson, will visit you, if she has not already done so, do not fail to help her give her an encouraging word and a good collection. We ask your prayers that our efforts may be crowned with success and that in the near future we shall have a splendid building towering toward the skies drawing young men and women to the haven of Christian Education.

Yours for the success of the cause,  
M. E. STEWART,  
President of the Baptist Women's Educational Convention, Louisville, Ky.

## A SHORT LETTER.

Will you allow me space in your valuable paper to inform the Baptist of Kentucky why I failed to meet them at the General Association. On account of the illness of health I was unable to be with them or which I regret very much. Our church is yet alive both spiritually and financially and trying to foster the cause of Christ. When I read the American Baptist now the brethren all met on one accord and that was for peace and harmony. I said, "B hold what manner of love the father hath bestowed upon us that we should be called the sons of God. I extend my congratulations to the Baptist of Kentucky upon their selection of officers for the ensuing year.

I feel assure that Drs. Ward, Carpenter and Bigbee will not leave a stone unturned that will do down to the good of the Baptists. The Baptists of Southern Kentucky feel that they have received an honor that was due them from the General Association in the selection of Rev. H. D. Carpenter as assistant moderator. Rev. Carpenter is a strong young man and stands big as an able preacher and Christian gentleman.

Brother Stewart needs no comment as secretary and you know Dr. Mearns will never let a dollar get away without telling where it went.

## IN MEMORIAM.

In loving memory of my dear husband, William A. Cozeman, who died August 22nd 1903.

One year ago to-day we stood  
And bitter tears of sorrow shed  
Beat o'er the cold and lifeless form  
Of one we loved and he was dead.

His eyes were closed in peaceful sleep,  
His hands were folded on his breast;  
We bowed and kissed the cold pale lips  
Our father and husband's soul had gone to rest.

We miss your form, your face and voice,  
Your tender words of love,  
And hope that we may meet again,  
Some day in heaven above.  
—From Loving Wife.
