HUNTER KILLED.

Harry Root Fatally Shot While Deer Hunting.

Harry Root, aged 17, son of Mr. and Mrs. James M. Root, of Foote street, this village, was fatally shot while deer hunting Wednesday afternoon.

Young Root with a party of four, including his uncle, Dewitt Parker, were hunting on what is called Bald hill or Bald mountain and were very near the top. Suddenly there was a sharp cry from Root and his companions hastened to his side to find that he had been shot in the right side of the neck, the ball taking a downward course and coming out at the left side of the body below the arm and very near the heart. His uncle and two other men named John and Frank Thomas picked the unfortunate lad up and placed him in a wagon and proceeded to the home of Edward Harrington at Moosalamoo Park. The journey from the mountain occupied about two hours and a half, on account of the difficult road leading down the mountain. Dr. F. E. Reed of Salisbury was immediately summoned and rendered all possible aid to young Root, who was very weak from the loss of blood. On examination it was found that the wound was a very serious one and his relatives were notified. He suffered intense pain and though very weak from the loss of blood he never lost consciousness and slight hopes were entertained for his recovery until about 8 o'clock when he began to slowly sink and died about 8:45 o'clock. It is thought that he was mistaken for a deer as he had been making his way through a thick part of the woods as the mountain is quite thickly overgrown at the particular point where he was shot. The remains were removed to the home of his parents on Foote street late Wednesday night. Mr. Root was employed by Charles Keese of this village and was a likely young man of exemplary habits. He is survived by his parents, three brothers, Fred, Daniel and Charles Root and two sisters, Mrs. George W. Selleck of Salisbury and Miss Ethel Root, who resides with her grandmother in Whalensbury, N. Y.

The funeral will be held from his late residence on Foote street Saturday morning at 10 o'clock. Prayers will be said at the house by Rev. Mr. Hollowell of the M. E. church in East Middlebury. Burial will be in the Foote Street cemetery.

Merritt Wood Accidentally Shot.

Merritt Wood, aged 16 years, son of Mr. and Mrs. Henry L. Wood of Ripton, was accidentally shot through the fleshy part of the right leg below the knee by Henry Goodroe, a companion. The young men went deer hunting and not being successful were returning from the woods when they decided to try their skill at target practice. Young Wood took the gun, which was the property of Elmer Hier, and fired at a target. After discharging the gun he handed it to young Goodroe and in some manner it was accidentally discharged, the ball entering Wood's leg below the knee. The unfortunate young man who suffered greatly through the flow of blood, was assisted to his home by his companions and Dr. E. H. Martin of this village was immediately called and after an investigation located the bullet. The bullet tore a hole in the young man's leg about the size of a half dollar. The wound is not considered of a serious nature though very painful. It was reported yesterday that Wood was resting easily and should no further complications arise a speedy recovery is looked for.

Everybody invited to attend the Improvement society entertainment on Thursday evening, November 10, at Masonic hall. Admission 25c.

WHAT'S BURNING?

People don't make sarcastic comments of this character about cigars you get here. We have the patronage of a very large number of discriminating smokers but can accommodate others. We doubt if the line of cigars now carried could be improved upon, but we are always ready to stock anything new that is worthy of associating with the brands now handled. Those who like a good smoke will find a lot of cigars here they will like.
