STOMACH UPSET?

Get Immediate and Effective Relief by Using Hyomei.

Hyomei is nature's true remedy for catarrh. There is no stomach dosing—you breathe it. When using this treatment, you breathe healing balsams and effectively reach the most remote air cells of the throat, nose and lungs, and catarrhal germs are destroyed—quick and sure relief results. Hyomei often restores health to chronic cases that had given up all hope of recovery. Its best action is at the start of the disease when the breath is becoming offensive, and constant sniffling, discharges from the nose, droppings in the throat, or that choked up feeling begin to make life a burden. At the first symptom of catarrhal trouble, surely use Hyomei. Ask W. H. Sheldon for the complete outfit, \$1.00. He will refund the money if it does not give satisfaction.
