**Our Annual Inventory Is Completed**  
 We find our stock in excellent condition, bright, fresh, well selected and purchased at right prices. However, we are now turning our attention to getting together every odd piece and soiled package of goods in our store. These will be sorted out and marked at particularly low prices to close out quick. Can not enumerate them here. Come in early and make your selections.  
**Two Reasons for This Sale**  
 First—That we may continue our long established reputation of keeping our store absolutely free from slow-moving merchandise, otherwise known as "dead stock."  
 Second—That we may attract you to our place of business, and give you the advantage of the exceptional values we shall have to offer during the month of January, for cash.  
 We propose to make a special price on at least one article every day during the month, beginning Saturday, January 10.

## WHAT A COUGH DOES

It endangers life. Yes, even the slightest cough is a menace to life. The lungs are delicate organs and coughing irritates them and frequently tears their delicate tissue—possibly beyond repair if the cough is allowed to become violent.

**Rexall Cherry Bark Cough Syrup**

Will cure it quickly. It's not just a cough stopper, either; it's a cure, because it removes the cause. It is a modern, pharmaceutical preparation of old fashioned ingredients—ingredients that cured the coughs of your grandparents.
