**The Modern  
Seven Wonders**  
Daytona's Incomparable Ocean Beach.  
One of Daytona's crowning glories is  
her incomparable beach. No one who  
ever set foot upon its smooth, packed  
sands; no one who ever pedaled a bicy-  
cle over its expanse; no one who ever  
drove a prancing pair of horses and list-  
ened to the popping of their steel shoes  
upon its asphaltum-like face; no one  
who ever steered a high-power automo-  
bile down the broad stretch of wave-  
washed and surf-packed sand but re-  
alized that it is a world-beater, a world-  
wonder. Go stand upon this wide  
speedway and see the happy souls fit  
by in joyous mood, and answer whether  
this is not one of the seven modern  
wonders.

**The Fastest Autos And The Finest Out.**  
Here is where world's records for speed  
are broken with every recurring season.  
Autos the biggest, the fastest and the  
finest are on daily parade and the big  
show is as free as the pure artesian  
water from the thousand flowing wells.  
It is a continuous show with constantly  
shifting scene. You will probably catch  
the spirit and when you do the roads  
and the beach are yours. The Florida  
sunshine is free, the birds and squirrels  
and flowers are free, the sparkling  
fountain water is free and you will have  
to go down in your wallet only for coin  
for the auto and bed and board.  
This is no fanciful picture; it's all  
here. It is drawing other thousands  
and holding them enthralled, it will  
charm and hold you. Come, and see.

**The Enchantingly Picturesque Ridgewood.**  
Ridgewood avenue is upon the crest of  
a broad ridge, straight as the crow flies,  
and the wide-spreading branches of the  
heavy-trunked live-oaks extend their  
great arms across this magnificent vista,  
forming an arch, and from these extend-  
ed arms great festoons of Spanish moss  
sway as the trade winds from tropic seas  
fan them. Looking straight ahead down  
this white shell street one has the im-  
pression of a fairy path with elfish drap-  
eries, but as you move along and cast  
an eye first to the right and then to the  
left you see distinguished cottage homes  
in the most delightful settings.  
Surpassing Beauty of Our Cottage Homes.  
No one of Daytona's attractions, per-  
haps commands more nearly universal  
attention and praise than does the artistic  
cottage. The owners of these charm-  
ing villas hail from every corner of the  
country and they bring their own archi-  
tectural plans and build upon them, and  
as the architecture of one section of the  
country differs from the architecture of  
another so do our homes differ in out-  
ward appearance and structural beauty  
from one another. There are no monoton-  
ous rows of strikingly similar buildings  
but the eye, as it sweeps by, is treated to  
a kaleidoscopic change which keeps the  
mind wondering "What next?"

Streets and Pavements the Most and Best.  
Why the Architect of the Universe  
chose to give to Daytona the most ad-  
mirable, the most picturesque natural  
setting of all the cities of the South is  
not revealed but that such is a fact  
must be apparent to the most superficial  
observer. With such lavish wealth of  
natural beauty it became an easy thing  
for the hand of man to give the little  
finishing touches which have brought  
out the colors and outlines of the big  
picture.  
Man did all this in the laying out of  
the streets with their wide margins of  
parkage, the entire city becomes a  
great park  
And as for pavements, pavements  
that look and act like granite,—where-  
else between the eastern and western  
seas are so many miles in proportion to  
inhabitants? Till some unheard-of  
place reports more and better, Daytona  
throws down the gauntlet to the world.  
Squirrels, Flowers, Birds and Fruits.  
Whatever one's shortcomings and  
however indifferent or eve callous one  
may be to many things, the mere men-  
tion of "squirrels and flowers, birds and  
fruits" will send a thrill that is reflected  
in distended pupils and pricked ears.  
For every visitor with a spare "goo-  
ber" there is a bunny ready to come out  
and accept your gift. He will sit bolt  
upright and gnaw into the meat, casting  
furtive, saucy glances at you meanwhile.  
Flowers! Usually fresh and blooming  
the year 'round. In one yard roses of  
variegated hues predominate, another  
has a penchant for the poinsettia and  
the premises are aflame; another is hid-  
den in a jungle of tall cane.  
The birds fit in, and with their joyous  
notes help to give fullness and symme-  
try to the picture.  
As for fruits, choice citrus fruits, Day-  
tona yields the palm to none for quality  
and quantity per acre. There are scores  
of citrus groves in proximity to the city,  
branches bending to the earth with their  
burdens of luscious golden gloes.

**The Editor's Sally.**  
City Editor—What do you mean by  
saying in this robbery story that  
"Brown was knocked down and re-  
lieved of a hundred dollars?" Were  
you ever robbed yourself? New Re-  
porter—No, sir. City Editor—That  
accounts for it. If you'd been robbed  
you wouldn't describe the loss of a  
hundred dollars as a relief.—St. Louis  
Republic.  
Modern Art.  
Art in our time seems like an ir-  
descent oil spread about on the sur-  
face of the muddy waters of our civi-  
lization; it and life don't mix.—Lon-  
don Saturday Review.  
A Patient Sufferer.  
Boy (to tramp)—Don't you get awful  
tired of doin' nothin', mister? Tramp  
—Terrible! But I never complains.  
Everybody has their troubles.—Phila-  
delphia Inquirer.  
Trying to Explain.  
Howell—What did you mean by say-  
ing that I would never set the world  
on fire? Powell—I meant that you  
were too much of a gentleman to do  
it.—Exchange.
