ELECTION ECHOES.

The Result in the Several States Revised and Summarized.

KANSAS CITY, Mo., Nov. 6.—The result of Tuesday's elections may be summed up as follows:

In Kentucky republican claims and democratic concessions show that not only but the full republican state ticket has been elected but that the completion of the legislature assures a republican successor to United States Senator Blackburn. Bradley's plurality for governor is from 26,000 to 15,000.

In Pennsylvania complete returns from all but six counties in the state show a plurality for Haywood (with the vote in the five counties estimated) of 100,831, a republican gain of 24,795, as compared with 1892.

In Nebraska the best indications are that Norval is elected by over 10,000. The vote of the administration or "sound money" wing of the democratic party is four-fifths of the entire party vote of the state, probably 25,000. This is a very surprising feature of the election.

In Maryland not only have the republicans elected their entire state and Baltimore city ticket, but have carried the legislature, which, according to figures at hand now, will stand in the lower case 98 republicans and 24 democrats, and in the senate 15 democrats and 11 republicans. Lowndes (rep.) for governor carried the city of Baltimore by a plurality of over 10,000. His plurality in the state is about 16,000.

In New Jersey the republicans elected Griggs by a plurality of 20,900 over McGill. The legislature is republican in a joint ballot by 49 and 1 independent.

In Utah returns from 215 precincts out of 228 give Wells, republican for governor, a plurality of 2,482, and Allen, republican for congress, a plurality of 1,672. The republicans have elected 10 senators, democrats 5, with 1 in doubt. The republicans elected 29 representatives, democrats 7, with 9 in doubt.

In Ohio Chairman Anderson conceded the state to the republicans by 90,000. Chairman Kurtz said Bushnell's plurality would not be less than 100,000. The vote for Coxey, populist, will be about 15,000 less than last year, the populist vote of 49,000. James the total vote of 1,672. The republicans have elected 10 senators, democrats 5, with 1 in doubt. The republicans elected 29 representatives, democrats 7, with 9 in doubt.
