RUPTURE You Pay When Cured

You Want Facts. I Present Them to You in the Letters of My Former Patients. You Do Not Pay Me One Cent Until You Are Cured.

I present to the readers of this paper a few testimonial letters and names of former patients whom I have cured of rupture, believing that the afflicted would rather correspond with some one who has been cured than read what I might say about myself. You can more fully investigate and convince yourself as to the merits of my treatment. I might doubt any statements I might make, but you cannot help but believe the statements of those I have cured. I will ask you to write to any or all of them. If you are satisfied with what they say about my reliability and methods of treatment, write to me or call and see me. Remember that in all cases I guarantee a cure and do not accept one cent of money until you are well. Consultation by mail or in person is entirely free. I will be pleased to correspond with you regarding your case.

DR. ERNEST HENDERSON.

A Very Bad Case of Rupture Cured in Three Weeks.

McPherson, Kan., June 8, 1899. I had a very bad case of rupture for years, and suffered great agony. I went to Dr. Henderson and he cured me in three weeks. I cannot say too much for him. I know he can do just what he says he can do. The doctor does not treat you for a rupture, but he treats you for a rupture. I thank you and would recommend your rupture cure to anyone. Use this if you wish. I am truly thankful you have cured me of my rupture. Very truly yours, A. H. OLSON.

Another Bad Case Permanently Cured in a Short Time—Grateful for Same.

My Dear Doctor—I desire to add my testimonial to the many others of your cure of my rupture. I had a very bad case of rupture for years, and suffered great agony. I went to Dr. Henderson and he cured me in three weeks. I cannot say too much for him. I know he can do just what he says he can do. The doctor does not treat you for a rupture, but he treats you for a rupture. I thank you and would recommend your rupture cure to anyone. Use this if you wish. I am truly thankful you have cured me of my rupture. Very truly yours, A. H. OLSON.

Suffered for Years—Pronounced incurable by other Doctors.

Dear Doctor—I wish to state that I can most heartily recommend your rupture treatment. Since early youth I had been suffering from a rupture, and it was pronounced incurable by all the doctors I consulted. I determined to try the same and am glad to say that I am now sound and well. Your treatment is all that you claim for it.

Yours very truly, W. M. LYNN, Mansom, Kas.

IMPROVING THE WABASH.

The Wabash has just placed orders of more than \$3,000,000 worth of 80-pound steel rails.

Sixty thousand tons of steel rails will be laid on the Wheeling and Lake Erie and on the Pittsburgh division.

It is the intention to have the rails for the Wheeling and Lake Erie division laid in time for the World's Fair in St. Louis.

Contractor for the work will soon be let and construction will then immediately begin.

Orders for these rails have just been placed by President Joseph Ramsey, Jr., who says:

"The finest roadbed in the world is not too good for us. The World's Fair is going to bring hundreds of thousands of people into St. Louis. We intend to make our record for carrying visitors to the fair eclipse that made us using the Pan-American Exposition at Buffalo."

The road is already figuring on an enlargement of service, and an additional tonnage to handle a tremendous heavy business. Increase in the company's gross earnings for the fiscal year, July 1, 1901, to January 31, 1902, have reached almost \$1,000,000, and the passenger department has made the remarkable record several times of almost equaling the earnings of the freight department.
