

Independence Gossip.
 F. O. Smith is not in the broomcorn seeding business at present, on account of a break on the engine.
 This is fine weather for this time of year, but we are in need of a good rain.
 W. W. Boydland was in Liberal Wednesday night, Friday afternoon and Sunday afternoon.
 Rev. Groat preached at Independence in the morning, after Sunday School, instead of preaching in the evening after League.
 Wm. Davis and family called on us after Sunday School and preaching to learn why we were not present. We were on the sick list.
 News items are a little scarce, as we are too busy to get anywhere to pick up any information whatever.
 Harry Dietrick is seeding broomcorn for the Anderson brothers.
 The aeroplane which was at Liberal during the last day of the Fair was quite a sight to us who do not see the wonders of the world as people do in other parts of the earth.

Saves Leg of Boy.
 "It seemed that my 14-year old boy would have to lose his leg, on account of an ugly ulcer, caused by a bad bruise," wrote D. F. Howard, Aquone, N. C. "All remedies and doctors treatment failed till we tried Bucklen's Arnica Salve, and cured him with one box." Cures burns, boils, skin eruptions, piles. 25c at Fred C. Tracy's.

Twin Mounds.
 October 18.—Beautiful weather. No rest on the pumpkin.
 Mr. Fouch's broomcorn sander is slowly but surely coming this way.
 A prairie fire came this way yesterday, but was finally checked on the Hoffman place, after burning over J. B. Howe's pasture and consuming some broomcorn belonging to J. B. Howe—about two tons, we understand. It was only by hard work that Ed Crosno's broomcorn was saved. We know nothing as to the origin of the fire, or what damage was done before it reached Mr. Howe's place. We saw a fire start last year by a man driving along the road throwing a lighted match in the grass by road side, after lighting his cigar, and had we not been on the ground immediately with apparatus for fighting fire, dire results might have followed, for the man drove on, blissfully ignorant of the situation. We certainly sympathize with Mr. Howe in the loss of his broomcorn.

Fred Boyless started this morning for a visit to his father, in Ringgold county, Iowa. Fred won a host of friends during his stay of a year in Beaver county. Succo-as to you, Fred.
 Rev. R. A. Dadisman visited this locality last week, preaching an excellent sermon at Surprise school house Sunday night, and at Twin Mounds Thursday. He was entertained at the Guy Wagner and J. S. Johnson homes. Rev. E. Binns took him to Ivanhoe on Friday.
 Mr. Rob Nicholson and Miss Bertha Duncanson were married Tuesday of last week, and are at home on the Nicholson farm south of Clear Lake. Congratulations.
 A good many from this neighborhood attended the sale on the Luxton place, Tuesday.
 Mrs. O. C. Klepper brought a lovely bouquet of Petunias to church last Sunday. She has our best thanks for a hanging basket of English Ivy of the Kenilworth variety.
 Mrs. Harford and Mrs. Thompson drove over to Logan Friday.
 Mr. and Mrs. Klepper and Mr. and Mrs. J. S. Johnson, together with the Martin family, enjoyed one of Mrs. Martin's incomparrable dinners after church last Sunday.

GEO. H. HEALY
 Republican Nominee for
County Judge
 Beaver County, Oklahoma

A vote cast for him will be cast for an capable and qualified man; an attorney of unquestioned ability and a fair and impartial Judge.
 During his part of a term served as County Judge, Geo. H. Healy has brought the county judge's office from a state of chaos to a well-regulated and perfectly conducted office. The records of the office are the best evidence of Mr. Healy's ability.
 The office of county judge is one of the most important on the entire ticket. Only a man who possesses a knowledge of law and experience in practice should be considered. Mr. Healy has been an attorney for years and his ability is unquestioned. Vote for him. The interest of the people will be best served by his election.

Mr. Voter.
 BEAVER, OKLAHOMA.
 I wish to enumerate a few things that I believe in and shall work for, and I believe that every officer and voter in the county should do the same.
 I believe in lower taxes, economy in expenditure, and that each officer should give a dollar's worth of service for each dollar of the people's money received.
 I believe in common honesty, and it seems to me that common honesty means more than to simply refrain from stealing the people's money outright. Common honesty means for each officer to be just as attentive to his business, and work just as hard for the interest of the County, as does the cashier for the bank, or the clerk behind the counter for his employer. The public office is a public trust, and not a private snap.
 The Government is not to make men richer, but better; and the officer that does not labor with this end in view is not doing his whole duty.
 If these ideas meet with your approval, and you wish to have a County Clerk that will work to carry them out, vote for yours truly.

Pains All Over!
 "You are welcome," says Mrs. Nora Guffey, of Broken Arrow, Okla., "to use my letter in any way you want to, if it will induce some suffering woman to try Cardui. I had pains all over, and suffered with an abscess. Three physicians failed to relieve me. Since taking Cardui, I am in better health than ever before, and that means much to me, because I suffered many years with womanly troubles, of different kinds. What other treatments I tried, helped me for a few days only."
TAKE The CARDUI Woman's Tonic
 Don't wait, until you are taken down sick, before taking care of yourself. The small aches and pains, and other symptoms of womanly weakness and disease, always mean worse to follow, unless given quick treatment.
 You would always keep Cardui handy, if you knew what quick and permanent relief it gives, where weakness and disease of the womanly system makes life seem hard to bear. Cardui has helped over a million women. Try it.
