\$ Saving Prices

Good During November and December

Short crops, has made scarce money; scarce money has made slow collections, and slow collections has forced about all merchants to discontinue credit business.

While selling for cash during November and December, I will continue making radical cash price reductions on Dry Goods, Mens' and Womens' Furnishing Goods, Hosiery and Underwear, Mens', Womens' and Children's Shoes, Hats, Caps, etc., and will continue giving credit to all worthy persons on physician's prescriptions or drugs for the sick.

All articles sold out during these cash reduction prices last month, have been replenished, and whatever may be your needs in Fall and Winter supplies, just come in and let me price the goods you need. If the low prices do not convince you that your dollars will buy more goods here than elsewhere, don't buy them.

Goods delivered to any part of the County FREE by Parcel Post, but CASH MUST accompany order.
