PROGRESS OF BEAVER RAILROAD.

Owing to the heavy rains the past week, the work on the railroad has not progressed as rapidly as was expected but fairer weather seems promising at this time and much will doubtless be accomplished within another week.

It has been impossible to get out and see the people and consequently only a small part of the bonus notes have been secured. These notes must be procured within the next two weeks now, rain or no rain, and we trust that all the people will see the need of their shouldering their part of the burden and that the railroad may not be delayed because of our failure to sign the bonus notes. Every property owner, south of the river, within a radius of 15 to 20 miles of Beaver, or further, will be benefitted from \$500.00 to \$2000.00 and upwards by the completion of the road. Why not then cheerfully and quickly subscribe \$50.00, \$100.00, \$200.00 or more to insure such an advance in property values to say nothing of the convenience and many other benefits?

These notes will not be due until the road is completed and in operation. What fairer proposition could be asked for? Let us raise the bonus in a jiffy. We hope by next issue to be able to report that the full amount has been subscribed. Don't be a piker or a leech. Come across with your share of the burden. This means you, and you, and YOU, (and me.) I'm ready. Are you?

COPIOUS RAINS THIS WEEK.

Surely no complaint of lack of moisture can be voiced in this section at this time. Copious rains have fallen at intervals throughout the past week and they seem to have been general throughout the county. A big rain fell Sunday afternoon and night and this was followed by another heavy down-pour Tuesday night. Everything has been given a thorough soaking and crops of all kinds are looking blue. It has put the wheat ground in line shape to be worked and the attention of the farmers is turned largely in that direction at this time.

The Bide-A-Wee club were entertained at the home of Mrs. W. H. Thomas Wednesday afternoon. Mrs. Annis Jones, of Green Ridge, Missouri, was the guest of honor. Other guests were Mesdames A. G. Thomas and Jas. H. Crabtree, and Misses Geneva Balenger of Anadarko, and Bessie Groves of Forgan.

County Clerk Buliek had his residence property treated to a new coat of paint the past week. Lee Gosney was the artist.

W. F. Carson added a coat of paint to his newly erected residence the past week. Alva Neff did the job.
