### COUNTRY LAD.

#### WAR UPON PAIN!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Bolster, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared. Four hours after the second application I was as good as new."

March, 1915. At Druggists. 25c.

SEYLAKE.

### COLDS NEED ATTENTION

Internal throat and chest troubles produce inflammation, irritation, swelling or soreness and unless checked at once, are likely to lead to serious trouble. Caught in time Dr. Bell's Pine-Tar-Honey loosens the phlegm and destroys the germs which have settled in the throat and nose. It is soothing and healing. Pine is antiseptic, honey is soothing—both together possess excellent medicinal qualities for fighting cold germs. In use at Dr. Bell's Pine-Tar-Honey. 25c, all Druggists.
