

We Vouch for Them

Of all the tires that are made, —why do you suppose we prefer to sell United States Tires?

Because they are made by the biggest rubber company in the world. And they know how to build good tires.

They have choice of materials,—they have immense

facilities,—they employ *many* exclusive methods.

They can go to greater lengths in testing, improving and perfecting the things that make good tires.

We find it good business to sell United States Tires.

And—you will find it good business to buy them. They are here—a tire for every need.

United States Tires are Good Tires

We Know United States Tires are good tires. That's why we sell them

WANTS NEWS FROM "DEAR OLD BEAVER"

West Plains, Mo. 8-19-19.

Miss Maude O. Thomas,

Dear Maude:—

We are now located at West Plains, Mo., and found this a nice little city, fine climate and good water, the best of fruit and vegetables. Crops of all kinds looking good. We have traveled most of the summer, Nate not being able to work. We saw some of the country through Eastern Oklahoma, Kansas and Mo. Since coming to West Plains we had the pleasure of visiting a thirty-five hundred acre orchard. Now maybe you think it didn't look good to me. We are getting anxious to hear from Dear Old Beaver and ask you to forward our paper at once as we think that the surest way to get all the news.

Wishing yourself and all Beaver friends the best of luck, we are,

Mr. and Mrs. N. D. Neff,
West Plains, Mo.

TWIN MOUND

Fine big rain Sunday afternoon and night with high wind west of us. Mr. Tiffin's windmill and a barn were blown down. At Mr. Bass' place they were having a dinner for the boys who have been over there and several were on hand. It did considerable damage to some vehicles. Will Pierson's buggy was blown away and torn to pieces. Some wheat stacks were blown down. No services at Twin Mounds Sunday as our minister was rained in at Mr. Valentine's at the creek.

Mrs. Cole leaves this morning for Tulsa as they have sold their farm in Beaver county.

Threshing is not progressing very fast in this community. They broke down and are having a time getting repairs.

Every Boothe is plowing for Grant Bartel since the big rain.

Mrs. Gill of Oklahoma City is visiting her mother, Mrs. Young. Her daughter, Francis, will return home with her.

Mr. and Mrs. Shackleton started for their home last week. They will stop off in Kansas to visit friends a few days.

Joe Howard, who has been working for his sister, Mrs. Young, went with Mr. and Mrs. Shackleton on a visit as he has not been able to work much the last month.

Mrs. Young and family visited with Mr. and Mrs. Irvin Young Sunday.

Word has been received that Lucile Phillips was taken to Ft. Worth, Texas, for an operation and that she stood the trip well and is doing fine.

MONEY TO LOAN

Plenty of money to loan on farms, lowest rates, quick money and prompt inspections.

I represent the Newton State Bank & Trust Co., Newton, Illinois. Write or call on me if you want a farm loan.
