#### PLEASANT VALLEY

April 20, and still the wind blows. The meeting at Pleasant Valley the past three weeks has been well attended and there has been several conversations for which we are thankful. We can certainly say Brother Butler and Brother Mathews have done glorious work in this meeting, as the sermons were fine, also the singing. We will all be very sorry when the meeting closes.

#### How is Your Complexion?

A woman should grow more beautiful as she grows older and she will with due regard to baths, diet and exercise, and by keeping her liver and bowels in good working order. If you are haggard and yellow, your eyes losing their lustre and whites becoming yellowish, your flesh flabby, it may be due to indigestion or to a sluggish liver. Chamberlain's Tablets correct these disorders.

ing interesting meetings at the school house for the Baptists.

A farewell party was given Homer Price at the Hicks home last Wednesday by the young people.  
E. N. Robertsons have sold their elevator and residence property and will have a sale of their household goods tomorrow. We are sorry to lose these good people from our little city, but hope after the extended visit they have planned, to Missouri and other places, they will weary of the black mud and yellow clay and themselves back to the good roads in the Panhandle, to the growing town of Follett, where the health-giving breezes blow.

Last Friday evening a happy party. Messdames J. B. and E. V. Reid, Miss Mollie Herter and a little brother of Mrs. E. V. Reid started to the Herter home, near Lipscomb. Mrs. Reid acting as chauffeur in some unaccountable way, the car was overturned and all the passengers more or less injured. Mrs. E. Reid got rather the worst of it, as her shoulder was dislocated and her suffering for a few days was intense. Mrs. Herter was able to resume her school work Tuesday. All are thankful to escape as well as they did.  
The A. L. Schwepke and Joe Haines homes have both been quarantined for scarlet fever the past week.
