### A. R. PRESBYTERY

The Next Meeting Will Be Held In Anderson

The announcement that Anderson had been selected as the next place of meeting of the Associate Reformed Presbytery was received here with pleasure. Rev. J. H. Garrison, who succeeded in getting Anderson selected yesterday prepared the following upon the Intelligence's request:

"I have just returned from a meeting of the Presbytery of the Second Presbytery of the Associate Reformed Synod.

"It may be that some of your readers would be interested in a word from that meeting. Presbytery met Friday, April 10th with Cannon Creek Mission, Newberry County, and was opened with a sermon by Rev. L. T. Pressley at 11 o'clock.

"There were present, including ministers and elders about thirty-five delegates.

"The key word of the meeting was 'Missions.' The evangelistic idea had gripped the Presbytery possibly as never before.

"Only two matters of a distinct bus-

ness nature came before the spring meeting of the Presbytery—Seasonal Records and Finance.

"So that most of the time was taken up with Home and Foreign Missions Sabbath school methods, how to raise church funds, etc.

"The conferences at this meeting were especially helpful.

Rev. J. G. Dale of our Mexican mission gave a helpful address on Sabbath night on "Why I Believe in Missions."

Possibly the most inspiring thing in all this helpful meeting was that five young men, students of Theology in Erskine Seminary, preached before the Presbytery, two for license and one for licensure and ordination.

"It cheers the Christian heart to see many young men turn aside from the calls of the world to the call of God, and invest their gifts in the business of helping evangelize the world.

This meeting will include the first Sabbath of November.

"At that time we expect to dedicate our church in Anderson.

"We look forward to this coming of the brethren and this dedicatory service with much pleasure."

## THE "PRUDENT MAN" WILL BEWARE OF SMOOTH STRANGERS WITH NICE SEEMING SCHEMES

If all of these schemes which "Smooth" strangers come around to peddle are such great "Money Makers" why don't they KEEP them themselves?

When a man is trying hard to sell you a proposition there is something in it for HIM—that's a sure thing.

Is it not better for us all to keep our money here at home, invest in and build up OUR OWN Community?

## ANDERSON VISITED BY TERRIBLE RAIN

YESTERDAY'S DOWNPOUR WAS VERY SEVERE

## BRIDGE IS DAMAGED

Traffic Held Up On Main Street Yesterday for Several Hours By Washout

Beginning about 2 o'clock Tuesday morning, Anderson experienced a "young" cloudburst when the rain fell in torrents until 11:30 o'clock in the morning. It was said that as much rain fell here yesterday morning as has ever been known in the same length of time and some fears were expressed by the people of the city as to the probable damage done in this county and other portions of the State.

The railroad officials all over South Carolina were Tuesday morning telegraphing instructions out to their engineers, warning them that the tracks would probably be damaged some and giving orders that all trains run slowly.

The only damage done in the city of Anderson, so far as is known was to the bridge on Main street over the railroad tracks. The loose earth under the bridge, where work has recently been going on, became softened by the continuous rain fall and some of the braces supporting the plank approaches to the bridge gave way. The loose earth and part of the timbers was then precipitated to the tracks below. However, as soon as the rainfall ceased a number of carpenters were put to work and this trouble was remedied in a few hours.

About the heaviest fall of rain came Tuesday morning about 8 o'clock when the water fell in sheets. This continued however, for only a short time and by 11:30 it ceased entirely and the sun came out.

## NEGRO FINED FOR DRIVING TOO FAST

Oscar Clement Almost Ran Down Party of School Children Yesterday Morning

Charged with driving his dary recklessly and in a manner dangerous to the public safety, Oscar Clement, a negro, was fined \$25 in police court Tuesday morning, the Recorder giving the negro a lecture with the sentence. It is alleged that Clement drove his dray up the street in a manner calculated to endanger the lives of pedestrians or some others driving along the street and that he narrowly avoided running over a party of school children as they alighted from a car.

The recorder gave notice that a heavier fine or a longer jail sentence would be in store for the next defendant to appear in police court on this charge.

## LOCAL I. O. O. F. GO TO COLUMBIA

Will Send Representatives To the Grand Lodge in Capital City Next Month

The "Odd Fellows" in Anderson and all over the State are making many preparations for the coming of I. O. O. F. State Convention, which is to meet in Columbia on May 13 and 14.

Delegates are soon to be selected from the Anderson lodges and all the members of the order in this city will take a lively interest in the affairs of the body.

The members of the order from all parts of the state will spend several days in Columbia, and the occasion is certain to prove an important one to the Odd Fellows as many matters connected with the welfare of the order will be acted upon.

The encampment of the state will meet there at the same time and elaborate plans are being prepared for the entertainment of the members. The encampment is an auxiliary body to the Odd Fellows.

## LOCAL COMPANY HAS REORGANIZED

Townsend Company Has Selected Board of Directors and Officers Are Chosen

The Townsend Company has been formally reorganized with the selection of directors and officers. A very happy choice of men for the positions of directors was made, these being:

G. B. Townsend, J. M. Evans, F. K. Prevost and J. L. Hembree. The officers chosen are: G. B. Townsend, president; J. M. Evans, vice-president and assistant treasurer, and F. K. Prevost, secretary and treasurer and general manager.

It is understood that the company will enlarge its field of operations and even now to making marked improvements. However, it is said that the same policy as always pursued by the company, will be adhered to in any and all transactions and the name of "Townsend" will even be a trade mark for its quality.

C. W. Crosby, trainmaster and W. C. Murphy, superintendent, were in Anderson yesterday arranging for the printing of the new schedules. ## IN MEMORIAM

Whereas, the Almighty Father in His infinite mercy and wisdom had seen fit to remove from our midst one of our much beloved and revered fathers in Christ, Brother W. H. Belcher, and whereas, we, his fellow laborers in the Greenville Baptist Church, most heartily feel the loss of him as a consecrated Christian, as the Superintendent of our Sunday School, and as a deacon in our church, therefore, resolved,

1. We most heartily sympathize with his bereaved loved ones.
2. That we bow in humble submission to the will of our Heavenly Father who doeth all things well.
3. That in the loss of our beloved brother we each and all feel a personal loss.
4. That the sympathy of the Greenville Baptist Church be here extended to the loved ones in this, their sad hour of affliction and that we point them to a loving Father above for comfort and consolation.
5. That a copy of these resolutions be inscribed in our minute book and that a copy be sent our dear brother's loved ones, also a copy be given for publication.

## PIEDMONT PRESBYTERY MET IN ANDERSON LAST NIGHT FOR THE SPRING SESSION

## REV. D. W. DODGE IS MODERATOR

The Opening Sermon Preached By Rev. C. D. Waller of Liberty—Mission Rally Tonight

(From Wednesday's Daily.) The spring session of Piedmont Presbytery convened at the First Presbyterian church in this city at 8 o'clock Tuesday night. The opening sermon was preached by the Rev. C. D. Waller of Easley, at the request of the retiring moderator, Dr. Sheldon, of Liberty, who is a ruling elder. The sermon was quite a unique, able and practical discourse, on the office of

REV. D. W. DODGE, Moderator.

the Conscience. Mr. Waller is a very forceful and pleasant speaker. The Presbytery was called to order by the venerable Dr. John G. Law, in the absence of the retiring moderator. The Presbytery was then organized by the election of Rev. D. Wilberpoon Dodge, of the Central Presbyterian church, as moderator, and ruling Elder Glenn Sheldon of Liberty as clerk.

The Rev. M. E. Pealady was dismissed to the Presbytery of Savannah, to Darien, Ga.

The hours for the sessions of Presbytery were fixed as follows: 9 a. m. to 1 p. m.; from 3:30 p. m. to 5:30 p. m.; and from 8 p. m. to adjourn at will. A sermon will be preached by some member of the Presbytery at 11 o'clock Wednesday and at 8 o'clock a popular meeting will be held in the interest of foreign missions. The subject will be the "Success and Failure of Foreign Missions." Ten minute addresses will be made by the Rev. Messrs. C. D. Waller, D. W. Dodge, J. E. Wallace and W. H. Mills. All the sessions are open to the public. There will likely be some lively discussion, as this is the most important meeting of the Presbytery to take place during the year, and quite a number of matters of importance to the work are to come up at this time. The New Moderator, Mr. Dodge, the new moderator, is pastor of the Central Presbyterian

church of this city and it is very unusual and extremely complimentary that he should have been elected moderator on his first attendance upon a spring meeting of the Presbytery.

Mr. Dodge is a son of Rev. Dr. W. H. Dodge of Ocala, Fla., and his father and Dr. John G. Law of Wallhalla, the dean of the Presbytery, have been warmest of friends for many years.

Special Announcement. Dr. W. H. Frazer, the pastor of the church which is host to the Presbytery, expresses a cordial invitation to all of the people of the city to attend all of the meetings of Presbytery and calls particular attention to the social service tonight which should be interesting to all of the people of the city.

## Anti-Trust Bills Will Be Different

Washington, April 14.—President Wilson's reiterated desire, for completion of the anti-trust legislative program at this session of congress spurred congress committees to action today. The house judiciary committee responded with the identification of the omnibus bill, including trust regulation measures and provisions to meet demands of labor for restriction of injunction powers and to insure jury trials in contempt cases. Members of the senate subcommittee on interstate commerce conferred late in the day and agreed to submit to the full committee as soon as possible, a tentative draft of a long considered measure to supplement the Sherman law, which will differ in many respects from the house measure.

## President Right Says Henry White

Washington, April 14.—Henry White, formerly ambassador to France, and secretary to the American embassy at Great Britain at the time the Hay-Pauncefote treaty was negotiated, told the senate inter-oceanic canal committee today that it never was his understanding, nor that of any of the other negotiators for Great Britain that the United States ever contemplated exempting shipping from Panama canal tolls.

## Revival Services

Revival services will be held every afternoon at 8 and at night at seven in the Wesleyan Methodist Church on south Main street, from Tuesday until Sunday week. Rev. J. A. Clements of Central is in charge.

## TRACTION CO. TO BE MERGED

Will Become a Department of The Southern Public Utilities Company

Messrs. H. A. Orr, resident manager of the Southern Public Utilities Company, and T. F. Hill, superintendent of the Anderson traction lines, have returned from Charlotte where they attended a conference of the officials of the former company which will take over the traction company lines in Anderson, Greenville and Charlotte. These gentlemen had nothing to say for publication, as the details were not all arranged on account of the illness of Mr. E. Thomason, general manager of the Piedmont and Northern lines.

Intelligencer has received a wire from Mr. Z. V. Taylor, president of the Southern Public Utilities company from which it is gathered that this is a very natural subdivision of the departments of the Southern Public Utilities company. The parent company is a wholesaler of power, and the Piedmont and Northern company is a trunk line of power and the public utilities companies and the local traction lines easily group into another department. Mr. Taylor will be in Anderson Thursday or Friday and will complete the arrangement at that time. It is expected that he will make some announcements as to the future service to be given by the local companies.

## DR. J. P. KINARD MUCH PLEASSED

Thinks the Future of Anderson College is Very Bright Indeed

(From Wednesday's Daily.) Dr. Jas P. Kinard, president-elect of Anderson College, returned to Charleston last night, after a visit of ten days to the city. He was more and more pleased with Anderson during every day of his stay, and he was more and more impressed with the prospects for the future of Anderson College.

While here he has been giving over with the executive committee and with the dean, Prof. Faithfull, the plans for next year, the catalogue, the personnel of the faculty and such matters, and it was impressed upon the trustees that Dr. Kinard certainly knows the work thoroughly. Before leaving, Dr. Kinard and the committee on grounds selected the site for the beautiful home which has been made possible for the president by the splendid generosity of Chas. S. Sullivan who will present the residence to the college. It will be of brick veneer, and will be an ornament to the beautiful campus, which has been given a great deal of attention by Mr. Sullivan. The plans for the home are in the hands of Casey & Fant, architects.
