

THOMPSON'S Big Year-End Shoe Sale!

THIS SALE MEANS PUTTING AN END TO HIGH PRICES ON SHOES THIS YEAR. We have inaugurated the biggest Year-End Shoe Sale that has ever been pulled off in the city of Anderson. The axe has been put into the prices and shaved them down until Shoe buying at this sale will be a pleasure. Never before has such an immense stock of new, clean footwear, been put on the market at such a sacrifice in prices. We went into the eastern markets and bought early and often of the best shoes we could lay our hands on for the cash money. Consequently we find ourselves with about

15,000 Pairs of Shoes More Than We Need

These consist of men's, women's, misses's and children's shoes in all the newest and most up-to-date styles.

This is not a sale of cheap shoes, but a sale of good shoes cheap. You know our policy is and always has been to buy nothing but the best in footwear.

NOW TO THE POINT

We realize that the European war has caused a depression in the cotton market in this country, and in view of this fact we have decided to put our entire stock of fine footwear on the market at prices so much cheaper than her "Majesty Queen Cotton," that you will sit up and take notice at the big values we are offering in all kinds of footwear.

Bring your feet to this sale and they will surely take up with a pair of Thompson's Shoes.

The relentless wielding of the axe has fallen heavily on every pair of Shoes in our store. None has escaped the keen-edged blade and the blow has landed squarely on each pair. We want all of our customers, and all of those who are not our customers to get the benefit of the Big Shoe Sale. **NOTHING WILL BE SENT ON APPROVAL AT THIS SALE.** So we only ask you to bring us your feet and we'll do the rest. Sale begins at 9 o'clock, Wednesday Morning, Nov. 18th, 1914.

We will only mention a few prices below as our stock is too large to quote prices on all lines.
