LEGAL NOTICES

NOTICE

Notice is hereby given that the next regular teachers' examination will be held on Friday, May 1, at the court house in Anderson. All teachers whose licenses expire this year and all those teachers teaching here on certificates from other counties are required to be present and stand this examination. The examination will be based on subjects ordinarily used for teachers' examination and will begin promptly at 9 o'clock. Until June 1, J. H. FELTON, Supt. Schools for Anderson Co.

TAX NOTICE

The time for paying commutation road tax has been extended by the Board until May 15, after which time the books will be turned over to the collectors and the usual penalty will be assessed. J. Mack King, County Supervisor. 4-2-14

NOTICE TO CREDITORS

Notice is hereby given to all creditors of the estate of M. E. Pruitt, deceased, who are hereby notified to present their claims to the undersigned, within the time prescribed by law and those not so presented will be barred.

JOSHUA J. FRUIT, Executor.

CITATION FOR LETTERS OF ADMINISTRATION

Whereas, J. J. Protwell, made suit to me to grant him letters of administration of the estate of an estate of John Clinch, deceased. I have therefore to cite all persons interested in the said John Clinch, deceased, that they may be and appear before me in the Court of Probate, to be held at Anderson, S. C., on the 16th day of April, 1914, after publication hereof, at 11 o'clock in the forenoon to show cause if any they have why the said administration should not be granted.

W. P. NICHOLSON, Judge of Probate.

PUBLIC ROAD NOTICE

The public is warned one more time against filling up the drains of public roads with manure or other material. It is the duty of every citizen to keep his manure in his stable and not to let it run into the drains of public roads. If you do you will be liable for the cost of cleaning up the manure. J. Mack King, County Supervisor. 4-2-14

G. H. GEIGLEY, Referee in Bankruptcy.

ADJUTANT GENERAL WAS HERE YESTERDAY

TALKED OF ENCAMPMENT AT CHARLESTON

INSPECTED RIFLES

Capt. Beacham of the United States Army and Gen. W. W. Moore on Visit

ARRIVING in Anderson yesterday morning at 10:50 o'clock, Adjutant General of the State and Capt. J. W. Beacham of the United States Army, spent the day in Anderson, coming here for the purpose of inspecting Co. E, and the Second Regiment Band of the National Guard. The officers came to Anderson from Williamston where they inspected the band at that point.

The day in Anderson was devoted to an inspection of the equipment of the Palmetto Rifles and last night, beginning at 7:30 in the evening, the regular inspection of the Rifles was held. The inspection of the band took place earlier in the day.

While here, Gen. Moore talked interestingly to a reporter for the Intelligencer concerning the military situation in the state at this time. The allotment of this state is \$18,000. He also spoke of the coming encampment at Charleston and furnished a copy of the official orders he has received calling for the encampment.

The following is a copy of the order: "Under instructions from the war department a joint camp of instruction for the field training of the regular army and the IX militia division will be held in the vicinity of Charleston, S. C. Each organization from your state as may be recommended by the governor, and authorized by the department commander, under instructions from the war department under instruction from the war department, to participate."

The camp will be established by a detachment of the regular army about July 1st and will probably continue until about the middle of August, and will be under command of a regular army officer of appropriate rank, to be selected by the department commander.

The war department instructions as to the character of instructions to be given are as follows: "As regards the nature and extent of the instructions to be imparted at the joint camps, it is the opinion of the chief of the division of militia affairs, concurred in by the secretary of war, that the troops of organized militia in general, are not yet prepared to take part in large maneuvers, and that for this reason, the instructions should be limited to exercises of the company, battalion and regiment. This restriction is not intended to prevent the concentration of the same kind of organizations during the summer at the joint camps, but it is believed advisable to attempt exercises or maneuvers in which organizations larger than a regiment participate."

Since it will be economical not to have too large a company, it will not be advisable to have more than about three regiments at any one time at the camp, and therefore the dates for the different states that are to participate will have to be fixed so as to comply as nearly as practicable with this condition.

Following the inspection of the company last night, the Palmetto Rifles said that it was the most rigid inspection they had ever undergone. They said that it was thorough in every detail and that nothing was overlooked.

However, the inspecting officer remarked after the drill was over that the commissioned and non-commissioned officers were both as well drilled and capable and competent as any he had seen.

CHILDREN WILL SEE THE MOVIES

F. M. Barrett Delivers Fly Lecture at Anderson Theatres to the Public Schools

TABLES TURNED ON PREP PUPILS

Academy Boys Ran Off But Were Marched Back Through City and Made to Parade

The boys at the Frigor Academy figured out that they would frame up and start a little something for Mr. Barrett's benefit yesterday, the occasion being April 1, sometimes termed "All Fools' Day." Shortly after school opened yesterday morning they all left the place, without permission. They were followed by the distinguished head-master, and arrested near the edge of the city, following which they were marched back through the principal streets of the city, later being brought to jail before a large crowd of young ladies. All of which does not show the wisdom of the advice "Never start anything you can't stop."

A joke perpetrated on several people in the court house, from which a fine was derived, was that of a woman who was standing around the lobby with some delicious looking chocolate candy. One of the young ladies took two pieces, putting them in her mouth at the same time. The candy was covered with a thin coating of chocolate, but contained turpentine soap.

W. A. Webb, of Highway, was in the city yesterday. Mr. Webb is proud of the Hammond School, of which he was one of the promoters.

QUEEN ELEONORA. Consort of King of Bulgaria Will Visit United States.

GARBAGE CANS IN MILL VILLAGES

J. D. Hammett Offers to Provide Barrels in His Settlements To Aid Work

James D. Hammett, president of two Anderson cotton mills, said last night that he was so very appreciative of the splendid work being done by the Anderson Y. M. C. A. and Mr. Burnett and Mr. Mims personally, that he would provide garbage barrels for the mill villages if it met with the approval of Mr. Burnett. He said that in his villages he would provide one barrel for every two houses, thus giving the occupants some place to throw their old tin cans and other waste matter. The barrels will then be emptied by the trash carts. Mr. Burnett said last night that he would certainly accept the offer and that he was profoundly grateful to Mr. Hammett for making the proposition.

A letter Mr. Hammett has written to Mr. Burnett he points out that the reason of the sickness is due to the fact that many of the mill people have had no suitable receptacle for any garbage and he desires to relieve this condition if possible.

This is acknowledged to be a step in the right direction and it is hoped that the example set by Mr. Hammett may be followed by some of the other mill presidents.

HOSPITAL BUYS HARRIS ESTATE

Property Adjoining Hospital Holdings Will Be Added to Grounds of Institution

A deal was closed yesterday between the officials of the Anderson County Hospital and the Anderson Real Estate and Investment Company by which the hospital acquires what is known as the Harris estate, adjacent to the hospital grounds and fronting on the sidewalk. This means that the hospital will now be able to improve the premises on every side.

It will be possible to beautify the grounds and make the place very attractive in appearance.

The hospital people were fortunate in being able to secure the property at any price and the consideration in yesterday's transaction, \$2,000, is low enough to make the public in general compliment the officers of the hospital association.

SENATOR SULLIVAN IS OUT OF POLITICS

SAID YESTERDAY THAT HE IS THROUGH

DeCAMP'S LETTER

President of Press Association Appreciates Speech Made By the Anderson Senator

Geo. A. Sullivan, of Williamston, State Senator from Anderson county, was here yesterday for a short time and made the interesting announcement that he is out of politics. Mr. Sullivan has represented Anderson county in the upper house of the general assembly for the last eight years. He said yesterday that his friends put him forward for the place eight years ago on the anti-dispensary ticket when the effort was being made to rid Anderson of the dispensary and that he entered the race for the purpose of assisting in this fight. He served the county for four years and then was re-elected. He feels that he has done his duty toward Anderson and that now the demands of private business are sufficient to cause his withdrawal from active politics.

Commenting on the last term of the legislative body, Mr. Sullivan said he was highly appreciative of a letter he had just received from Ed. H. DeCamp, president of the state press association. During the sessions of the general assembly, some young senator took occasion to make a number of caustic remarks concerning the press of the state whereupon Senator Sullivan took the floor and made a speech in defense of the newspapers which has been widely noticed. In this speech Mr. Sullivan said that he was tired hearing so many unjust criticisms of the newspapers because of the fact that he had the honor and pleasure of knowing many South Carolina newspaper men personally and that he knew they were, for the most part, gentlemen of a high type, honest and upright and were doing their best for the upbuilding of the state. It was in appreciation of this speech that President DeCamp wrote Mr. Sullivan the letter referred to.

At present there are a number of Anderson men clamoring for Mr. Sullivan's seat, the last one to announce being "Olden Josh" Ashley. Representatives Hall and Gray are also in the field and Capt. W. A. Hudgens is talked of.

"I AM GOING TO BEAT 'EM ALL"

Adjutant General Says That With the Help of Friends He Will Be Re-elected

When in Anderson yesterday and asked about his candidacy for re-election, Adjutant General Moore said that he was counting just along "with the help of my friends" to get elected. He said that he was sure that his friends will help and therefore is not lacking in confidence that he will be re-elected.

The present adjutant is a man of ability and this fact seems to be generally recognized over the State.

MRS. BLECKLEY BACK AT HOME

Returned to Anderson Yesterday From Hospital in Richmond, Virginia

Mrs. S. Bleckley, one of Anderson's best known and best beloved women, returned to the city yesterday morning from Richmond, Va., where she has been in a hospital undergoing treatment for the last few weeks. There is no decided change to be noted in Mrs. Bleckley's condition and this will be a disappointment to her friends in Anderson.

It had been hoped that she would improve in the Virginia institution.

Mrs. Bleckley has taken the railroad once in Baltimore three times in the hope that it might help her, but whether or not it will remain to be seen.

On the trip to Virginia she was accompanied by a number of her kinsmen and her personal physician.

Early last night at the home revealed the fact that the patient seems to have stood the trip well in coming from Richmond and last night was said to be resting well.

UNION OR SEPARATE DEPTS

Membership of Chamber of Commerce Being Carried Now

The following communication, with reply post card attached, was mailed out to the membership of the chamber of commerce today: "Mr. A. W. Anderson, general manager of the Charleston and Western Carolina Railway, having asked for an expression from the membership of this organization, as to whether it preferred a union or separate departments, the following was returned: 'I am in favor of a union department for a passenger depot on South Main street. It later the people of the city really want a union station, we have with attach a voting slip. Please record your vote and mail it immediately. Vote on your plans.'"

W. G. Smith of State was a business visitor to Anderson yesterday.

MIKE DOOLAN. Jumped From Philadelphia Nationals to Baltimore Feds.

THOS. W. WRIGHT KILLED IN FLORIDA

Supervising Installation of Machinery When Killing Takes Place

(Laurens Advertiser.) Thos. W. Wright, at one time superintendent of one of the Laurens cotton mills, and a son of the late Walter N. Wright of this city, was killed by a negro laborer in St. Petersburg, Fla., Friday, being struck by the negro Friday morning and dying the next day. The body was brought here for interment yesterday afternoon and laid to rest in Laurens cemetery. Rev. C. F. Rankin of the Presbyterian church, conducted the service, assisted by Rev. J. R. T. Mack, Methodist church, of which a situation the deceased's wife is a member. A large number of former friends and relatives attended the service and many floral wreaths were laid on the grave out of remembrance of former associations.

The following gentlemen acted as pall bearers: E. H. Wilkes, Clyde K. Ray, Dr. W. D. Ferguson, C. M. Miller, W. H. Anderson, W. E. Clardy.

It was not until after the body had reached Laurens that the manner of his death became known. The first news that reached here was very meager, only the fact of the sudden death by some violent means being indicated. According to relatives, who accompanied the body, Mr. Wright was a constructing engineer, supervising the installation of some new machinery for the Erie City Iron Works. He gave instructions to a negro laborer to do a certain piece of work, when the negro refused, using very impudent words. Mr. Wright proceeded to enforce his authority, when blows ensued. The negro taking advantage of Mr. Wright's blindness in one eye, gave him a terrific blow over the head with a piece of iron, falling him to the ground. Mr. Wright was given medical attention but later on in the night succumbed to the wound. The negro was arrested shortly after the occurrence and narrowly escaped being summarily dealt with.

Mr. Wright is survived by his mother and wife, who was a Miss Lutz and two children, besides two brothers and three sisters. He was a nephew of Mr. J. N. Wright of this city and has numerous other relatives in the county. His untimely death was greatly regretted in this city where he was so favorably known.

Revival Closes

Services at Christian Church Will Be Completed Tomorrow

Seed Have Been Sown

The revival at Christian Church will close tonight. There has been one conversion to Christ already. Last night Evangelist Ware spoke on "Obedience Victory" and Mrs. Ware sang "The Jesus Creed." To-night there will be baptismal services and sermon on "The Church and Her Preacher," and said "When we Got to the End of the Way."

MANY JOES ON APRIL FOOL DAY

No New Ones Treated Out But Old Tricks Were Played Time and Time Again

April 1st jokes on the streets yesterday made up in number what they lacked in originality and wit. All the old hoaxes were being played and old hoaxes were being played. Some with strings attached were laid out on the sidewalks on the sidewalks of front of the office building. One when the subway rolled past to pick them up. The hoaxes, carefully done up in his shape of packages and tied with blue ribbon were also deposited in the path of unsuspecting innocents, and many a toe was bent.

Most of the fun was indulged in by the newbies and the messenger boys. The only April fool jokes of the year was played by "old friend" the messenger boy, who instead of going out "like a lamb" as the proverb has it, in the steady, constant rain of yesterday cut like a fish, according to day and Monday night.

Men do not wear our label on the outside, but some how or other you can, tell that it's there. A label that speaks as plainly as that and always says the right thing is worth having. Everything in fashionable accessories to men's dress for town and country.

T. L. Cely Co. THE COLE COMBINATION PLANTER, NO. 5

The Cole combination Planter is wonderful in its perfect adaptation to the planting of a great variety of seeds. The description of the No. 1 applies to the No. 5. They are the same except that the No. 5 is fitted with a Seed Dropper for planting corn, peas, sorghum, peanuts, cantaloupes, beans garden peas, and similar seeds. This attachment is complete in itself with brush, knock-out and plates, and is the most perfect dropper ever made. We make special plates for each kind of seed. The planter is as perfectly suited to each crop as if it were made to plant that one and no other.

The Seed Dropper can be instantly attached or removed without the use of even a wrench. The cotton planting parts are never moved or changed. There is nothing complicated about this planter. It is simple, efficient, durable, easy to adjust and easy to run.

This planter is furnished with a Special Sword Opener for corn and other seeds, and also with a Special Cotton Opener. The depth quantity of seed, and distance, are easily regulated.

This is no cheap make-shift combination. It is the best money and brains can make it. The cotton drilling parts are made especially for cotton and nothing else. The Corn Dropper is superior to the finest Northern makes. The No. 5 or the No. 7 plants each crop better than any other brand of separate or combined machines on earth. Try these planters and you will never again plant corn, peas, peanuts, etc., by hand. The planter does the work better every way and saves more than half the labor.
