ANDERSON LOST GOOD CITIZEN LAST NIGHT

DR. L. J. BROADHEAD DIED AT 11 O'CLOCK

A SUDDEN ATTACK Became Unconscious While Out Driving Yesterday Afternoon and Failed to Ever Rally

Anderson people will hardly be able to credit the statement that Dr. L. J. Broadhead is dead. Seemingly in good health and spirits yesterday afternoon, he left Davis Brothers' stable at 5 o'clock to go for a ride and in less than one hour it was known that he was critically ill. From the first the attending physicians held out no hope for his recovery and as the hours passed by their fears grew graver. Shortly before 11 o'clock he breathed his last.

Dr. and Mrs. Broadhead were driving and when near the Orr Mill he suddenly threw up his arms and fell to one side of the buggy. Mrs. Broadhead summoned assistance and he was carried to the home of E. E. Shipps, near-by. Physicians were summoned and they diagnosed the case as uremic coma. He was unconscious at the time and remained so until the end came.

About one year ago Dr. Broadhead suffered a stroke of something similar to apoplexy, this occurring while he was out driving, but he seemed to have almost recovered from that. However, he had never been himself since that time and friends could see that he was far from being a well man.

Dr. Broadhead was a veterinary surgeon and came to Anderson from New York city about 8 years ago. He connected himself with the Davis stable and there he has come in contact with the farmers of all Anderson county and surrounding counties and he has made friends by the score. He was about 40 years of age and is survived by his wife.

While no funeral arrangements had been made last night, it is understood that in all probability he will be buried in Silver Brook cemetery this city.

A. T. SMYTHE DIED AT SUMMER HOME

One of Most Distinguished Lawyers in the State Passed Away Last Night

News was received in Anderson last night of the death of Augustine T. Smythe, of Charleston, one of the most distinguished citizens of the state. For a number of years he was a resident of Pendleton during the summer months and was the proprietor of a splendid stock farm. He was a brother of J. Adger Smythe, the former mayor of Charleston, and Ellison A. Smythe, the president of the Pelzer Manufacturing Company and in many ways associated with Anderson county.

He is survived by three daughters and two sons; the latter being Rev. Cheves Smythe of Tokyo, Japan, and the other, A. T. Smythe, Jr., who has been associated with his father in the practice of law. His sister, Mrs. J. Wm. Flynn died but a few weeks ago. She was the mother-in-law of McDavid Horton, formerly of this city. The funeral will be held in Charleston in the next day or two, no announcements being obtainable last night.

Mr. Smythe was known as one of the keenest legal intellects in the South. He was senator from Charleston county for many years and was engaged in some of the most notable debates in the history of this country since the war. He was a man of lovely personality and was a profound student, and a man of wide literary research and keen discrimination.

BAPTISTS PLAN FOR BIG PICNIC

Sunday School of the First Church Will Hold Annual Outing At Williamston Today

The members of the Sunday school of the First Baptist church of Anderson are planning to go to Williamston today, where the annual picnic will be held. The committee in charge said last night that there had never been brighter prospects for the affair than for this event and they are expecting the children and the grown-ups, as well to put in a very pleasant day.

The trip will be made to Williamston over the Piedmont and Northern lines, a special train leaving here at 10 o'clock this morning. It is urged that every member of the Sunday school prepare to make the trip as this day will be full of pleasure.

Philaetha Class The Philaetha class of the First Baptist church will have a musical at the residence of Mr. J. B. Cooley on West Whitner street Friday afternoon at 5 o'clock. Refreshments will be served. Silver offerings. Every-body invited.

For Dry Capital Washington, June 24.—Absolute prohibition for the District of Columbia was proposed in a bill introduced today by Senator Works, of California.

READY TO OPEN THE ANDERSON CAMPAIGN

ANNOUNCEMENTS OF IMPORTANCE MADE YESTERDAY

THE PROVISIONS

Act Prescribing What Candidates Must Do Has Been Defined By County Secretary

So far as the Anderson county Democratic Executive committee is concerned, that body is ready for the county campaign to begin. All provisions of the law have been carefully studied by the county officers and yesterday Leon L. Rice, secretary of the county committee, gave out the following very interesting information relative to the approach of the campaign:

The time for filing pledges as candidate for any office in the democratic primary election expires at 12 o'clock noon on August 7, 1914. On or before this time all candidates must file their pledges with the secretary of the county executive committee and pay their assessments as follows: House of Representatives... \$15 Senate... \$15 Auditor... \$20 Treasurer... \$25 Probate Judge... \$25 Supervisor... \$15 Commissioner... \$5 Supt. of Education... \$20 Coroner... \$10 It is also necessary for each candidate to file a pledge with the clerk of court and the secretary has a blank form which will be furnished to all candidates as they pay their assessments.

The campaign itinerary is as follows: Aug. 8th. Honca Path 2 p. m. Aug. 11th. Iva 10 p. m. Aug. 13th. Sandy Springs 10 a. m. Aug. 14th. Piercetown 10 a. m. Aug. 15th. Pelzer 2 p. m. Aug. 18th. Three and Twenty 10 a. m. Aug. 19th. Piedmont 7 p. m. Aug. 20th. Williamston park 10 p. m. Aug. 20th. Williamston Mill 7 p. m. Aug. 21th. Orr Mill 7 p. m. Aug. 22nd. Anderson, C. H. 10 a. m. The books for filing pledges and paying assessments are now open and will remain open until 12 o'clock noon on August 7, 1914.

ANOTHER DATE FIXED.

Picnic of the First Baptist Sunday School Planned for Today. As was announced last Sabbath, on Thursday June 25 or today the First Baptist Sunday school will have its annual picnic at Williamston Springs. Every member of the school is urged to go, a free ticket will be waiting for you and any one who is not a member of the Sunday school and desires to go can secure a round trip ticket from Judge W. F. Cox for the church, and school are urged to be on time with full baskets and all their friends who will, are cordially invited to accompany us. Do not fail to remember the hour and the baskets and let all prepare to have a happy day on this occasion. Sincerely A. L. Smethers, Thomas Allen, C. B. Earle, Superintendents.

HOTTEST JUNE IN MANY YEARS

Government Records Show That Mercury Registered 104 Inside Buildings Yesterday

H. H. Russell, who is the local forecaster, told The Intelligencer last night that is the longest hot spell in the month of June has brought in many years. Mr. Russell said that he could not remember just how long it has been since this month showed such records. Yesterday was the hottest day that this section has experienced this summer, the government records showing that the mercury climbed to 104.

The government observations are taken inside a building and it was here that such a record was set. It has been this hot in Anderson before but it has been a long, long time since it has registered 104 in the month of June. Little hope for early relief can be held out by the department, and it seems as though the country may suffer for some days yet to come.

YOUNG MAN FACES FORGERY CHARGE

Carroll O'Donald Was Placed In Jail By Magistrate Broadwell To Answer Serious Charge

Carroll O'Donald, a well known young white man, was arrested yesterday by Anderson county officials and was committed to jail by Magistrate Broadwell to await trial on the charge of forgery. It is alleged that O'Donald forged a check a few days ago, signed the name of J. C. Kennedy to the instrument. He presented it at the Peoples Bank and secured its full face value—\$18.50. It is said that the young man admits his guilt and for that reason will probably not ask for any preliminary.

NEWBERRY WILL HEAR OPENING ADDRESSES

CANDIDATES FOR CONGRESS GO THERE FIRST

MEETING HELD HERE

Congressional Aspirants Come To Anderson to Address Voters On July 31

A meeting took place in the offices of S. Dean Pearman, chairman of the Anderson County Democratic Executive committee, in this city yesterday. The purpose of the meeting was to arrange an itinerary for the congressional candidates and every county in the Third district was represented, either by the county chairman or some personal delegate. Several of the candidates were also present, Fred H. Dominick of Newberry being on the scene and W. Bradley, secretary to Mr. Alken, was here in that gentleman's interests. The following were the chairmen present: James L. Kelt of Newberry, R. P. Blake of Greenwood, J. M. Moss of Walhalla and Chairman Norris of Pickens. William N. Graydon of Abbeville was detained at his home on account of his wife's illness and that county was represented by Mr. Blake of Greenwood.

The meeting was called to order promptly at 12 o'clock and the following itinerary was adopted: Newberry, July 27 Greenwood, July 28 Abbeville, July 29 Anderson, July 30 Walhalla, July 31 Pickens, August 1. Interest is awakening all over the district in the race and it would seem that the winning candidate will have had a merry time when the election is held.

THIS COUNTY TO BE REPRESENTED

If South Carolina Sends An Exhibit To The San Francisco Exposition

Messrs. Porter A. Whaley and William Banks expect to go to Columbia Saturday to attend a conference to be held with reference to the ways and means of raising a fund sufficient to put a first class exhibit from this state at the San Francisco exposition. The legislature has to trim so much in expenses this year that this matter was not cared for in the appropriations. Mr. Whaley does not wish to see Anderson county left out of the picture if the fund is to be raised and he wishes to get this county in on the ground floor with the most attractive exhibit. South Carolina won the first prize for the handsomest exhibit at the Jamestown exposition. William E. Gonzales, E. J. Watson, August Kohn and Paul V. Moore of Spartanburg were the ones in charge of getting it up. Mr. Whaley received yesterday a letter from Mr. Edwin W. Robertson in which he said: "Referring to my letter of June 5th, regarding the organization of the South Carolina Panama-Pacific Exposition commission, I now desire to advise you that we have selected Saturday, June 27th, at 1:30 p. m., at my office for the date, time and place of holding the first meeting for the purpose of effecting a permanent organization, and the selection of an active executive committee who will have charge of the work. At that time, Mr. W. Walter O'Hara, commissioner of the Panama-Pacific International exposition, will lay before us several plans for raising the funds, all of which have proven eminently satisfactory in the different Southern States in which they have been used; and will render such assistance as his experience may make possible. There seems to be an impression in the minds of some of the gentlemen requested to serve on this commission that it is expected to raise the fund by means of subscription lists. I desire to say that this is not my understanding of the method to be pursued. It is one of the purposes of this meeting to adopt ways and means for raising the necessary fund. It is also proposed that the active work is to be in charge of the executive committee, to be selected at this meeting, and the other members of the commission are only expected to lend the weight of their influence and cooperation to the movement, and to give such suggestions and advice as will assist the executive committee. It is regretted that I am giving you very short notice, but this is necessitated by the fact that Mr. O'Hara can only be with us on that date, and your presence is earnestly desired."

MRS. LEROY BOGGS DIED YESTERDAY

Seneca Lady, Daughter-in-Law of Col. J. E. Boggs, of Anderson, Died in Asheville

Mrs. Leroy Boggs died yesterday in Asheville, N. C., according to information contained in a telegram which Col. Julius E. Boggs received yesterday morning. Col. Boggs at once left for Asheville.

They had been making their home at Seneca but a few weeks ago Mrs. Boggs was taken to Asheville in the hope that the climate there might benefit her. No funeral arrangements had been made when Col. Boggs left Anderson yesterday morning but in all probability the body will be carried to Cincinnati and the interment will take place there.

SMALL HOUSE WAS ENTIRELY BURNED

Negro Cabin Burned to Ground Shortly Before 6 O'clock Yesterday Afternoon

A small negro house, belonging to Joe Evans, was completely destroyed by fire yesterday afternoon. The house is situated on Cleveland street and when the blaze was discovered the department reached the scene in a short time, making a good run but they were powerless to check the flames and the place was in ruins in a very few minutes. Only a very few articles of furniture were saved from the burning building.

CROSSED CONTINENT ON FOOT

Walker In Anderson On His Return To Winn A Big Wager. F. L. Balkam, who says he is a Welshman and is on a walking tour from New York to San Francisco and return on a wager of \$10,000, arrived in the city last night. He says he left New York on the 4th of July, 1913, and arrived in San Francisco three months later. He has several months yet in which to get back to New York. He averages three miles an hour. One of the requirements is that he must pay his way by money that he earns on the road. Balkam is a hearty looking chap, who says he is 27 but appears 10 years younger, and has a beautifully tanned complexion and a graceful carriage which shows his out of doors training.

NO MORE JURY CASES FOR THE CIVIL COURT

ALL ARE COMPLETED AND JURORS DISCHARGED

EQUITY HEARINGS

Case of Israel Miles Vs. E. F. Allgood Will Be Completed When Verdict Is Heard Today

There will be no more jury cases for trial at this term of the Court of Common Pleas for Anderson county. The court yesterday completed all the cases on the docket and the jurors were discharged and today will be devoted entirely to equity hearings. It is hoped by court officials that two days may prove sufficient for this and an adjournment reached by Friday night.

When court adjourned Tuesday night the case of Israel Miles versus E. F. Allgood, suit for the cancellation of a deed, was in progress, that hearing began at 3 o'clock Tuesday afternoon. This case went through all of yesterday and was finally placed in the hands of the jury at 5:30 o'clock. After deliberating for some time the jury returned a sealed verdict, which Judge Prince will open this morning.

The most interesting feature in connection with this case was the fact that the plaintiff in the action, Israel Miles, is an old time darkey. He claims that he is over 100 years of age and judging by his appearance he may be at least that or maybe more. Miles says that he remembers quite well he was a great big plow hand way back yonder in 1845' and he calls to mind a number of by-gone incidents of great interest to the present generations. His recollections proved to be among the features of this entire term of court.

METHODIST UNIVERSITY

Location Will Be Determined Upon in the Next 30 Days.

Secretary Whaley has a beautiful site to offer the Southern Methodist University and has had meetings of financial support in case there is any chance to land it. The situation with reference to the new university is thus briefly explained in a letter from Bishop Warren A. Candler of Georgia, to Mr. Whaley: "Your esteemed favor of June 22 is just in hand. I do not know that I can add anything to the statement of the committee published in the papers concerning the Methodist University. Our church, having lost Vanderbilt University, finds itself under the necessity of building an institution of learning to take its place. The location within the next thirty days, if primary is ended with high honors. Later he went to Staunton, Va., to accept a position as instructor in the Staunton Military Academy, one of the most famous institutions of its kind in the South, and he is now headmaster of that school. He is receiving a warm welcome here.

A MANLY STATEMENT.

Mr. J. M. Payne Says He Will Support the Incoming Administration. Editor The Intelligencer: The city primary is ended and its result is accepted. I wish to take this early opportunity to tender to my friends who so cordially supported me in my candidacy for the mayoralty, my sincere thanks for the substantial proofs of their confidence which they have given me. For fifty years, Mr. Editor, I have lived and labored here for the upbuilding of the city, and there has been no faltering in my loyalty to her best interests and the welfare of her people. I have never, have and I never will take my shoulder from the wheel that pushes her forward. I desire to have it well understood that I cherish no feeling of resentment or ill will to ward any, but on the other hand I stand ready to support the new administration of the city's government in everything that stands for the prosperity and growth, along all the better lines, of our community. I have no rocks to throw and nothing to avenge, but will endeavor to do all I can to help make the new council the most useful that we have ever had, and to unite our people and pull together for better things. The people have spoken, and I cheerfully accept the result. Very sincerely, J. M. Payne. Anderson, S. C., June 24.

MR. LEVER IS COMING

Will Address the Farmers at Anderson July 27. The following letter was received today from Hon. A. F. Lever, addressed to the chamber of commerce. All Andersonians will no doubt be glad to welcome Mr. Lever here. Mr. Porter A. Whaley, Chamber of Commerce, My Dear Mr. Whaley: Responding to your letter of the 17th instant, permit me to say that I would be glad to be with you on July 27th if the situation in Washington permitted me to be absent at that time. It is almost impossible for the chairman of an active committee to know very far in advance what is going to be required of him on a certain day and, of course, I feel that I cannot afford to make engagements which are absolutely binding upon me. I am, therefore, accepting all engagements tentatively. I had hoped that we might be adjourned before this time. It now seems, however, that we are likely to be here until September, probably later. I can only say that if I can leave Washington on the 21st of July I shall do so and address myself to the subject, namely: "The Lever Agricultural Extension Act—What It Means to South Carolina." I think it is safe to put me on the program tentatively, for, I shall exert every effort to fulfill my engagement. Very truly, A. F. Lever.

A party of distinguished Virginians arrived in the city yesterday to spend 10 days here, among these being: Col. and Mrs. Thomas H. Russell and son, Dr. W. M. Phelps, Dr. John L. Cable and George Roseberg. They made the trip from Staunton, Va., to Anderson via automobile and say that they enjoyed every mile of the 600 mile trip while in Anderson they are the guests of D. H. Russell's family.

PREPARE SHIPS FOR THEIR NEW OWNERS

Idaho and Mississippi Will Be Given To Greece With All Features Intact. Washington, June 24.—Navy officers today are preparing to turn over the battleships Idaho and Mississippi to the Greek government. Final action on the naval appropriation bill, which includes authority for the sale of the ships will be taken in a day or two and as soon as the president has signed the measure the department will be ready to order the transfer. It is left to the president and the secretary of the navy to name the sale price, the intention being to fix this at the actual cost of construction and equipment. This involves a rather complex calculation, but it is believed that \$11,750,000 will be about the figure.

With the vessels will go most of the supplies now aboard, and a full store of coal to carry them to their destination. There was some idea at one time of taking out the fire control or system of electric communication by which the commanding officer of the ship is enabled to point and fire every gun from the bridge or conning tower. This is a peculiar American development but the systems installed on the Idaho and Mississippi is fairly well known in other navies and has been much improved on. According to the tentative plan of transfer, the Idaho, which is now at Gibraltar, will be sent northward to Gravesend, England, where she will be met by the battleship Alabama, now in reserve in the Philadelphia navy yard, which will take off her personnel, including the Annapolis midshipmen now on their summer cruise. Then the Idaho will be manned by a Greek naval crew. The Mississippi, now at Pensacola, will be sent to a northern navy yard probably Boston, to be stripped of her aeronautic appliances that encumber her dock and superstructure. Her personnel will be transferred to the North Carolina, now in reserve in Boston, and Greek sailors will be on hand to take her across the Atlantic.

The possibility of an actual outbreak of hostilities between Greece and Turkey is being considered in connection with the arrangements for the sale of the ships. In the event of actual war and proper declaration by either party or both, the sale could not be consummated or the ships delivered without a violation of neutrality.

Flat Rock Club

The Democratic club roll will be at Flat Rock church, Saturday the 27th, inst from 1 to 3 o'clock for the purpose of enrolling the votes of that precinct. C. M. Brooks, Sec. C(14-0).

Cake Sale.

The Junior Philatelia class of the First Presbyterian church will conduct a cake sale Saturday afternoon at four o'clock at the Owl Drug Store, d-t.

Compulsory Attendance.

Atlanta, Ga., June 24.—A law providing some form of compulsory education for Georgia is recommended in the annual report of Mr. L. Brittain, state commissioner of public instruction. He calls attention to the fact that but six states in the union are now without such a law. He urges that the state begin at least by letting it be a local option affair, and permitting those counties which desire compulsory education to adopt it.

Indiana Bill Passed.

Washington, June 24.—The senate tonight passed the Indian appropriation bill, carrying about \$12,000,000. The sundry civil, general deficiency and rivers and harbors appropriation bill, for a single action. The rivers and harbors bill, which was passed last night for senate action. The rivers and harbors bill, probably will be taken up next and it is expected to bring on a fight.
