KERSHAW FOR MANNING

Mendel L. Smith Says That He Will Carry County Against Richards

Columbia, Sept. 3.—Mendel L. Smith, of Camden, speaker of the house of representatives, who was defeated in the first primary for governor was in Columbia and speaks very optimistically of the almost certain success of Richard I. Manning, who Mr. Smith is supporting against John G. Richards for chief executive of the State.

However, Mr. Smith says that the Manning people should not become too confident, but should make the victory of August 25 complete by going to the polls in full strength on September 1 and voting.

Mr. Smith says that he will work indefatigably for the success of Mr. Manning until the polls close on the afternoon of September 8. He says that Kershaw county will go for Manning. Kershaw is the home county of Maj. Richards, who ran away behind M. L. Smith there in the first primary.

Mr. Smith says that he has been showered with congratulations from all sections of the State for the campaign he made.

Diarrhoea Quickly Cured.

"My attention was first called to Chamberlain's Colic, Cholera and Diarrhoea Remedy as much as twelve years ago. At that time I was seriously ill with summer complaint. One dose of this remedy checked the trouble," writes Mrs. C. W. Florence, Rockfield, Ind. For sale by all dealers.

Cost Kept Down—Quality Kept Up.

No better medicine could be made for coughs, colds, croup, bronchitis, itching throat, bronchitis, etc., than Chamberlain's Cough and Croup Remedy. That's why they can't improve the quality and war or no war, the price remains the same. E. J. Barrett, Dallas, Tex., says: "I believe Chamberlain's Cough and Croup Remedy is a completely reliable cure for all symptoms of tuberculosis and my cough has entirely disappeared." Don't accept any substitute for Chamberlain's Cough and Croup Remedy.

BAPTIST NEWS

From the Courier, Greenville.

We had a pleasant call on Saturday last from Brother Conway Smith. He has taken the superintendency of the public schools of Seneca and will soon enter upon his work there. The public schools do not occupy his Sundays and the churches are anxious to have Seneca men who will take part of this year for this cause.

Recently Brother W. J. Foster, of Honea Path, assisted Pastor Jerome Morris in a meeting with the First Baptist church, Abbeville Association. The meeting was one of power and among other evidences of this was the conversion of a Catholic who for many years had lived in the community and who enjoyed the confidence and esteem of all his neighbors.

The Rally Day for the Sunday schools of the state is the first Sunday in October. Don't forget this. Secretary Watts is sending out programs for the day. Any Sunday school desiring this program can get it from Brother Watts for thirty cents per dozen or \$2.25 per hundred. Address Rev. T. J. Watts, Sunday School Secretary, Columbia, S. C.

Pastor E. L. Kingley, of Honea Path, writes: "Closed our meeting at Broad-month church yesterday. I did the preaching for the third time in the four years of my ministry there. Visible results of last week's meeting: twenty-four for baptism, one by letter, forty, twenty-five, 11 an entire new church, preaching atarkers Creek this week. Very true."

A fire on Thursday of last week did considerable damage to the parsonage of the First Baptist church at Greenwood, and to the homes and barns of the pastor, Dr. C. W. Chick. No one was in the parsonage at the time. Dr. Chick and his family being off on their vacation. We cannot give the extent of the damage but we trust it was saved.

HE IS SOME OPTIMIST

Mr. Hipp, an Abbeville merchant, is looking for a landslide.

Editor The Intelligencer.

Richard I. Manning will, in my opinion, get fully two-thirds of the vote in Abbeville county, and in all probability three-fourths.

The county polled about 2,000 votes in the first primary, but of course they will in all probability be less in the second, my estimate is less in the second is about 1,000 which is about 50 per cent less.

Here's hoping that Manning will have a majority over Richards in the second, with only one more I am sure.

WILL DO OUR BEST

A Neighbor in Laurens Wishes Us to Help Mr. Manning's Cause

Editor The Intelligencer:

Please work hard for Richard I. Manning. We expect to give him in this township 200 votes out of 250.
