Locals Overwhelmed By Greenwood Team

RAN UP BIG SCORE SIXTY TO NOTHING

A. H. S. OUTWEIGHED

Muddy Field and Heavier Team Responsible for Bailey's Victory Over High School.

From the kick-off until the end of the game the Anderson high school football team had no chance to win yesterday when the locals stacked up against the Bailey Military Institute team at Greenwood.

The game was played on the fair ground held at Greenwood and the field was some several inches deep in mud. This naturally retarded the speedy Anderson team and prevented the locals from using their main stand-by, which is speed. The Bailey team outweighed the locals about 12 pounds to the man and time after time they went straight through the Anderson line, scoring touchdowns time after time. The final score was 60 to 0 and long before the game was ended Anderson had lost all hope of being able to score and merely fought to keep the opponents from making another touchdown.

The coach of the Anderson team said last night that this overwhelming defeat will be the best thing that could happen to his team provided all the members of the eleven have "sand" enough to stand the gaff and come back for more and he believes they have. If the team will learn a

lesson from this game and try a little harder than before for the next game, which is scheduled to be played in Spartanburg with Wofford Fitting school during fair week, it may tell a different tale.

Vanderbilt Defeated By North Carolina

(By Associated Press.) NASHVILLE, TENN., Oct. 24.—North Carolina defeated Vanderbilt here today in a closely fought football contest by a score of 10 to 3.

In the third quarter when Vanderbilt was attempting a kick, the ball was blocked by Ramsey of North Carolina, and rolled back over Vanderbilt's goal line, where Ramsey fell on it for a touchdown. Vanderbilt's touchdown was made on a long run by Quarterback Curry followed by a forward pass and a short line plunge. Both sides drop-kicked 5 goals.

North Carolina outweighed Vanderbilt eight pounds to the man, but the teams appeared about evenly matched. Vanderbilt's playing was more brilliant but North Carolina's game was steady and more consistent.

The teams swayed up and down the field, kicking repeatedly. In kicking North Carolina started, Vanderbilt soon several times failing to stop or fumbling the long high whirling punts of the Tar Heel kicker.

The game ended in darkness with the ball in North Carolina's possession on Vanderbilt's 22-yard line. Carman made Vanderbilt's touchdown and Ramsey for North Carolina recovered the Vanderbilt kick that

rolled back over the Commodore goal line for a touchdown. Tandy made the drop-kick for Carolina.

Virginians Played A Whirlwind Game

(By Associated Press.) CHARLOTTESVILLE, VA., Oct. 24.—The University of Virginia defeated the University of Georgia football team here today 28 to 0.

The Virginians played a whirlwind game from the start. Only once, at the beginning of the third period, was Georgia able to gain ground, with any consistency and then, when a touchdown look eminent, the Virginians strengthened and held their opponents safe.

Rain fell continuously during the game, and the field was ankle deep in mud. Virginia handled the slippery ball with but a single fumble and executed many brilliant plays.

Captain Mayer played a stellar game, getting credit for every point scored by Virginia. He went through the Georgia line for four touchdowns, kicked two goals for touchdowns, and made a safety. His terrific line plunging also was responsible for much of the territory gained by the Virginians, and his heavy strategy many times outwitted the visitors. Gocch, the Virginia quarterback, also played brilliantly, skirting Georgia's ends repeatedly for long gains.

Good Start; Band Ending.

ATLANTA, GA., Oct. 14.—Virginia Military Institute was defeated by the heavier eleven of the Georgia School of Technology at football here today, 28 to 7. The Virginians started off well, scoring the first touchdown of the game in the second quarter, when Captain Bain recovered the ball after a fumble by Captain Fielder and ran 75 yards to the goal line. Georgia Tech's superior weight began to tell in the second half, however, and the score was tied in the third period. Fielder taking the ball over. The Georgians added three more touchdowns in the fourth period.

Failed to Make Showing.

CHARLOTTE, N. C., Oct. 24.—Straight football tactics of Davidson, featured by good broken field running by Fullback McKinnon, won from the Citadel this afternoon 16 to 0. Citadel resorted to line shifts and forward passes, only one of the latter being successful. Davidson's gains resulted for the most part from end runs. The South Carolinians did not make the showing expected of them.

Narrowly Escaped Defeat.

CAMBRIDGE, MASS., Oct. 24.—Harvard narrowly escaped defeat today by the Penn State College team, which played all around the Crimson. The score was a tie, 13 to 13. For 46 minutes a touchdown and a goal from the field in the first 12 minutes of play. The visitors lost a chance for victory through two costly fumbles.

First Surprise of Season.

NEW HAVEN, CONN., Oct. 24.—Washington and Jefferson's eleven furnished the first real surprise of the season here by defeating Yale today, 13 to 7. The visitors smothered the Yale attack after the first period and kept the Blue mostly on the defensive for the remainder of the game. Washington and Jefferson's touchdowns were both due to well executed forward passes. Yale's touchdown in the first period was on a double pass.

RESULTS

- At Annapolis—Navy 48; Western Reserve 0. At Cambridge—Harvard 13; Penn State 13. At Syracuse—Syracuse 20; Michigan 6. At Charlottesville—Virginia 28; Georgia 0. DENIES GERMANY WANTS EXPANSION

Ambassador Says Germany Will Respect Monroe Doctrine Whatever the Outcome.

(By Associated Press.) WASHINGTON, Oct. 24.—Count von Bernstorff, the German ambassador, announced today that Germany would respect the Monroe Doctrine, whatever the outcome of the European war. A note to that effect has been presented to the State Department by the ambassador.

The text of the communication was withheld by department officials but Acting Secretary Lansing made this announcement:

"The German ambassador on September 3 last, in a note to the department of state, stated he was instructed by his government to deny most emphatically rumors to the effect that Germany intended, in case she comes out victorious in the present war, to seek expansion in South America."

Discussion of the ambassador's note was aroused by a published statement of Dr. Dernburg, former colonial secretary of Germany, calling attention to the fact that his government had notified the United States of the untruth of reports as to its intention in South America. Dr. Dernburg and German officials here attributed these rumors to Germany's enemies in the present war, believing they were designed to influence public opinion in the United States against Germany.

All Efforts to Capture German Positions Fail

(By Associated Press.) AMSTERDAM, VIA LONDON, Oct. 25.—(2:15 a. m.)—According to a message received here the North German Gazette of Berlin says that all efforts to capture the German positions at Taling-Tau have failed. The Japanese losses have reached 2,000 killed and wounded. The losses also are said to be heavy.

"Store-News" In The Intelligencer Sells The Goods.

LONDON, Oct. 24. (7:10 p. m.)—The American protest against the British seizure of the American oil ship Platuria was the subject of a ministerial conference today but no decision was reached. Premier Asquith, Sir Edward Grey, Winston Churchill and Lord High Chancellor Viscount Haldane were among those at the meeting.

NEWSY NEWS FROM BELTON

J. G. Fagg Injured in Automobile Accident Thursday is Improving—Other News.

Special to The Intelligencer. BELTON, Oct. 24.—J. G. Fagg of Anderson route 8, was a visitor in Belton today. Mr. Fagg won the prize at the B. Fair Wednesday for the best half bushel of wheat. The premium was a round trip ticket to the State Fair, value \$4.10. The association gave Mr. Fagg the cash and congratulated him on the wheat he had at the fair. The many friends of Henry Fagg will be glad to learn that he is getting along nicely. It will be remembered that Mr. Fagg had one of his arms broken in an automobile accident in Belton early Thursday morning, the machine turning over with him. Chester Wright, the other occupant of the car, was bruised in several places but not seriously hurt.

Civic League Did Well.

The Civic League of Belton sold dinners and had two lunch stands fair day and they are well pleased in every respect. They made something like \$100.00 on this occasion. We hope in the near future to be able to report that the land for the Belton Park has been purchased. This matter has been dragging on account of everybody being so busy getting ready for the fair, but now there is nothing in the way and we believe that the park proposition will be taken up immediately by town council and the Civic League.

Honora Path vs. Belton.

A fine game of basket ball was played on the local grounds Friday afternoon between the high schools of Honora Path and Belton. The final score was 10 to 12 in favor of Belton.

The many friends of H. M. Geer will be glad to learn that he is improving. He hopes to be able to be about in the hotel in a few days.

Miss Sadie Fant, of Belton, a graduate of Limestone College, left this morning for Bamberg, where she will teach school.

Mrs. C. Wilson, of Belton, was among those who visited Anderson today.

W. H. Cobb, Jr., member of the firm of Cobb & Parker, had business in Anderson Friday.

Mayor Ross Mitchell had business in Anderson Friday.

Mitchell-Cox Lumber Company has been awarded the contract for doing some work on rearranging some of the offices of the courthouses in Anderson. The work is progressing nicely.

Takes Witness Stand Bankruptcy Proceedings

(By Associated Press.) NEW YORK, Oct. 24.—S. H. P. Bell, head of the suspended cotton brokerage firm of S. H. P. Bell & Co., took the witness stand in bankruptcy proceedings today and told the court that his firm's debts totaled \$3,888,261 and assets \$8,428,906.

Of this indebtedness, he said, 60 per cent was owing on cotton exchange transactions, \$3,500,000 to Colonel Robert M. Thompson and the rest to stock exchange and commercial creditors. A committee of creditors was fighting the Thompson claim, he said, on the ground that Colonel Thompson "as a partner and should be included in the bankruptcy proceedings."

The sole cause of the firm's failure, Bell testified, was the war, which caused a convulsion in the cotton market.

No Discussion Reached.

LONDON, Oct. 24. (7:10 p. m.)—The American protest against the British seizure of the American oil ship Platuria was the subject of a ministerial conference today but no decision was reached. Premier Asquith, Sir Edward Grey, Winston Churchill and Lord High Chancellor Viscount Haldane were among those at the meeting.

Boatwright Elected Pres. Virginia League

(By Associated Press.) NORFOLK, VA., Oct. 24.—The directors of the Virginia baseball league in annual meeting here today reelected J. O. Boatwright of Danville, president, and transferred the Roanoke franchise to Suffolk, and decided to shorten the season two weeks. The 1915 season will begin on April 22 and close on Labor Day. Mr. Boatwright was elected on the

13th ballot. A deadlock existed for over three hours and Burruss Corporew of Norfolk, was leading until the 13th ballot.

Five names were balloted on before an election was made possible by the vote of the Portsmouth club changing from Corporew to Boatwright.

For Cleaning Tinware.

First wash the tin in hot soapsuds and wipe thoroughly dry. Then scour with dry flour, applied with an old newspaper.

ANOTHER TRIBUTE TO THE "FORD"

In the accounts of the magnificent work being done by the "American Ambulance of Paris," which was started by Americans, financed by Americans and managed by Americans only; their only request being that their names be kept from the papers; the London Times gave unstinted praise to this band of noble Americans in this great work for humanity's sake.

In their preparations for bringing wounded soldiers of every nationality back from the battle fields to this great hospital which they have fitted out, they had to obtain some sort of light, rapidly moving vehicle and they naturally hit upon the "Ford," and this is the reason thereof, as quoted verbatim, from the dispatch, as written by the correspondent to the London Times:—

"The organization of the hospital is extraordinarily thorough; moreover, the most unexpected and admirable devices have been adopted. When the hospital opened it was felt that there was an urgent need of means of quick conveyance from the field into wards. At that time the railways were necessarily congested with traffic. Delays were inevitable between the field hospitals and the bases—delays vexatious to the authorities and very trying for the wounded."

"Some dozen of Ford automobiles were presented. These automobiles were chosen on account of their lightness and because on their lower gear they are able to climb very steep banks. They could, if necessary, travel upon railway tracks or over fields. Thanks to an exceedingly happy inspiration, it was found possible to construct for each an ambulance body out of the packing case in which the vehicle had been shipped. The work was performed gratuitously. These ambulance bodies are remarkably efficient and practical; they cost, when complete, about 117 pounds each. Two wounded men, lying down, and four seated can be carried."

Please note carefully what the dispatch says about the Ford's ability to "climb steep banks, travel upon railroad tracks, or over fields, if necessary."

This was no advertisement, but simply the verdict of this band of disinterested Americans, who were hunting for the most efficient light-vehicle, that would stand the terrific strain of carrying wounded soldiers over any sort of road or uneven ground.

The Ford will stand any test that any other car will stand and a few more that no other car will stand. Its car for you.
