**APPLIES TO ALL THE COUNTY**  
 The following letter has been received from Senator Sullivan: Columbia, S. C., Oct. 27, 1914. The Anderson Intelligencer.  
 I have a letter from a citizen of your city, saying the newspapers report that only the people in Martin Township and around Flat Rock, where crops were destroyed by hail, are exempt from certain taxes under my bill, while other sections injured were not taken care of. etc. This is a mistake. When the House bill exempting Laurens County hail sufferers came to the Senate I simply amended it by adding Anderson county, which you will see covers every one in the county so injured. I will thank you to publish this for information of all to whom it applies. Yours truly, J. W. SULLIVAN.

**What Would You Do?**  
 There are many times when one man questions another's actions and motives. Men act differently under different circumstances. The question is, what would you do right now if you had a severe cold? Could you do better than to take Chamberlain's Cough Remedy? It is highly recommended by people who have used it for years and know its value. Mrs. O. E. Sargent, Peru, Ind., says, "Chamberlain's Cough Remedy is worth its weight in gold and I take pleasure in recommending it." For sale by Evans Pharmacy and all dealers.

# Annual Meeting of Hospital Association

HELD YESTERDAY AFTERNOON AT CHAMBER OF COMMERCE

## OFFICERS ELECTED

President Ligon Says He Will Remain in His Official Capacity Another Year.

The 7th annual meeting of the Anderson County Hospital association was held yesterday afternoon in the rooms of the chamber of commerce, there being present many members of the official board, members and visitors. The meeting was called to order at 4 o'clock by President R. S. Ligon, who called upon Dr. J. O. Wilhite to preside, and Miss Katharine Stelling to act as secretary. Dr. Wilhite called upon Rev. D. Witherspoon Dodge to offer a prayer, after which the minutes of the preceding annual meeting were read by the secretary, and approved.

Following this was the report of President Ligon. The report of the Woman's Hospital association was called for, but it was announced that that association had practically disbanded. Mrs. Raymond Beatty is president and Miss Mary Lewis, secretary.

Following the report of the medical directors in which it was mentioned that President Ligon had been thinking of resigning, and calling upon him not to do so at this time, Mr. Ligon feelingly spoke of the love he had for the hospital, and for the work he had done while connected with it. He said he had never done more nearer his heart than this work, and he had consorted with no one in reference to his thought of resigning, but had asked Divine guidance. He would rather give up life itself than his connection with the hospital, so he had concluded to try to remain in his official capacity for another year, but he wished to assure those present that if he should ever resign his position officially he would never cease to work for the institution.

These present expressed their appreciation for the faithfulness with which Mr. Ligon had served the hospital by a rising vote of thanks.

Mr. Ligon announced that he had recently closed a deal for the purchase of the Harris lot adjoining that of the hospital, and this has been opened up. It is his plan to beautify it, and plant some roses and other flowers. He asked that the ladies of the association donate what flowers they can to this purpose.

**Directors Re-elected.**  
 The following directors of the hospital association were re-elected for five years, their term of office having expired: Messrs. J. A. Brock, H. H. Watkins, and Mrs. F. C. Webb. There were two vacancies on the board. The board lost a valuable member when Mr. H. C. Townsend lost his life in the fire a year ago, and his brother, Geo. B. Townsend, was elected in his stead. In place of D. P. McBrayer, who has moved away, Robert E. Ligon was elected.

**Trustees to Meet.**  
 A meeting of the board of trustees was called for Friday afternoon at 4 o'clock at the chamber of commerce rooms.

President R. S. Ligon prepared the following report for the meeting:  
**President Ligon's Report.**  
 To the Friends and Subscribers of the Anderson County Hospital:  
 I hereby present for your consideration my seventh annual report of the work and condition of your hospital. It is one in which you can rejoice and feel that you have done something for suffering humanity. Let us all be thankful to God for what we have accomplished for humanity in this institution and resolve by His help to try and do more in the coming year.

The hospital has cared for 442 patients during the year from September 20, 1913, to September 20, 1914, inclusive; divided as to color, wards and rooms as follows: 197 room patients, rating from \$1.75 to \$3.00 per day; 146 white ward patients, rating from \$1.00 to \$1.43 per day. Out of this number we have cared for 86 free patients.

The cost of maintaining the hospital for the year has been \$15,748.42 and the receipts have been \$14,218.53. Now counting two weeks to each free patient we have taken care of 81 at a cost of \$1,337.30, this means free medicine, free doctor's treatment and free board and nursing. Besides we have cared for in the wards 139 patients, for which the hospital received about an average of one half of what it cost.

I emphasize this portion of our work as it is a source of great joy to me and I know it is to you, to think that it is our privilege to maintain such an institution in our city. I know God has blessed every donor and caused their hearts to rejoice as they have seen the results of their labor of love for humanity.

We have been running smoothly during the year without any friction whatever and this speaks well for the management and the doctors. I desire to thank all of the doctors for their kindness in overlooking the short comings of the president and the nurses. I feel that we all have done, not our best, but as near it as is possible for human nature to do. Our present superintendent, Miss Cochran has been with us almost a year and has been faithful in the dis-

charge of her duties, as have also the head nurse and the pupil nurses.

I thank the city council in behalf of the institution for their continuance of the appropriation. As a citizen I hope it will always be given as human lives are worth more than any obligation we have. While I am writing this there has been brought to the hospital an emergency case. A poor man's little girl, badly burned and perhaps fatally, but according to his testimony she has been suffering torture at home all day. She is quiet and sleeping now under the tender care of this institution, free of charge. God bless her and the people that support such an institution.

Respectfully submitted,  
 R. S. LIGON,  
 President and Treasurer.

**From Medical Directors.**  
 The medical directors of the hospital met today (27th) and the following resolutions were offered and adopted:

"That the following members whose time has expired, Drs. J. L. Gray, J. C. Harris, W. H. Nardin, J. F. Duckett and J. O. Wilhite, be recommended for reelection on the board of medical directors.

"That Dr. R. Lee Sande, having moved from the city that Dr. Clyde F. Ross be recommended for election to fill out the unexpired term.

"That it having been rumored that our president, Mr. R. S. Ligon, is thinking of resigning, that we fully appreciate the very faithful and efficient service which our president has rendered, and urgently request that he withhold his resignation as we believe that such a step at this time would be very detrimental to the welfare of the institution.

The resolutions were signed by Dr. J. O. Wilhite, chairman, and Dr. J. B. Townsend, as secretary.

# FIRST LIQUOR CASE TRIED YESTERDAY

J. E. DERRICK WAS DEFENDANT CHARGED WITH SELLING WHISKEY

## ROOM WAS PACKED

Many Prominent Business Present During Trial—The Jury Was Out 10 Minutes.

The jury made short work of the first of the 36 liquor cases now on the docket awaiting trial. J. E. Derrick was the defendant in this case, and he was charged with selling liquor to A. T. Wiggins, a detective, on October 21. There was a great deal of interest in this trial and the recorder's court room was packed during the trial, many prominent business men of the city being present during the entire trial which lasted from 9 a. m. to 1 p. m. The jury was out only ten minutes, and returned a verdict of guilty.

The defendant was represented by Messrs. A. H. Dagnall and M. L. Bonham, who made a hard fight for their client, and skillfully conducted the case from the beginning. The case was represented by Mr. G. Cullen Sullivan, who earnestly fought for the prosecution. Porter A. Whaley was appointed official stenographer, and took down the entire proceedings. D. H. Russell acted as recorder and the following gentlemen were selected as jurors: Thos. F. Hill, foreman; W. G. Martin, J. T. Templeton, J. M. Bell, W. P. Watkins and J. C. McLeen.

At the beginning of the case, the attorneys for the defendant, demurred to the jurisdiction of the court. The contention of these gentlemen was that the city council when it passed an ordinance abolishing the office of recorder, when this office was held by Judge Frierson, had no right to do this, as they alleged, simply to depose him from holding the office, and as soon as it was declared vacant to pass a new ordinance re-creating the office to give it to the incumbent, Judge D. H. Russell. Their motion was overruled.

The State put up a number of witnesses, but the defense, when the State rested, did not offer any testimony. This was done said Mr. Dagnall, because they did not think the State had made out its case, and from the further reason that they wished to have the opening and closing arguments.

The following is a brief resume of the testimony introduced by the State:

## The Testimony.

A. T. Wiggins, sworn as first witness, testified that he was a detective employed by the city at a salary of \$8 per day and expenses, coming into employ of the city on September 4; opened up pool hall, planning to catch blind tigers; said he knew Derrick since September 7; that his place of business, operated as a blind tiger was located on West Whitner street, upstairs over Catlett's Bottling works; that on October 24, he together with M. C. Baxter, went into Derrick's place going through and up into an interior room and there purchasing two bottles of beer, paying 20 cents per bottle for same; said he had never been on witness stand before; drank himself and had been drunk had removed from a local boarding house for certain reasons; asked how many times he had been there, said he supposed at least 100 times. Said that Derrick furnished the beer.

M. C. Baxter, second witness sworn, testified that he was also in employ of the city, assisting Mr. Wiggins; came to Anderson on October 21, and with Mr. Wiggins went into Derrick's place, described by him as being located upstairs near Southern Bell Telephone Co. building on West Whitner street; and there with Mr. Wiggins purchased beer; said he went there morning and afternoon of the same day; said that he paid for some and Mr. Wiggins for some. His testimony otherwise corroborated Mr. Wiggins' testimony.

V. B. Martin, was next sworn, said that he knew Derrick; said his place of business was upstairs on West Whitner street, near telephone building; that he was in the squad that raided the place on Sunday night, October 25; that when they entered the place they found 20 bottles of beer in the refrigerator and about two-thirds of a barrel of Rainbow beer; some of the bottles were white and some black; that other members of the raiding squad were Messrs. Payne, Sanders and Clump, the first two and himself going upstairs; said he made at about 8 o'clock; Mr. Derrick was there personally; they after the raid the stuff was taken to the city hall. When asked if the beer was like some shown in court labeled Rainbow, witness said he could not say.

C. N. Sanders was the next witness for the city; said that he knew Derrick; that his place was located on West Whitner street; that when the raiding squad got to the door Mr. Derrick opened it himself, telling him they had a search warrant; that they got 20 bottles of beer out of the ice box and also about two-thirds of a barrel full of beer in bottles; that they went back the next morning and found three barrels of empties, bringing them to the city hall, turning them over to the chief of police. The defense did not cross examine. Chief of Police J. W. Zammons, the next witness, testified that the raided goods had been turned over to him, that he put them in the city hall, ex-
