FATHER MET DEATH AT HANDS OF SON

Mack Norman was Killed While Son Was Shooting at Toy Balloons. GAFFNEY, Jan. 5.—The coroner's jury which was summoned by Coroner Vincent to hold an inquest over the dead body of Mack Norman rendered its verdict to the effect that the deceased came to his death from a gunshot wound at the hands of his son, James Norman, and that the defendant was thereby guilty of criminal negligence. Young Norman is in the county jail, but his counsel will apply for bail as soon as the arrangement can be made for giving bond. The testimony showed that Norman was shot as he was about to get into his buggy at King's Creek, in this county, on December 28, 1914, and that the shooting occurred while James Norman and others were firing at toy balloons.

Dr. W. K. Gunter had the misfortune to have his automobile badly damaged by fire Saturday afternoon. Some young men were riding in the car when in some way it caught on fire and burned until chemicals could be conveyed from Gaffney to the scene

Scene from "Ready Money", featuring Edward Abeles to be exhibited at the Paramount Theatre Friday, January 8th.

GREEK CHRISTMAS TO BE OBSERVED TODAY

APPROPRIATE SERVICES TO BE HELD IN GRACE CHURCH FOR THEM

DINNER TONIGHT

Feast Will Be Spread at the Piedmont Cafe—The Greek Calendar.

The Greek colony in Anderson today observe Christmas. One week from today will be their New Year's day. It is customary for members of the Greek orthodox church to attend the Episcopal church when they have no church of their own, and to call upon the priests of the Episcopal church to minister to their needs.

Following this friendly relationship the Rev. J. H. Gibbons, rector of Grace church, will conduct a Christmas service for the Greeks of Anderson today. The Holy Eucharist will be celebrated at 8 o'clock this morning and members of the Greek church now in Anderson will have the opportunity to make their Christmas communion.

The Greek Orthodox Church adheres to the Julian calendar, which accounts for the time elapsing after the Christmas of other Christian churches. The Julian calendar was supplanted by the Gregorian calendar in the 16th century. Luigi Lillo Ghiraldi, a physician of Verona, projected a plan of amending the calendar. After his death his brother presented it to Pope Gregory XII. To carry it into execution the Pope summoned prelates and learned men.

Papal Brief in 1582. In 1577 the proposed change was adopted by all the Catholic princes, and in 1582 the Pontiff issued a brief abolishing the Julian calendar in all Catholic countries and introducing in its stead the Gregorian or reformed calendar.

An amendment was ordered thus: Ten days were to be dropped after October 4, 1582, and the 15th was to be reckoned immediately after the 4th. Every hundredth year, which by the old style was to have been a leap year, was now to be a common year, the 4th excepted; that is 1600 was to remain a leap year, but 1700, 1800 and 1900 were to be of common length, and 2000 to be a leap year again.

In the Gregorian calendar the length of the solar year was taken to be 365 days, 5 hours, 49 minutes and 12 seconds; the difference between which and subsequent observations is immaterial.

In Spain, Portugal, and the greater portion of Italy the amendment was introduced, according to the Pope's instructions. In France the ten days were dropped in December, the 10th being called the 20th. In Catholic Switzerland, Germany and the Netherlands the change was introduced in the following year: In Poland in 1588 and in Hungary in 1587. Protestant Germany, Holland and Denmark accepted it in 1700 and Switzerland in 1701. In England the Gregorian calendar was adopted in 1752.

Difference of Thirteen Days. The 1st of January was then adopted as the beginning of the legal year, and it was customary for some time to give two dates for the period intervening between January 1 and March 25, that of the old and that of the new year. The difference between the Julian and Gregorian calendars is now 13 days.

Celebration Today. Christmas will be observed by the members of the Greek colony in Anderson. One of the principal features of the program will be the dinner which will be served members of the colony tonight by Mr. Gus Antonakas, in the Piedmont Cafe.

GREENVILLE TO VOTE ON NEW COURT HOUSE

Citizens Will Have Chance to Express Choice for the Old or New.

GREENVILLE, Jan. 6.—Greenville county voters will soon have another opportunity to say whether or not they prefer to have a new court house or to maintain the old structure, which for years has been the object of all manner of denunciation. Grand jury after grand jury has inveighed against the building, and several times the judges have taken occasion to add to the remarks of the grand jury. It was decided at a meeting of the county executive committee held Monday morning to let the voters express their choice in this matter on January 19, when they will also vote for a master in equity.

The committee met to consider the calling of a primary in order that a master in equity might be nominated. Other matters, however, developed after the meeting began, one of which was the court house proposition. W. G. Strine told of the plans for a more adequate building, which plans are presented free by the J. E. Strine company. They call for a three story building with a basement, to be erected on the walls of the present structure. The estimated cost would be \$60,000. On two other occasions the voters have declined to authorize the erection of a new temple of justice but this fact did not deter those who spoke in favor of a better building at the meeting Monday. T. F. Cottrill declared the dirt was so thick that turkeys could be raised in the old building and others made remarks but little more complimentary.

After opposition by Senator Earle was overruled, it was decided to allow the voters to express their will at the same time that they vote for a master in equity to succeed the late Gen. J. W. Gray.

LOCAL OFFICE SEEKERS CHARGING PIE COUNTER

COUNTY DELEGATION BE SOUGHT BY THOSE WHO WOULD BE PUBLIC SERVANTS

APPOINTMENTS TO BE MADE SHORTLY

Official to Be Appointed—Salary Paid Each and Length of Terms.

Many local appointments are to be made during the coming session of the legislature, and members of the Anderson County delegation say that the number of men applying for the various jobs is large enough to turn the tide of battle in the European war if all the applicants could be mustered into service and would display the same aggressiveness they are showing in charging the pie counter. Hard times and a change of administration may have something to do with the unusual number of applicants, but whatever the cause, there has been no backwardness in approaching the delegation.

How Appointments Are Made. The Anderson County delegation will follow the custom that has always prevailed throughout the State in recommending appointments. A meeting will be held in Columbia, probably between the convening of the general assembly and the first of February, when all applications will be taken up and put to a vote of the members. In the case of certain appointments, such as magistrates, the appointees will have to be confirmed by the State senate, and the senator will thus have a little more power than a member of the lower house in the event he decides to exercise it. It is understood that Senator Sherard will follow the custom that has always prevailed in the county and urge the State of permitting the members of the house to share equally with him in passing upon recommendations.

As the appointments to be made are of general interest, The Intelligencer gives below a list of local officers with the salaries now fixed by law. This list may be accepted as accurate, as it has been compiled from the records.

Board of Registration. The board of registration for the county consists of three members who are appointed by the governor and with the consent of the senate. The appointments are made on election years between the first of January and the 15th of March. For Anderson County the compensation is fixed at \$200 for election years and \$75 for off years. The present board is composed of the following gentlemen: W. L. Anderson, W. C. Burris, and P. N. Lindsay.

Mr. Anderson and Mr. Burris were commissioned about the first of March, 1914, and they will hold office for two years from that date or until March, 1916. Their successors will be named at the 1915 session of the legislature. Mr. Lindsay is holding office under a recess appointment, and his successor will be named at the coming session of the legislature. There will be only one vacancy, not three, to be filled this year.

Magistrates. All magistrates for the county will have to be appointed during the session of the legislature, as their commissions expire during January and February. The statutes provide for the appointment of 22 magistrates in Anderson County, of whom two shall reside in the city of Anderson, one in Broadway township, one at Pelzer, one at Piedmont, one at Belton, and the others shall be distributed over the county as may best subserve the public welfare.

The magistrates now holding office, with place of appointment and annual salary received, are: R. V. Adcox, Williamston, \$125; W. P. Bell, Hall township, 50; J. B. Bonner, Pelzer, 50; C. E. Clement, Honea Path township, 150; R. S. Fant, Fork township, 100; R. I. Yeargin, Sandy Springs, 75; A. M. Guyton, Piercetown, 100; C. P. Kay, Belton, 125; J. B. Leverett, Starr, 125; C. F. Martin, Broadway, 75; W. J. McClure, Centerville, 100; J. H. Paine, Savannah, 125; J. E. Riley, Piedmont, 125; J. R. Pennell, Marlin, 50; J. L. O. Shaw, Rock Mills, 50; J. D. Sittin, Brushy Creek, 75; J. W. Trussell, Honea Path, 100; S. E. Whitten, Pendleton, 125; C. L. Young, Iva, 125; C. L. Martin, Garya, 50; W. C. Broadwell, Anderson, 600; B. F. Wilson, Anderson, 500.

Dispensary Constables. The appointment of dispensary constables is purely optional with the governor. He is not required to appoint any one to add the usury officers to enforce the law unless in his judgment it becomes necessary. There is no special act for Anderson County authorizing or requiring these appointments, and the governor finds authority to make them under the general provisions of the Cothran act.

Section 840, Volume 3, of the South Carolina code, provides that "it shall be the duty of the sheriffs, and their deputies, magistrates, constables, ru-

ral police, city and town officials, to enforce the provisions of this chapter. If they fail to do so, it is hereby made the duty of the governor to enforce the same, and he is hereby authorized to appoint such deputies, constables and detectives as may be necessary, the salaries and expenses of such officers to be paid out of the profits of the dispensaries in counties wherein they may be established, and out of the ordinary county funds in counties wherein they have not been established."

The delegation strictly have no voice in the appointment of dispensary constables, but it is presumed that the governor will refer the matter to them for a recommendation. Constables are subject to suspension or removal by the governor for cause. The salary now paid the two county constables or detectives, W. B. Drennan and J. W. Smith, is \$900 per year, each, with an allowance for necessary expenses incurred in the discharge of their duties.

Township Assessors. A board of three assessors for each town or city of over 500 people, will have to be appointed. While this is a minor office apparently, it is of great importance to the people, as the assessors constitute the very foundation of the taxing system of county and State. The assessors are appointed and commissioned by the governor upon the recommendation of the senator and members of the house of representatives. The compensation is \$2 per day for each day actually employed.

The present town and township boards are: Anderson—S. D. Brownlee, W. W. Robinson and W. S. Ramsey. Belton (Town)—J. T. West, R. L. Thackston, D. A. Geer. Clayton (Township)—J. G. Harris, M. Clayton Brown, W. A. Cooley. Broadway—P. B. Gentry, E. O. Smith, T. W. McCarley.

Brushy Creek—B. F. Wigginton, C. S. Hall, H. A. Foster. Centerville—J. N. S. McConnell, J. L. Jolly, L. A. Glenn. Corner—W. W. Adams, W. L. Bond, W. P. Cook. Fork—W. L. Dobbins, J. D. Babb, C. E. Marett. Garvin—W. H. Martin, Jno. T. Long, A. N. Richardson. Hall—J. J. Findley, Jim Elgin, Samuel Bowen.

Honea Path (Town)—Allen Williams, John Cox, Redmond Henderson. Honea Path (Township)—W. S. Fleming, J. M. Hanks, J. P. Gambrell. Hopewell—L. R. Tucker, W. J. Vandiver, T. L. Webb. Martin—R. R. Keaton, B. Y. Wright, Jno. T. Murdock.

Pendleton (Town)—C. F. Boggs, J. T. Hunter, J. E. Garvin. Pendleton (Township)—T. P. Hobson, R. I. Yeargin, J. W. Palmer. Rock Mills—J. J. Martin, J. H. Wright, J. L. Burris. Savannah—J. J. Smith, J. M. Jones, C. M. Findley. Vrennes—C. B. McCown, D. F. Reid, P. L. Tate.

Williamston (Town)—W. A. Hammond, J. C. Duckworth, L. S. Wilson. Williamston (Township)—E. N. Elrod, Geo. M. Reid, J. F. Drake. Registrars Vital Statistics. The vital statistics act has only recently gone into effect. It was passed at the regular 1914 session of the legislature, but was held by the governor until the extraordinary session in October before he signed it. The local registrars are appointed by Dr. Jas. A. Hayne, secretary of the State board of health. Dr. Hayne's headquarters are at Columbia. Most of the county appointments have already been made. The registrar is paid a fee of 25 cents for each birth and death recorded.

County Commissioners. Up till the present year three members of the county board of commissioners were appointed by the governor every two years, but the special act superseding this provides for a board of four members elected by the people. By an unfortunate oversight the names of the commissioners chosen in the primary election last August were left off the printed ballots and consequently no election was held. An act or joint resolution will be passed by the legislature authorizing the appointment of the four men—Messrs. Culberson, Spearman, Smith and McGee—who were nominated in the primary. These positions pay \$300 a year each.

MEDICAL SOCIETY IN IMPORTANT SESSION

MEMBERS ENDORSED WORK ANDERSON RELIEF ASSOCIATION

TIMELY TALKS

Matters of Interest Were Discussed in Able Papers Read to Society.

The Anderson County Medical Association held a very important meeting yesterday at the hospital, beginning at 10 a. m., and ending with a bountiful feast at 2:30 p. m. Interest in this important event was greatly stimulated because of the fact that the meeting was held largely in honor of Dr. E. A. Hines, formerly of Seneca, who is the newly elected superintendent of the hospital. The meeting was called to order by the retiring president, Dr. W. F. Ashmore, and an unusually large attendance was noted by the secretary, Dr. Olga Pruitt.

The place for the holding of future meetings was the first item of interest to be disposed of, and it was decided to hold the semi-monthly meetings of the Medical Association at the hospital.

By special order the general secretary of the local relief association was extended the privilege of the floor and cooperation of the medical fraternity was requested.

The hearty endorsement of the work of the Anderson Relief Association was endorsed, and the physicians, individually and collectively, pledged their hearty support in the work of this association.

Dr. J. R. Young read a very interesting and instructive paper entitled, "The Relationship of the Medical Association to the New Law," with reference to births and deaths. This was followed by a strong paper by Dr. W. H. Nardin, with reference to the health of the entire community, after which Dr. Hines, the superintendent, discussed the relationship of the hospital to the entire community.

Dr. Hines' presentation was unusually forceful and was cordially received by the medical fraternity. Mr. R. S. Ligon, the efficient president of the Hospital Association, made a stirring appeal for a larger cooperation between the physicians of the hospital and the community at large.

After a brief session with the new president-elect, Dr. B. A. Henry, presiding, the meeting adjourned, to meet shortly in the hospital room, where a sumptuous feast was beautifully served by the nurses and hospital force.

Miss Ruiz was introduced by Dr. Hines and was very cordially greeted by the physicians present. Brief toasts were responded to by Dr. B. A. Henry acting as toastmaster. Among those present and who were called upon for toasts were Mayor J. H. Godfrey, F. M. Burnett, Dr. J. B. Townsend and W. W. Smack.
