## KENNEDY STREET SCHOOL

I am in the fifth grade and go to the Kennedy Street school. We study Baird's Arithmetic, Hunt's Spelling, Chandler and Chittwood's History, Dodge's Elementary Geography, Kinard and Wither's English, and Carpenter's Geographical Reader.

We had a play Thanksgiving. It was "The Pilgrim's Dream." The fourth grade came in our room and they said speeches.

Christmas we had a Christmas tree. We strung popcorn and fired colored paper chairs to put on it. The fourth grade came in our room and said speeches. We sang some songs and had some speeches. We gave the tree to a poor family to make them have a pleasant Christmas.

On Washington's Birthday we went in the seventh grade. They sang songs, and said speeches and read some stories. The fourth grade said speeches and our grade sang some songs.

We are now learning a school song: Kennedy, Kennedy! Thy sturdy walls afar we see, Kennedy, oh Kennedy! Thou art the youngest of them all, May naught but good to thee befall, We'll ever be loyal to thy call, Kennedy, oh Kennedy!

Chambers, McCants we claim as ours, Kennedy, oh Kennedy! They make us spend some weary hours, Kennedy, oh Kennedy! But in the days that are to come, Our thoughts will often to thee turn, We'll ever be loyal as thy own, Kennedy, our Kennedy!

Katherine KATHERINE BROWNE.

## RIDGEWAY SCHOOL

We are getting along nicely with our school work, which we all are very much interested in. The fourth grade had compositions Friday, and they drew straws to see who would send theirs to be published.

Three of our pupils have advanced from the second to the third grade. I think most of the pupils will make a grade this year.

The farmers of this section are getting along fine with their work since the fine weather set in.

We are glad to see spring coming again, and hear the songs of the birds, and see the pretty flowers blooming in the sunshine.

Some of the farmers went to Athens, Ga., Thursday partly to attend a cattle sale several miles from there.

## LEBANON HIGH SCHOOL

Although it is rather late to start, the boys have been practicing this week, some in athletics to be had field day. We may get up a track team after all, but so many of the large boys have stopped school that it is doubtful. The girls also practice the flag race some. We practice marching twice or three days out of the week.

Many visitors were present at the literary society Friday afternoon. A very good program was rendered, though it seems the extemporaneous debate was not good somewhere. The third and fourth grades society render a program weekly. One of their programs will be published some of these days. The tenth grade is sorry that they were not able to attend the program to which they were invited by the third and fourth grades.

Miss Cooner has at last got the long wanted sand and sawdust for the box in her rooms. Mr. W. J. M. Craig was the donor.

We are very much surprised to see this snow. It has all at once turned spring into winter.

Fifty high school boys had a good time hauling sawdust Wednesday evening.

## THE CITADEL

The monotonous routine of school work was nicely broken during the past week-end by various activities, peculiar to college life.

**Social.**

Friday evening a most successful semi-monthly hop was given in the hall in the Meeting street extension. The abundance of the fair sex tended to make this dance one of the most delightful of the season. A large number of stags were also present. The music was furnished by Metz Orchestra.

**Military.**

The regular Saturday inspection of the battalion was held at Hampton Park after which the war-strength company was assembled. The remainder of the morning was occupied in various military maneuvers consisting of both close and extended order drill. The band, under the leadership of Mr. Carl Metz, furnished music during the exercises.

**Y. M. C. A. Banquet.**

More than 225 students representing the Citadel, the Medical College, the College of Charleston, and the Porter Military Academy gathered at the City Y. M. C. A. Saturday night for a student "Pow Wow." Mr. A. T. Smythe, of the Charleston bar, acted as toastmaster. The cadet band was present and played many popular airs during the evening. Following a tempting four course supper Messrs. E. H. King, C. G. Getty, H. L. Erickman, E. L. Secret and Dr. C. W. Kollock responded to toasts and were heartily applauded.

The purpose of the meeting was to foster a spirit of fellowship between the students of the four institutions. It was pronounced as a complete success.

**Boxing Match.**

During the interval between the basket ball seasons, lovers of sport have been diverted to boxing contests. The Grimaldi-Terrel bout, recently pulled off in room 42, attracted considerable attention and a large number of enthusiasts witnessed the contest.

The "James Island White Hope" was decidedly the favorite throughout the fight. He showed no signs of fatigue and, playing on the offensive practically all of the time, he exhibited his skill and training by placing many well directed blows which Terrel was unable to guard against.

Although lighter in weight and less experienced than his opponent the "Turk of the Tar Heels" was not without a number of warm supporters who often gave him encouragement during the fight. He seemed to know the art but could not overcome the splendid defense of his opponent. Excepting the third and fifth rounds he apparently preferred rather to be forced to take the defensive. He showed considerable nerve and pluck under the strain and it was not until the seventh round that the referee called time for the "dying Turk."

Joe Sullivan spent Sunday at Williamston with relatives.

## HIGH POINT SCHOOL

The Literary Society rendered at the last meeting the following program:

Song—America.  
Recitation—Abner Cox.  
Reading—Rosa Kay.  
Jokes—Stella McClellan and Aaron Martin.  
Song—Old Folk at Home.  
Recitation—Elizabeth McClellan.  
Reading—Willie Brock.  
Song—Annie Len and Aaron Martin and L'He Smith.  
Debate—Term Examinations Should be Abolished.  
Affirmative—Robert Cummings and Hoyt Martin.  
Negative—Savannah Canfield and Ada Barton.  
Song—God be with You Till we Meet Again.  
The judges decided in favor of the affirmative.

We will give an entertainment at the school house Friday night, March 26, beginning at 7:30 o'clock, to which the public is cordially invited. The program will consist of dialogues, recitations, songs and music. A small admission fee of five and ten cents will be charged. The money made will be used to pay for shades which have been ordered for the school building.

## LEGAL NOTICES

**TAXPAYERS TAKE NOTICE**

The time for paying taxes will be out April 1st, and I have published a list of Anderson School Districts No. 17, which have not been paid. Now if you fail to call for your poll tax when you pay your taxes it will cost you \$8.00 so if you fail to pay, do not blame your auditor.

Preachers and School Trustees are liable for poll tax.

WINSTON SMITH,  
County Auditor.

**NOTICE TO THE TOWNSHIP BOARD OF ASSESSORS**

Please send in your little book by the 19th instant, so that I can notify the parties whose property assessment has been raised over one hundred dollars.

The Township Board of Assessors will meet in my office at 12 noon Friday, March 26th, 1915. But be sure to send in the little books at once.

(Signed) WINSTON SMITH,  
Auditor of Anderson County.

**NOTICE**

Taxpayers of Anderson county: The tax books will close the 31st of March. All persons not paying by then will have to settle with the sheriff. Only nine more days remain.

W. A. Tripp,  
County Treasurer.

March 22, 1915.

**WE BUY AND SELL DEBTS**

If anyone owes you money furnish us an itemized written statement of the account.

**WE GET THE MONEY**

If you owe anyone money, we will help you pay the debt by our Mutual Loan Plan.

Our "Indian" will call on slow payers and collect bad debts.

That is his business.

**MUTUAL LOAN COMPANY**  
195 1-2 W. Benson St.  
Anderson, S. C.

## ANDERSON COLLEGE

Several members of the faculty attended the monthly meeting of the County Teachers' Association on Saturday. They were much interested in the address delivered by President Potat of Furman University. They were particularly in sympathy with him when he emphasized the necessity for the teachers in the public schools to teach the students to read intelligently, so that they can get the thought contained in a paragraph and then convey that thought to others. He finds, as others do, that a student who reads even silently with absolute understanding is rare, while still fewer can interpret orally the real meaning of literature. Another thing that was of interest was a topic prepared for discussion of teaching correct, nice pronunciation.

The entire school, both teachers and students, have been rejoiced to have the great opportunity of hearing Mr. S. D. Jordan in his "Quiet Talks" here this week. Mr. Jordan came to the college for an hour Wednesday and made a talk before the school that was nothing short of wonderful. His serenity, directness, and the atmosphere of reverence and deep spirituality, coupled with his beauty and purity of thought, make him a speaker of unusual appeal. Here we see the truth of that which we have been taught—that to be a great speaker there must be a great personality, a great soul back of the words uttered. The college is grateful to Mr. Jordan for coming to it with his vision and his message. After a talk on the work of Gries and Miss Nello Smith played "Griego's Death of Agas" from the Peer Gynt.

Mr. Williams has been talking in chapel this week on the scientific aspects of the war. On Tuesday he had drawn a large diagram of a torpedo, two-thirds the real size, illustrating admirably its outside and its inner workings. He made a very lucid explanation of its mechanism, the way it is used, and how it is directed by the different devices. On Thursday he had a large drawing of a submarine which he explained. He took up aircraft and mines in the same way Saturday.

President Kinaard visited the schools at Seneca and Walhalla Monday.

All rejoice that all material for the Annual has been shipped to the engraver, the last shipment going March 13.

## TOWNVILLE SCHOOL

Kindness is a great blessing to mankind. If every one would speak a few cheering words to some forlorn soul, how much happier this world would be. There is no better place to cultivate the art of kindness than in the home. We often treat the ones we love more unkindly than we do some stranger. Kind words and deeds are never wasted even if at first the recipients do not appreciate our endeavoring to make their environments more attractive.

Animals appreciate kindness fully as well as people. A dog and a horse are more sympathetic than the rest of the animals. When you have once won their affection by speaking kindly to them, you may be sure of a true friend ever afterward. We all should, therefore, make it a part of our work to do a kind deed to some one each day. One doesn't have to be endowed with this world's goods to help some one who is in distress. Many a poor wail is cheered by a bunch of flowers given them. The best way to become happy and popular is to forget the kindness you render unto others, and remember the many kind acts shown you.

"Josephine," of Double Springs

## Use a Good FERTILIZER with a Lime Base

In making our 8-2 1-2-1 which runs 8.63—2.96—1.26, the 2.96 of ammonia is made with a lime base. This lime base is valuable in making the potash in the soil available. Authorities think our red lands and our gray lands with clay subsoil have enough potash in them to make at least one good crop without any potash in the fertilizer, but this potash which is locked in the soil must be made available, must have something to "touch it off" and lime does that better than anything else, so this 8-2 1-2-1 of ours, which runs 8.63—2.96—1.26, being built on a lime base will be found invaluable this year in freeing the latent potash in the soil and making it available as plant food, when potash is so scarce and high.

The ammonia in this goods is derived from fish, blood, cotton, seed meal, tankage and sulphate of ammonia and there is nothing better than this used in making fertilizer. When you get this, you get the best fertilizer made.

## Anderson Phosphate and Oil Company

**RIDER AGENTS WANTED**

IN EACH TOWN and district to ride and exhibit a simple Latest Model "Hedgethorn" bicycle furnished by us. Our Rider Agents everywhere are making money fast. Write for full particulars and special offer of one. NO MONEY REQUIRED until you receive and approve your bicycle. We will pay you \$10.00 in the U. S. within 30 days of your purchase. We will also pay you \$10.00 in the U. S. within 30 days of your purchase. We will also pay you \$10.00 in the U. S. within 30 days of your purchase.

**FACTORY PRICES** We furnish the highest grade bicycles it is possible to make at one small profit above actual factory cost. You save \$10 to \$25 middlemen's profits by buying direct from us and have the manufacturer's guarantee behind your bicycle. **GET BUY** a bicycle or a pair of tires from anyone at any price until you receive our catalogue and learn our unheard of factory prices and remarkable special offers.

**YOU WILL BE ASTONISHED** when you receive our beautiful catalogue. It shows you the latest styles and shows our own factory prices. **BI-CYCLE DEALERS**, you can sell our bicycles under your own name at double our prices. Orders filled the day received.

**WE DO NOT REGULARLY HANDLE SECOND-HAND BICYCLES**, but we have a number on hand taken from our Chicago retail stores. These we clean up, repair, and sell at prices ranging from \$5 to \$10. Descriptive bargains lists mailed free.

**COASTER BRAKES** and equipment of all kinds at half the regular retail price.

**1000 Hedgethorn Puncture-Proof \$4.80**

**Self-healing Tires A SAMPLE PAIR TO INTRODUCE, ONLY 4.80**

The regular retail price of these tires is \$10.00 per pair, but to drive you some better tires, we will give you a sample pair for only \$4.80 per pair.

**NO MORE TROUBLE FROM PUNCTURES**

Wells, Tires or tubes that are safe. A hundred thousand pairs sold last year.

**DESCRIPTION:** Made in all sizes. 15 to 32 inch. Very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing air to escape. They weigh no more than an ordinary tire, the puncture resisting qualities being given by a special process of preparing fabric on the tread. The regular price of these tires is \$10.00 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We will ship C. O. D. on approval, but not returnable. We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send FULL CASH WITH ORDER and enclose this advertisement. You run no risk in sending an order as the tires may be returned at our expense if for any reason they are not satisfactory on examination. We are perfectly reliable and money sent to us is safe as a bank. If you have any tire you have used or even as any price. We know that you will be well pleased with our tires. We will give you a trial order at once, being that reasonably low price. **DO NOT** buy any tires until you have seen our trial order at once, being that reasonably low price. **DO NOT** buy any tires until you have seen our trial order at once, being that reasonably low price.

## FURMAN UNIVERSITY

Furman University, Greenville, March 21.—Manager Patton has already placed on sale the season tickets for the coming baseball season. The first game of the year will be played with N. C. Wesley College, March 30, on Furman's home ground, and interest is beginning to manifest itself even at this early date. It can be truthfully said that no team which Furman has put out this year in any branch of athletics has failed to win because the student body refused its support, and the baseball team will receive just the same kind of support whether they win or lose. This is the new Furman spirit and it has come to stay.

## Inter-Society Debate

On last Monday the Adelphean and Philosphian Literary societies met in the annual inter-society debate, and after the unusually large audience was called to order by the presiding officer, B. P. Campbell, of Belton, the program was carried out, including a debate on the query, "Resolved, That the Labor Unions of the United States are Justified in Seeking to Secure the 'closed Shop.'" Affirmative, Adelpheans, H. H. King and W. F. Cox, Jr.; negative, Philosphians, W. B. Jones and Y. L. Drummond.

The judges decided that W. F. Cox, Jr., of Anderson, and an Adelphean, was the winner of the debate's medal and the negative, represented by the Philosphians, won the debate. The usual enthusiasm was displayed by both societies during the whole program and especially after the announcement of the lusciousness of the two sets of judges.

"Modern Babylon"

On last Wednesday Dr. S. B. Cadman, the famous Congregational preacher of New York, spoke in the Chieora auditorium under the auspices of the Greenville Lyceum Association. For an hour and a half the audience sat in wonder before the wealth of vocabulary, the depth of thought and the fervent eloquence of the great divine as he spoke on "Modern Babylon." It is hoped that this will by means be his last visit to Greenville.

## CARD OF THANKS

Wish to thank our many friends for their kindness and sympathy during the sickness and death, and the beautiful flowers presented at the funeral of our dear wife and mother. May the blessings of Him who said, "In as much as ye have done it to one of the least of these—ye have done it to me, be upon each of them.

Handy Harris and children.
