JANUARY
17th
to
31st

We must move our entire stocks to a new location. Our new salesrooms on South Main Street, just east of the Easley Hotel, will be completed in a few short weeks. We have too many goods on hand at our present location, in the Pickens-Ellison building, to make our moving day a happy one. To promote prosperity in the homes of our good friends and customers, and to make our moving day a little less trying, we are going to cut our regular prices from **20 to 40 Per Cent** and actually present our friends and customers with gifts that bear full value for every member of their families. Our stocks are new, fresh and clean and we would hesitate under any other circumstances to make this great reduction in prices. Our changes in location opens the door of opportunity for great savings to all who are in need of any of the following goods:

Dry and Dress Goods, Shoes, Hats, Caps, Men's and Women's Ready-to-Wear, Underwear, Notions, Furniture, Stoves, Rugs, Trunks, Suit Cases, Curtains, Art Squares, Organs, and other goods for home use.
