Mr. W. L. Davis, Jr., now of Oklahoma City, Okla., where he is doing a prosperous drug business, was here today. Mr. Davis went from here to Central, his boyhood home, where he will spend several days with old friends. His father, W. L. Davis, Sr., did a mercantile business at Central for years. Young Mr. Davis went to Atlanta when 16 years old, working in a drug store there for 3 or 4 years. He has been in Oklahoma now 10 years, is a graduate in pharmacy and is doing a nice business. Mr. Davis is a Shriner, and it was the big Atlanta meeting that caused him to come back to his old home.—Seneca Farm and Factory.

In Memory of Little Louise Mann

On the evening of April 4 the spirit of little Louise Mann went from this earth to live with Jesus. Being only about four years old, she was just a little flower, a perfect cherub on earth. Perhaps some person would thoughtlessly say "only a child." Yes, but how dear to the parents' hearts, and how cruel it seemed that she must be taken from them. Not understanding the deep mysteries of God and life, and when summoned before the great tribunal of God will our spirit be as pure as that of this dear little girl?

To the heartbroken parents we would say, be glad that God loaned you this little life as long as He did. May it here inspire you as you go down the journey of life. Think not of her as dead, but as standing on the other side of death's river beckoning you to come. "A beautiful home He has gone to prepare. For all that are washed and forgiven. And many dear children are gathering there. For such is the kingdom of heaven." M.

Most Prompt and Effectual Cure for Bad Colds. Chamberlain's Cough Remedy meets all these requirements. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and restores the system to a healthy condition. This remedy has a world wide sale and use, and can always be depended upon. Sold by all dealers.—Adv.

Many Are Glad Over Liver Tone

Former Sufferers From Constipation Now Improved Without Taking Unpleasant Calomel. Many, many thousands of people who formerly suffered from constipation are delighted with the relief brought them by taking Dodson's Liver Tone instead of disagreeable and often dangerous calomel. Calomel is a poison, a form of mercury, dangerous to many people and causing unpleasant after-effects for nearly everyone who tries it. Dodson's Liver Tone is recommended as a perfectly safe and reliable remedy to take the place of calomel. This is exactly what it is made for and has been made for ever since the first bottle was put up and sold. It is widely imitated. So be careful to get the original. Dodson's Liver Tone is sold and guaranteed by Pickens Drug Co., who will refund purchase price (50c.) instantly with a smile if you are in any way dissatisfied.

Rheumatism Quickly Cured

"My sister's husband had an attack of rheumatism in his arm," writes a well known resident of Newton, Iowa. "I gave him a bottle of Chamberlain's Liniment which he applied to his arm and on the next morning the rheumatism was gone." For chronic muscular rheumatism you will find nothing better than Chamberlain's Liniment. Sold by all dealers.—Adv.

Capt. "Billy" Smith Dead

William G. Smith died in Anderson last Wednesday, May 20, age 75 years. For many years he was a conductor on the C. & G. division of the Southern railway, and was known all over the state as "Captain Billy Smith." He was a conductor for fifty-four years and was probably the best known and most liked conductor in the United States. He had been retired with full pay for several years. He was conductor on the Columbia and Greenville railroad all during the war and handled between forty and fifty thousand of the soldiers of Lee and Johnson's armies and was one of the three men to guard the entire residue of the Confederate treasury of Alston, S. C., when President Davis was making his way westward after the evacuation of Richmond.

Health A Factor In Success

The largest factor contributed to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers.—Adv.

Feeble Old People

Are Told How to Regain Strength and Vigor.

As one grows old the waste of the system becomes more rapid than repair, the organs act more slowly and less effectively than in youth, the circulation is poor, the blood thin and digestion weak.

Vinol, our delicious cod liver and iron tonic without oil is the ideal strengthener and body-builder for old folks, for it contains the very elements needed to rebuild wasting tissues and replace weakness with strength. Vinol also fortifies the system against colds and thus prevents pneumonia.

Mrs. Mary Irey, of Columbus, Ga., says: "If people only knew the good Vinol does old people, I am sure you would be unable to supply the demand. I never took anything before that did me so much good as Vinol. It is the finest tonic and strength creator I ever used in my life." If Vinol fails to build up the feeble, old people, and create strength we will return your money.
