rise in the price of cotton the mail order houses of the north have flooded this section of the country with catalogs and price lists of every description. The only way the merchants of the South can counteract this is to use plenty of newspaper advertising space.

PICKENS

The Cash Market

Many thousands of ties will be sold here this fall and winter. Your thrifty neighbor will no doubt market several hundred. Do you realize that FIRST CLASS TIES bring FORTY DOLLARS per hundred and that it cost only TEN to TWELVE Dollars to have them cut. The wise farmer will save the money he has received for this year's crop and make cross ties pay his expenses until he markets another. FIRST CLASS TIES 40 CENTS SECOND 25

But It Must Have A Punch!

By MOSS.

Some advertising is fancy, some clever, some strong and convincing.

The last usually makes the most sales, and sales count.

Wise merchants advertise to the point. They tell all that is necessary to tell, and they tell it with a punch.

When it is best to list the details they do so. When it is best to use pith they do so. But a punch is needed always.

Look through this paper right now critically and carefully, and size up the ads.

Do It Now

If you have a little floweret
You would place on someone's brow.
Do not wait until tomorrow—
Do it now.

If a little bit of sunshine
In your heart you would allow,
Do not wait until too late—but
Do it now.

Glowing words upon a tombstone
Do but little good, I trow.
If you'd show a little kindness—
Do it now. —Exchange.

Afternoon Singing

There will be an afternoon singing at Golden Creek Baptist church next Sunday, Oct. 30, from 2 to 5 o'clock. All good singers are requested to be present. U. D. NATIONS, Clerk.

Box Supper

Everybody is cordially invited to a box supper to be given at Dacusville schoolhouse Friday night, October 29. We want all the ladies to bring boxes, as we know the boys are coming to buy them. For the benefit of the Dacusville school. PROF. T. F. LUPO.

Bringing It Home

Smith and Jones stood gassing on the street corner. A young lady passed by and Smith made a pert remark and both men laughed uproariously. A few minutes later another lady tripped along and Jones let loose a few verbal shots. And then the fight commenced, for the second lady was Smith's sister. Moral: Think more and talk less.—Exchange.

BETTER TIMES!

The reason we say better times is because it IS better times and we know it. Why do we know it? Because the people of Pickens county are buying more goods and better goods; because the people are paying more cash for their goods and are cutting out the word "Time-prices" that hurts everybody; because people are paying amounts in full; because those who could not pay bills in 1914 on account of low price of cotton are now making prompt settlements of same in full; because the Pickens Hardware and Grocery Company is now in better shape to serve the people that we have ever been before.

Farm Implements

We are now full to the brim with the best Farm Implements that money can buy, such as the Walter A. Wood Flexible Disc Harrow. Be sure and see this harrow before you buy. Any owner will gladly recommend it to you. See the Wood 50-tooth Drag Harrow we are offer-

ing for \$12.50. It has no equal. Most of the farmers know they save money by buying the Perfection Iron Beam Plow Stock and Turner, getting two in one. Remember the William J. Oliver Turn Plow with a guaranteed standard. When you break one of them we replace it free of charge.

Ranges and Stoves

Be sure and see the Allen's Princess Range before you buy. There is no better and we can save you from \$10 to \$20 on a range. With each cash purchase of an Allen's Princess Range we are going to give one pure Aluminum Roaster free. These roasters retail at \$3 each. Our stoves

are as good as money can buy for \$10 to \$28. Get your room fitted up with an up-to-date heater or grate. We have a big supply on hand and at prices that you can't turn down. Our line of Shelf Hardware is complete and we can fill almost any order in this line. See our line of Rubber Roofing. A big lot on hand at a low price.

Try a sack of Oxford's Best Flour, a Diamond C Ham, small box Pigmies, Breakfast Bacon in glass jars, also Breakfast Bacon in strip, sliced to suit you; Boiled Ham on ice, Meadow Grove Cheese; everybody knows it is the best; try it. We have a big demand for country produce, such as chickens, eggs, hams, Irish potatoes, corn, oats, peas, cane seed; in fact, most anything you raise on the farm, and we pay highest market price for it.
