Sometimes even being an editor is not so bad—if you have good neighbors. Mrs. J. L. O. Thompson last Friday presented us with our first mess of new beans, Irish potatoes and beets of the season, and to say we greatly enjoyed these delicacies is only expressing it mildly. Mrs. Thompson has our hearty thanks.

Claude Hester, an employe of the Pickens railroad, was badly hurt at Easley last Friday while unloading a freight car. He was trucking freight from one car to another, and just as he was about to leave the car with his truck the skids fell. As he went down his back struck the floor of the car, severely injuring him. For about twelve hours he was paralyzed from the waist down, but is now much better. His many friends will be glad to learn that his injuries are not as bad as was first thought, altho he is still confined to his bed.
