

"Red Ink" Numbers Posted at the C. H.

E. P. McCravy, chairman; O. S. Stewart and Dr. J. L. Valley, of the exemption board of Pickens county, announce officially that a list of the serial "red ink" numbers of all men registered for army service in this county is posted in the Pickens courthouse, headquarters for the board. The list is public and posted where all may see.

The drawing of numbers, which will determine who will be called upon to serve in the army, will take place in Washington in a few days.

Persons who may be drawn and wish to claim exemption will have to file three affidavits to support their claims before exemption boards can act on their claims.

A private office will be fitted up in the court house by the exemption board where those drawn will undergo physical examination.

The names will be drawn by numbers and those who registered may find out their numbers from the list posted at the court house. As soon as possible after the drawing takes place The Sentinel will publish a list of those conscripted in Pickens county.

According to information from Columbia, Pickens county will be called upon to furnish 182 men for the conscript army. The original quota for this county was 254, but 71 have already volunteered and this leaves 182 yet to go from this county.

Oil Mill Under New Management

The Pickens Oil Mill Co has been recently reorganized and the name changed to the Pickens Oil and Fertilizer Co., with T. L. Bivens, president and manager, and J. Hagood Bruce, secretary. J. T. Hutchings will be superintendent. The new company expects to do a bigger business than ever and is now building a new gin house. Newly patented gins will be installed and better service than ever before offered the public. The new gins are capable of ginning wet cotton the same as dry and will be in operation by September 1. Later on the company will put in a fertilizer mixing plant.

Dr. and Mrs. Woodruff spent a day last week with her parents in Pickens.

Oolenoy News Notes

Oolenoy, July 16.—R. E. Bruce and H. E. Seaborn of Pickens, A. L. Edens and Wade Chastain spent Sunday at Table Rock.

Mrs. S. F. Keith of Greenville is spending the week with relatives here.

Mr. and Mrs. S. B. Edens spent Sunday with the latter's brother, W. E. Jones, of Salem.

Miss Lois Crenshaw has returned home after several weeks' stay with her sister, Mrs. D. F. Smith of Liberty.

Prue Hendricks, Ellerby Jones and W. E. Edens, Jr., went to Townville last Sunday.

Mrs. Thomas I. Keith was the recent spend-the-day guest of her mother, Mrs. L. M. Rigdon.

The Oolenoy graded school began its summer term of work this morning. The corps of teachers are: Prof. C. L. Wroughton of Rock Hill, Miss Olive Williams of Greenville and Miss Julia Gay of Troy. All come highly recommended and a successful year's work is looked forward to.

Mr. and Mrs. W. L. Batson of Marietta were recent visitors at the home of her parents, Hon. and Mrs. M. Hendrix.

Mrs. Ray Lynch is spending some time with her parents in the Mountain Grove section.

Mr. and Mrs. George E. Boddiford of near Savannah, Ga., are spending the week with the latter's parents, Mr. and Mrs. L. M. Rigdon. Mr. Boddiford is well known in all this up-section, having taught for several years here and at other places in the county. As an educator his rank was among the best. Indeed, Pickens county would still be indebted to him but for the fact that she furnished to him one of her choice daughters, Miss Laura Rigdon, a former pupil of his, as a wife. She won a scholarship to Winthrop College, where she graduated with honors in the class of 1912.

The Pickens township singing convention will meet with Griffin Baptist church next Sunday at 2 o'clock p. m. Everybody that likes to hear good singing is invited to come and bring song books. And especially all leaders are urged to be present. Visiting leaders have a most cordial invitation.

Capt. R. A. Fisher Meets Tragic Death

A sad and shocking accident happened on the Pickens railroad near the Alice Cotton Mill last Friday and resulted in the death of Capt. R. A. Fisher, who had been section foreman for the road for the past seventeen years. Mr. Fisher with several others were riding on a small gasoline motor car when a large jack lever fell from the car in front and upset it, throwing him off and overturning the car on him. No one else was hurt. The injured man was rushed to Easley, where all possible medical attention was given him and the Greenville hospital ambulance was phoned for to come and take him to the hospital. He was placed in the ambulance but died on the way to Greenville between two and three o'clock. He had been injured on the head and back and probably internally. The accident occurred about 10.50 o'clock.

Mr. Fisher was born at Abbeville, July 5, 1863, and came to Pickens seventeen years ago to take the place as section foreman of the Pickens railroad. He was a quiet and modest man who attended strictly to his own affairs and it is doubtful if he had an enemy in the world. Many are the hearts that are sad because of his tragic death. He was never married, but is survived by his aged mother, Mrs. Sarah Fisher, of Pickens, two sisters, Mrs. D. B. Finney of Pickens, and Mrs. J. E. Tolhison of Laurens, and two brothers, W. B. and T. F. Fisher of Anderson.

The funeral service was held in the Pickens Methodist church and conducted by Rev. E. T. Hodges. Mr. Fisher was a member of the Woodmen of the World and he was buried in the Pickens cemetery with the honors of that order. The pall bearers were Messrs. C. L. Cureton, H. A. Nealy, F. G. Allgood, F. R. Moon, W. G. Hendricks, J. A. Pickle.

A dispatch from Columbia says the railroad commission has ordered a meeting to be held at Pickens on August 9 upon a petition for the establishment of telegraph and express service here. If our people really want this service they should be prepared for this meeting and ready to furnish any information they may be called upon for. Get busy and let's have that express office, anyway.

A. L. Pace Died at Easley Last Sunday

A. L. Pace, one of the county's oldest and best known citizens, died at his home in Easley Sunday afternoon after a lingering illness of dropsy. He was 72 years old and a Confederate veteran. He was born in Greenville county, but lived the greater part of his life in Pickens county and was married 47 years ago to Miss Mary Susan Roper. Fifteen children came to bless this union and all are living and married. Mr. Pace was the last of four brothers, all of whom died within the past year. Just before death claimed him he said he was prepared and ready to go.

Funeral services were conducted Monday afternoon by Rev. T. E. Durham at Enoh church and burial took place in the cemetery there. Light of Mr. Pace's son's acted as pallbearers.

The deceased is survived by his wife and fifteen children as follows: A. A. Pace of Hagood's mill, W. E., A. J. and Walter Pace, Mrs. J. H. Porter and Mrs. H. H. King of Easley, Mrs. Olin Mullinax, Mrs. A. C. Dodgens and A. B. Pace of Hodges, L. C. and Homer Pace of Great Falls, Lucien Pace of Greenwood, Mrs. Will Rutledge of Pelzer, D. F. Pace and Mrs. Darcus Jones of Greenville.

During the recent sickness and death of Mrs. Hanna, mother of Tom and Bob Hanna, the boys got behind with their crop and also lost a fine mule, and things looked pretty bad. But they lived near Mile Creek church, a section of good people, and early one morning sixty-three good neighbors gathered and worked out the crop of the Hannas in good shape. Since that time several have given money to help replace the mule. Any one who wants to help in this may see A. M. Morris at Pickens. The help and kindness of the people is greatly appreciated.

The news that Lieut. Col. Frank G. Mauldin of the U. S. Army has been promoted to Colonel will be received with much interest in Pickens county, where he was born and raised and where he has many relatives and friends. He is now in command of Fort Slocum, New York.

Miss Lorena Taylor visited Mrs. A. B. Taylor in Easley last week.

Treasurer's Books Rechecked

John S. O'Brien, of the Comptroller-General's office, was in Pickens last week checking up the county treasurer's books and getting things in shape for the new treasurer to take charge of the office. This checking up resulted about the same as that made by Mr. Bradley some time ago and found a shortage in the office of something over \$4,400, but the ex-treasurer has made payments which reduce the shortage to \$3,380.42. The auditor's books were also checked up and found correct. The bondsmen of the ex-treasurer have not yet settled with the county.

Mrs. J. D. M. Keith Dead

Mrs. J. D. M. Keith, one of Oolenoy's most estimable ladies, died Monday night, after a long illness. Burial took place at Oolenoy church Tuesday afternoon. The Sentinel will print a fuller account next week.

A Mixed Up Affair

Dear Mr. Editor: If you publish this letter you head it "A Mixed Up Affair." I notice an article in your paper that has been running for some time headed "Go to Church." All right; that's good. Now I have a few questions to ask concerning going to church.

1. What church does the writer want me to go to? Is it the Baptist, Methodist, Wesleyan Methodist, Presbyterian, Seventh Day Adventist, or the Roman Catholic church that our editor announced the dedication of some few weeks ago at Wallhalla?

2. Then what must I go for? To hear the preacher preach raise more food-stuffs, buy liberty bonds, prepare to go to France to kill a German or give money to send the gospel to China where the people are dying and going to hell in ignorance?

Now, come on with your rat-killing. These questions are fair and honest. Now, someone answer them. To give you a little idea of what I am striking at I will give you a little scripture: Matthew 23:14 and 24: Woe unto you scribes and pharisees, hypocrites, for ye devour widows' houses and for a pretense make long prayers; therefore, ye shall receive the greater damnation. 21. Ye blind guides which strain at a gnat and swallow a camel.

A Three Day Whirlwind of Things Worth While

You Will Get Up Early and Go to Bed Late, but You Will Have Had a Grand, Good Time and Will Never Forget It

Four Things Will Be Given Tremendous Emphasis:

1. COMMUNITY CO-OPERATION
2. BETTER SCHOOLS
3. INCREASED FARM PRODUCTION
4. GOOD CITIZENSHIP

1. COMMUNITY CO-OPERATION

Get together and pull together. A BOOSTERS' CLUB of live, determined business men, who will lay aside petty self-interest, and work together for the general good, will put this town on the map, and it will stay there. Pull together to make our town more attractive. Pull together and bring our boys and girls to realize that in the development of our national resources, in promoting more scientific farming, in making better schools, in building better roads, in developing manufacturing enterprises, in bringing in up-to-date methods of merchandising, and in countless other ways of community-building, there are opportunities right in the "old home town" for a career of usefulness such as can not be found elsewhere.

2. BETTER SCHOOLS

Ignorance tends to poverty and poverty tends to crime. The majority of the law-breakers and criminals in our county jail are illiterate. Education prevents crime. It costs less to give a boy a good education and start him on a useful career than it would cost later on to give him a trial and execute him for committing a crime; and the result is more satisfactory. We want our town to have as good schools as can be found in the State.

BE A BOOSTER

It Isn't Your Town—
It's YOU

If you want to live in the kind of a town
Like the kind of a town you like,
You needn't slip your clothes in a grip
And start on a long, long hike.

You'll only find what you left behind,
For there's nothing that's really new,
It's a knock at yourself when you
knock your town,
It isn't your town—it's YOU.

Real towns are not made by men
afraid
Lest somebody else gets ahead.
When everyone works and nobody
shirks,
You can raise a town from the dead.

And if, while you make your personal
stake
Your neighbor can make one too,
Your town will be what you want to
see,
It isn't your town—it's YOU!

3. INCREASED FARM PRODUCTION

The empty Market Baskets of the World are coming to America. Can we fill them? Bring the farmers into closer touch with the State and the United States Department of Agriculture for the purpose of obtaining expert, practical advice on farm problems, such as Fertilization, Rotation of Crops, Intensive Cultivation, Farm Labor, Farm Management, Marketing, Etc.

4. GOOD CITIZENSHIP

If you respond to the needs of your town with what your town needs from YOU, then no matter what your vocation may be, you are, indeed, a good citizen. When a dozen such citizens get together they can resurrect a town from the dead and make it an ideal town to live in. Environment creates tendencies. What is the environment of the boys and girls of our town? Ideals and Amusements affect Character. Impure water, foul closets, filthy back yards, merchandise unprotected from flies, affect Health. We don't want any more Typhoid Fever, Malaria, Diphtheria, in our town. Paint and lime are two of the greatest disinfectants ever discovered. Let us paint up our residences and stores, and whitewash trees, fences and outhouses. It will make a healthier and prettier town.
