Our Offer.

In order to encourage the experiment of tobacco planting in the county...

If a sufficient number of acres be planted in tobacco to warrant the building of a curing barn...

Twelve members paying three dollars each with our subscription will be sufficient to pay for the barn...

We have heard nothing recently from the cotton-reduction committee. Our recollection is that the meeting was to be held some time since...

IMMIGRATION is beginning to look Southward. The tide of human beings has struck the Sierras and is now being rolled back and will have to turn Southward...

W. R. ELLIOTT and J. M. Stewart will each give tobacco a trial this year. W. H. Macfie has already procured the services of an expert in tobacco curing...

While we are discussing new crops why not try ribbon cane? Jno. Gibson succeeded in making some very fine syrup last year from this cane in the Flint Hill section...

An intelligent farmer suggests that the Greenbrier section is very much the same as that which makes the finest wrappers raised in Darlington county. Can't a club be organized there and experiment with the weed?

There are some progressive young farmers at Jenkinsville who we invite to meet at Charley Chappell's on Saturday evening and organize a prize club.

Our friend Wellington we feel sure will have no objection to our inviting the farmers of Feasterville to his store...

next Saturday evening to form a prize club.

We have the seed for the Albion Prize Club and when the barn is started our check for five dollars shall be on hand.

Mitford should have a prize club, and we call a meeting of the farmers for Saturday evening next at the post-office to organize one.

The Longtown Prize Club we feel sure will try tobacco. Send for your seed, Mr. President, and when you start your barn our V shall go forward.

SHOULD the recent peace conference fail to accomplish the purpose for which it was held the discussion of its action has developed that confidence in the sincerity and motives of the leaders is at a very low ebb.

It is not our purpose to discuss or criticize past election methods except as a matter of experience in shaping new election laws—they were adopted under unique conditions and served the purpose for which they were established...

For Over Fifty Years. Mrs. Winslow's SOOTHING SYRUP has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poorest of the poor.

When Baby was sick, we gave her Castoria. When she was a Child, she cried for Castoria. When she became a Woman, she clung to Castoria. When she had Children, she gave them Castoria.

CASTORIA for Infants and Children.

MOTHERS, Do You Know that Peppermint, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of Dr. H. Pitcher is on every wrapper.

One of His Experiences. For thirty-eight years Capt. Lond followed me, most of that time as master of a vessel, and upon retiring from the water was advised by the Secretary of the United States Treasury to superintend the seal fisheries in Alaska, which position he held five years. He writes one experience as follows: "For several years I had been troubled with neuralgic nervousness and pain in the region of my heart. My greatest affliction was sleeplessness. It was almost impossible at any time to obtain rest and sleep. Having seen Dr. Miles' Restorative Nervine and New Heart Cure I had been treated by eminent physicians in New York and San Francisco without benefit. I owe my present good health to the judicious use of these most valuable remedies, and heartily recommend them to all afflicted as I was."—Capt. A. P. Lond, Hampton, Nc.
