 filature to furnlah it in unllmited
The Adverriser has a faint man, who if not taken too seriously
is patriotic to the core, realized that the cracking of a joke wa
needed when he introduced a
woman's rights bill in the Senate last December. to hint that he regardod not mean funy but it is possible that he an-
ticipated a hilarious reception for it ont the part of his fellow sena-
tors. At any rate it tors. At any rate, it was a capital
Joke no matter with what pathetic earnestness of purpose it may have
been aimed and that most of the Solons had succeeded in working
thomselves into such a ferment that they could not appreclate a
meritorious jest is to be regretted. We should be pleased to se
General Hemphill introduce a like moasure again as soou as the session
begins. We should hail with joy anything that would offer the leg.
islature an excuse to unlimber be silly on ground that isn't dangerous. Of course the success of a
woman's suffrage movement would
not involvo disas sideration might prevent acts which
more
ever. Resides, we should be delighted
to see the ladies Ittical subjects. We desire to have
them arm the into the ranks of war. The strug.
gles for the past four years have ceen more than the sterner sex
about departed. Timernness has
abser shen the piercing shriek of the calamity man to his feet, when the war cry whiskey dealer to action and the
growl of protection barons made the democrat gird up his loins, but
that time is gone. Men, of all factions are exhausted, whipped, sick
and tired. Something must be pression ansue. The pelitical desituation is in the hands of the
Senator from Abbeville. He should
mate Ladies, the cudgels are you The volumbio "Tillman and his career," which
