

HEALTH is the Most Important

In buying food-products, several things are to be thought of—i. e., Economy, Results, Easy Handling, Reliability, but the most important is Health.

Health means everything. In buying clothes, shoes, hats, furniture, etc., if the buyer is deceived and gets an imitation the only harm is loss of money. In buying food-products, if imitations are supplied, there is not only a loss of money, but perhaps an injury to health—which is beyond price.

Remember these facts when buying baking powder.

A PROGRESSIVE COMMUNITY.

Notable Example of What Can be Done by Enterprising Farmers.

In a little trip out to Austin, Tumbling Shoals and Princeton last week an ADVERTISER representative was much impressed with the general progress to be noted throughout that section, the Western portion of the county. First of all this section is for the most part thickly populated by progressive white farmers. In a number of instances large landed estates have been cut up into small farms and these have been bought and settled by young farmers, home builders, who do their own work, raise practically all they use and are from year to year improving their lands and making their home more attractive and inviting. Take the Hickory Tavern neighborhood as an example of what is being done. Ten years ago the land for miles around was owned by a few. Almost a complete change has taken place in this time. Within a radius of two miles of the old Tavern there are to-day no less than twenty new farms on which there are comfortable, modern dwellings and other improvements. Comparatively few negroes are employed. They have good stock and not a few are giving attention to cattle and hogs with marked success. Among some of these citizens are the Ropers, Chapman's, Nichols, Chanoy's, Hollams, Tumbins, Grays, Linloys, Wassons, Knights, Pitts, Johnsons, Crawfords, Nashes and Abernethys. Most of these families are situated on the Alma R. F. D. route and of course they are greatly pleased with the service. Good schools are run from four to eight months with capable teachers in charge. In short, there are on all sides evidences of thrift and progress. Home builders are community and country builders. They can solve the negro labor question, the lion question and many other things that are a menace to the well being of thousands of citizens in the various sections of the County and State today. The Tavern section is 11 miles from the railroad, Tumbling Shoals 13 and Princeton 9. The roads and bridges are in first-class condition and hence a trip to town in a carriage or wagon is not near such a hardship as it was a decade ago. For an object lesson in enterprise and prosperity, what can be done by intelligent Laurens county farmers and citizens as home builders a visit to the above indicated communities will be of interest.

Hon. D. Wyatt Aiken.
Hon. D. Wyatt Aiken, congressman from the 3rd district delivered his maiden speech in Congress recently in support of his bill to increase the salaries of rural mail carriers. The speech was clear and forcible and was interrupted by frequent applause. Mr. Aiken is a son of the Hon. D. Wyatt Aiken, who represented the 3rd district for several terms in Congress, and is a cousin of Dr. H. K. Aiken of this city. Those of us who have the pleasure of his acquaintance remember him as a delightful gentleman of decided ability and are not surprised that his first effort in congress should have merited such notice.

Mr. William Bryson Dead.
Mr. William Bryson died at Watts Mills where he was living with his family, on Thursday morning. Mr. Bryson was a member of the Bryson family of Cross Hill, and has a brother, Mr. Robert Bryson, living there. He leaves a widow, who was Miss Cunningham of Maddars and several children. The burial took place at New Prospect on Friday morning.

Mrs. Reuban Ball, after a five months' visit to her father's family and other relatives at Gray Court has returned to Meeker, Colorado, her home.
There was quite a good crowd in town Saturday. Reports from every section indicate that the farmers have been getting in splendid work and that they are well up with the season.
The present session of the Green Pond School in Dial Township closed Friday. The teachers of this flourishing school are Mr. Charley Owings of Gray Court and Miss Ida Taylor of Dials.
Mr. Ben Webb's many Laurens friends will be glad to know that he is thought to be better of his long and serious illness. Mr. Webb has been confined to his home for months with grippe and serious complications resulting from it.
Cross Hill Men at College.
Dr. W. P. Turner Jr., and Mr. W. B. Noffz of Cross Hill were in the city Friday. Dr. Turner has just received his diploma from the Medical College of Augusta, Ga., and Mr. Noffz has completed his third year at the same institution. Both these young gentlemen are bright fellows and will do well in their profession.
CATARRH.
Which usually commences with cold in head, Hay Fever, rapidly infects the mucous membrane of the throat, and leads to graver complications, unless promptly attended to. We recommend King's Saraparilla internally to purify the blood, and direct treatment with Dr. King's Catarrh Remedy (a doche comes with each bottle). It gains a foothold from which it is hard to dislodge. With treatment of these two medicines any ordinary case will yield quickly. In very worst cases will be greatly relieved. The price \$1.00; three for \$2.50, and guaranteed. Sold by Palmetto Drug Co., Laurens, S. C.

A CASE OF IT. The following case is but one of many similar occurring daily in Laurens. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.
G. W. Wallace, general broker of 117 Laurens St., residing on Garlington St., extended, says: Doan's Kidney Pills benefited me more greatly than any other remedy I ever used. I suffered from backache for months at a time, so severe at times as to strike me right across the small of my back once in a while that would make me almost yell right out. The kidney secretions were very dark in color, full of sediment and very annoying from their too frequent actions, particularly at night. I tried a number of remedies but without relief until I went to the Palmetto Drug Co's store and got a box of Doan's Kidney Pills. On taking them I experienced a change for the better almost immediately. The backache soon left me, the kidneys became normal and regular so I could go to bed and sleep all night and arise in the morning feeling rested and refreshed.
For sale by all dealers. Price 50cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

BROKE INTO HIS HOUSE. S. LeQuinn of Cavendish, Va., was robbed of his customary health by invasion of Chronic Constipation. When Dr. King's New Life Pills broke into his house, his trouble was arrested and now he's entirely cured. They're guaranteed to cure. 25 cents at Laurens Drug Co. and Palmetto Drug Co.

Another Miraculous Cure of Poisoned Blood

A True Account of the Case of a Birmingham, Ala., Woman Whose Name Must be Withheld for Obvious Reasons.

A letter was received at our office some time ago from a woman living in Birmingham, Ala., stating that she had heard of some wonderful cures of specific blood poisoning by Foerg's Remedy. She stated she had tried everything, including Hot Springs, without effect, and that she was so discouraged that she had purchased a revolver and decided to end the matter when she heard of Foerg's Remedy, and decided to delay the desperate act she contemplated till she had given this remedy a trial. Her letters after that were bubbling over with gratitude, and her last letter, which told of a complete and absolute cure, stated that the discoverer of Foerg's Remedy would be crowned with a wreath in the great hereafter for saving the life of a fallen soul. This is only one of many such cases. Don't be discouraged if you are afflicted, for we offer you an absolute cure, no matter how desperate your case. If the taint in your blood has manifested itself in any of these following forms don't delay, but act at once, for you can never tell when the terrible poison in your blood will break out in worse form. Tainted blood manifests itself in the form of Scrofula, Eczema, Rheumatic Pains, Stiff or Swollen Joints, Eruptions or Copper-colored Spots on the Face or Body, Little Ulcers in the Mouth or on the Tongue, Sore Throat, Swollen Testicles, Falling out of the Hair or Eyebrows, and finally a Leprosy-like Decay of the Flesh and Bones. If you have any one of these symptoms don't delay until too late, but go to your druggist and get a bottle of

A Wonderful Saving.
The largest Methodist Church in Georgia calculated to use one hundred hundred gallons of the usual kind of mixed paint in painting their church. They used only 82 gallons of the Longman & Martinez Paint mixed with 24 gallons of linseed oil. Actual cost of paint made was less than \$1.20 per gallon.

Saved over eighty (\$80.00) dollars in paint, and got a big donation besides. EVERY CHURCH will be given a liberal quantity whenever they paint.

Many houses are well painted with four gallons of L. & M. and three gallons of linseed oil mixed therewith. Wears and covers like gold. Those celebrated paints are sold by W. L. Boyd, Laurens, S. C.

Physician's Endorsement.
It is the lightest water on the market. We realize that this is claiming a great deal, and we could not afford to make this assertion unless we knew that we could prove it to be true. But it does not take an expert to test the softness of a Mineral Water. When carbonating a mineral water, if it is a hard water the gases will not be absorbed in the water, and when the bottle is opened, the gases escape, and the water is left flat and hard, while if it is a soft water, like White Stone Lithia, it will retain its gases for hours after being unstopped.

Read what some prominent persons you know have to say of the merits of the White Stone Lithia Water:

Chester, S. C., April 23, 1903.
J. T. Harris, Esq.,
White Stone Spring, S. C.

Dear Sir—I do unhesitatingly state that the efficacy of White Stone Lithia Water, not from its splendid analytical analysis, but from my own personal observation, is a very valuable agent in eliminating the impurities of the blood through its marked diuretic effects, and in so doing restores the secretory and excretory organs of the body to their normal physiological state. So in this proves its properties to be of great value in assisting digestion, assimilation and increasing the appetite. Therefore we can recognize it as a mineral water of powerful tonic properties and should be highly recommended in stomach and liver disorders, blood disturbances, rheumatism, gout, diabetes, Bright's disease, and in all inactive conditions of the kidneys and convalescent diseases.

I feel myself, that I am justly due an acknowledgment of the happy effects I derived from its use.

B. ELMORE KELL, M. D.

Mullins, S. C., April 23, 1903.
Mr. J. T. Harris,
White Stone Springs, S. C.

It is with pleasure that I write of the merits of White Stone Lithia Water. I have several patients using it now with marked benefit in kidney and stomach troubles. I have known a uric acid

calculus to pass after using the water for only three days.

Respectfully Yours,
A. M. Brailsford, Jr., M. D.

Macon, Ga., April 15, 1903.
I have prescribed White Stone Lithia Water freely in my practice and I am glad to report the happy effects it gave as a diuretic and uric acid solvent. I think its medicinal properties are particularly adaptable to uric acid, diabetes, rheumatism, gout, anuria and all bladder and kidney diseases and liver and stomach troubles. I consider it a mineral water of marvelous tonic properties.

Read what Dr. L. J. Blake, President Board of Health of the City of Spartanburg, has to say of the merits of White Stone Lithia Springs:

Spartanburg, May 11th, 1903.
J. T. Harris, Proprietor, White Stone Springs, Spartanburg Co., S. C.

My Dear Sir—I have used and prescribed the White Stone Lithia water a great deal during the past two years. In all cases requiring renal stimulation I have obtained uniformly good results. In lithaemia and kindred affections from uric acid diathesis it meets the indications, and I am sure its free use will prove it the equal of any water on the market.

Yours very truly,
L. J. Blake, M. D.
