

CAMPAIGN FOR THE G. F. C. AND FURMAN.

Educational Rallies to be Held in Behalf of the Baptist Institute of Greenville.

At a meeting of the executive committee of the Laurens County Baptist association held at the First Baptist church of this city plans were considered for an educational campaign in behalf of Furman university and the Greenville Female college. This committee is composed of Rev. E. C. Watson, Rev. J. A. Martin and Messrs. C. B. Bobo, W. P. Culbertson and W. H. Drummond. Others who met with the committee were Rev. W. E. Thayer, Rev. C. W. Salter and Messrs. Conway Dial and F. L. Bramlett.

It was decided at this meeting to group the churches of the county into six divisions and to hold an educational rally in each division at some time during the first two weeks in September. A sub-committee, composed of Messrs. Culbertson, Thayer, Watson and Bobo, was appointed to arrange dates and programs for these meetings. Later this committee held a meeting in Mr. J. A. Clardy's office and appointed dates, places and speakers. They will at once communicate with the speakers and secure the appointments.

Following is the report of the sub-committee to arrange dates and programs:

The executive committee of Laurens Baptist Association, at a meeting held at Laurens July 31st, 1908, decided that in view of the special effort now being made for the better equipment and permanent endowment of Furman university and Greenville Female college, a campaign of information in regard to these institutions especially and Christian education generally, should be conducted in this association during the first two weeks in September. For this purpose it was deemed proper to group the several churches of the Association into six divisions and hold an educational rally at some point in each group. A committee composed of W. P. Culbertson, E. C. Watson, W. E. Thayer and C. B. Bobo was appointed to arrange dates, places and programs for these meetings. Our Baptist people of the churches in each group are urged to meet in mass, or at least by large representation at the appointed places in their respective groups. No collection will be expected or asked for. These meetings are purely educational rallies in the interest of Christian education, with the special purpose of disseminating information to our Baptist colleges. Therefore, we urge upon our people the importance of attending these meetings for their own benefit as well as the inspiration and influence they may contribute to the cause of Christian development. Pastors and other leaders are expected to make special efforts in securing large attendances and otherwise rendering these rallies successful. Those appointed to conduct the meetings will please arrange for proper devotional and song services in connection with the several addresses.

The following are the dates, places of meeting and programs for the several groups:

NEWBERRY MINISTERS DO NOT ENDORSE MR. BLEASE.

One of the candidates for the exalted office of governor of South Carolina, who has tried to show why his opponent should not be elected, has declared in his own behalf that, should the people of South Carolina wish to know anything of him, they might inquire of the ministers of Newberry.

Yesterday The State received without solicitation, except by editorial invitation, the following card, coming without superscription to indicate when or why the action of the ministers was taken:

"Inasmuch as letters of inquiry, received from different sections of the State, reveal the fact that unwarranted inferences as to the attitude of the ministers of the town of Newberry are being drawn from certain statements made publicly by Hon. Cole L. Blease in his canvass for the office of governor, we deem it our duty to say that we do not, directly or indirectly, endorse his candidacy.

(Signed) "Edward Fulenwider, Pastor, Lutheran Church of the Redeemer; G. A. Wright, Pastor, First Baptist Church; J. E. James, Pastor, Presbyterian Church; D. G. Phillips, Pastor, A. R. Presbyterian Church; J. T. Miller, Pastor, O'Neal M. E. Church; A. H. Best, Pastor, Newberry Circuit."

Inquiry over the 'phone elicited the information that the action of these preachers was taken in regular meeting and that one who was absent has since requested that his name be appended.—The State.
