

**Costs You Nothing When Idle—
Almost Nothing When It Runs**

WHEN an IHC engine is at work, it is the cheapest dependable power you can use; when not working it costs you nothing. It will work just as hard at the close of the day as at the start—will work overtime or all night just as readily. It is ready to work whenever you need it; always reliable and satisfactory. You can use an

IHC Oil and Gas Engine

to pump water, to run the wood saw, cream separator, churn, grindstone, washing machine, feed grinder, corn husker and shredder, ensilage cutter, or any other farm machine to which power can be applied.

IHC oil and gas engines are constructed of the best materials; built by men who know what a good engine must do; thoroughly tested before leaving the factory.

They are made in all sizes from 1 to 50-horse power; in all styles—vertical and horizontal, air and water cooled, portable, stationary and mounted on skids, to operate on gas, gasoline, naphtha, kerosene, distillate or alcohol. Kerosene-gasoline tractors, 12 to 45-horse power.

Ask the IHC local dealer to show you an IHC engine and explain each part, or write for catalogue and full information.

**EXPENSE ACCOUNT
OF CANDIDATES**

Statements Filed by County Hand Shakers Dispel Any Doubt as to "Corporation" Subscriptions.

The county candidates have filed their expense accounts with the Clerk of Court, as required by the law. None of them are large, while some are quite small. If The Advertiser had a mind it would give the expense account of each candidate, for some unusual campaign expenses are put down but The Advertiser is not going to tell. At least, it is not going to tell who put them in, but one candidate charged up two shirts, a collar and other "minor" apparel to his expense account. While some of the candidates set up to a few "cold drinks" they seem to have been a little stingy with the stogies. "Bybecues" seem to have gotten a big slug of candidate money, while the newspapers and job offices came in for a share.

"DEMOCRATIC YEAR"

So Says Gov. Woodrow Wilson in Addressing Democratic League of Trenton.

Trenton, N. J., Aug. 20.—"This is a Democratic year," said Gov. Woodrow Wilson in addressing the Democratic League of Trenton at the fair grounds today.

"It is not a Democratic year because we wish it to be but because America is responsive to the impulses of the world. Privilege is giving way in all countries to the pressure of public opinion."

The governor reiterated that he was under no obligation for his nomination to the presidency. "I need not tell you," he said, "that the nomination was received without promise to anybody."

"Not even to Jim Smith?" interrupted a voice and there was a laugh. "I never made any promises to him or any one else," continued the governor. "I have made no promises except to the people of the United States. Every man is under bond to the people of the United States. You can't serve one class at a time and you can pick no favorites."

"The Democratic party as now controlled is in a position to put itself at the disposal of the rank and file of the American people."

The governor was given an enthusiastic reception.
