

MADDEEN NEWS

Madden, Feb. 4.—One month of the year 1913 gone and very little farm work done, and still it rains! The farmer that was wise and plowed in the fall, is the one who is not worrying, now that the rain is with us.

Weren't you all glad when the sun failed to shine out on the morning of Feb. 2nd? That was "ground hog" day, you know, and as he didn't see his shadow, when he first came out of his den, he trotted peacefully down the mountain side and we can all rejoice that the worst of the winter is over!

The many friends of Miss Frankie Culbertson will be pained to hear that she is seriously ill at her home near Ekom. Her brothers, Messrs. J. Dennis and Bee Culbertson, were called to her bedside Sunday. The latest report was that she was some better, but is still quite sick. Miss Frankie is a great favorite with a large circle of friends—a woman of splendid intellect and indomitable energy. We trust that her useful life may be spared to her family and friends.

Mrs. M. T. Allison is now able to be up most of the time, her friends and relatives will be glad to hear.

Mrs. John A. Madden has been a little indisposed for the past few days, but is better now.

Mr. Pat Madden, of Cross Hill, is spending a few days with the family of his brother, Mr. Jno. A. Madden.

Mr. Linwood Martin and family moved last week to the city of Laurens. We hate to give these good neighbors up and Mr. Martin is too good a farmer to go to town anyway! The good wishes of many friends go with them to their new home.

Mr. J. A. Wofford, of Greenwood, spent the week-end with his family here.

The Misses Langston, accompanied by their brother, R. J. Langston, and nephews, Tom B. and Harold Culbertson, were the guests of Mrs. Tom Shaw, of Cold Point, Saturday. They were met there by Mrs. Shaw's mother, Mrs. Dick Davenport, of Atlanta and a very enjoyable day was spent.

Mr. Walter Thompson, who has been out west for the past few years, is now on a visit to his father, Judge Thompson and other relatives in the county.

Mrs. J. A. Wofford and children were visitors to Laurens Saturday. The little folks, who had succeeded in getting on the honor roll of Prospect school, went up to take advantage of Mr. Lavender's generous offer and take in the moving picture show.

Miss Lillian Proffitt, who is teaching in Union county, paid a short visit to homefolks recently.

Mr. Herman Boyd, who has been with J. D. Culbertson for the past few months, has returned to his home near Chestnut Ridge. By his genial manners Herman made many friends while good wishes will follow him wherever he may go.

EKOM NOTES.

Ekom, Feb. 3.—We have had heavy rains the past few days, so the farmers will get another rest from plowing.

We are having a good Sunday school at Union church.

Mrs. Jane Cooper is quite sick at this writing.

Messrs. Lonnie Culbertson and Gary Godfrey were out driving a young colt Sunday, when the animal became contrary in turning a place in the road and fell, breaking their buggy pretty badly.

Mr. and Mrs. L. C. Culbertson went to see their brother, Mr. James Culbertson near Fountain Inn, Sunday.

Mrs. Loretto Elledge spent few days of last week with her mother, Mrs. Jane Cooper.

CALOMEL IS UNSAFE.

Local Druggist Who Sells Dodson's Liver Tonic Guarantees It to Take the Place of Calomel.

If your liver is not working just right, you do not need to take a chance on getting knocked all out by a dose of calomel. Go to the Laurens Drug Co. who sells Dodson's Liver Tonic, and pay 50 cents for a large bottle. You will get a harmless vegetable remedy that will start your liver without violence, and if it does not give complete satisfaction the druggist will refund your money with a smile.

If you buy a bottle of Dodson's Liver Tonic for yourself or your children, you have insured your family relief from attacks of constipation, biliousness, lazy liver and headache. It is as beneficial and safe for children as for adults. A bottle of Dodson's Liver Tonic is something every man or woman should keep in the house. Isn't it a shame that our legislators have to waste so much time legislating on whiskey? It does look like it can never be settled. The great majority of men love it and will use it, and, as a boy in our Sunday School said to his teacher: "Some women use it too." More time and treasure wasted on it than most any one thing. Shame! Shame! Shame!

DIALS.

Dial, Feb. 3.—The ladies of Gray Court, and Dials gave an oyster supper at Gray Court Friday, beginning at 4 o'clock, continuing on during the evening. In spite of the inclemency of the weather a goodly crowd was out and a handsome sum realized. The proceeds go to help embellish the Methodist parsonage at Gray Court.

Mr. Broadus Gray has returned to his home after a visit in Macon, Ga.

Owing to the school at this place enlarging so, another teacher became necessary. Miss Annie Childress of Laurens is now acting in that capacity.

Mr. William Brooks, spent a few days last week in Columbia attending the corn show.
