The call is now urgent and the need for funds is very pressing.

Will you make special effort this week to visit the Democrats in your vicinity?

There never was a time in the history of the Democratic Party when a dollar meant as much to the welfare of Democracy as it does to-day.

Please make your report to me by Saturday, April 8.

DAYLIGHT ROBBERY STARTLES NEW YORK

Husband, Wife and Servants Bound While Quartet Gathers Jewelry.

New York, April 2.—The most amazing daylight robbery New York has known in many years occurred this afternoon in the home of Albert R. Shattuck, retired financier, 19 Washington Square, north, when four armed bandits overpowered Mr. and Mrs. Shattuck and seven servants, bound them all with rope, locked them in a wine cellar and stole jewelry valued at \$90,000.

The robbers ransacked the dwelling for an hour and a half, but as they were leaving, one was captured, and in an overcoat he had abandoned in his flight through Washington square jewels valued at \$20,000 were found.

The alarm was given by the butler, who freed himself from his bonds and running to a neighbor's house while the thieves were still at work telephoned the police.

Racing in a taxicab to the Shattuck home the police arrived as the four robbers were leaving.

The last of the quartet was coming to the front when the police arrived. This man was captured after a short chase. He gave the name of Eugenio Blazet, a Spanish tailor. He refused to tell who his companions were.

BUSINESS MAN GIVES VIEWS ON HOME BUYING

Tells How Many Persons are Miltched by Mail Order Houses of Country in Laurens.

"You are up against a mighty hard proposition," said Mr. W. P. Thomason of S. M. & E. H. Wilkes & Co., in giving his views concerning The Advertiser's buying in Laurens campaign. "There is a great deal of prejudice in the belief the mail order houses have fostered in their insidious advertising. This prejudice in the minds of the people must be overcome before they can see the benefits which will come through buying in Laurens. But by a clear and honest presentation of the truth about the matter, they may in time be brought to see the facts in the case. Anyone who makes a thorough investigation will readily discover the fallacies in the mail order agreements."

"When a local merchant is told that his prices are a few cents higher than some of the mail order catalogues, he often hasn't time to explain in detail to the customer about transportation charges, difference in quality and service and the various phases of the matter in question.

"The result is that the customer often leaves the store under the impression that the local merchant tried to evade the question and that his prices are really higher, while in many cases the prices are about the same and often the local prices are the most reasonable.

"We are doing all we can as individuals and as a company to help the cause, as buying in Laurens benefits not only the firm but the customers as well. The Laurens merchants live here and have the interest of the city at heart but not one ever heard of a Chicago mail order house paying taxes in Laurens to help pave the streets or keep up the public free schools."

Mr. Thomason endorses The Advertiser's initiative in starting the "Buy in Laurens" campaign, and wishes to see the people take the cause to heart, so that Laurens will grow bigger and better every year.

BANKRUPT TAXES NOT PAID

Treasurer Young Notified by Tax Commission.

The taxes of various individuals and firms who have gone into bankruptcy have not been paid by the trustees, according to a notice directed to the attention of Treasurer Ross D. Young by the South Carolina Tax Commission.

The laws of South Carolina provide for the collection of taxes in bankruptcy cases for two years after the trustee has been discharged and the notice calls attention to the fact that suit can be brought against discharged trustees within such length of time. Treasurer Young stated Monday that he will make a drive for the collection of taxes from all such delinquents.

NEGRO KILLED NEAR CROSS HILL

Gill Lindsey Killed Because of Alleged Remark He Made About Companion.

Because he said insulting remarks were made about him several days ago, Jim Pulley, colored, about 22 years old, fatally wounded Gill Lindsey Monday morning at 7 o'clock by striking him over the head with a 2x4 plank. Lindsey lived until 11:30.

Both negroes were employed on the Haskell Atchison plantation near Cross Hill and the homicide occurred about 100 yards from the Newberry county line. Pulley was arrested at noon Monday by Sheriff Reid and was lodged in the county jail.

MAGISTRATE FOR WATERLOO

G. C. Hill to Fill Unexpired Term of Friend and Companion.

G. C. Hill, prominent farmer of Waterloo, was named Saturday by Sen. Goodwin as Magistrate of Waterloo Township, to fill the unexpired term of W. F. Walker, deceased.

For many years while Mr. Walker was magistrate, he resided at the home of Mr. G. C. Hill and both were known to have been bosom friends. Magistrate Hill is familiar with the duties of his office and his appointment did not come as a surprise to his Laurens friends.

Much Road Work in Waterloo

Waterloo, March 31.—During the past two weeks, much road work has been done in this township. In addition to two very substantial bridges built on the Long Leak Creek by Mr. Culbertson, Messrs. John A. Martin, T. J. Coleman and Walter G. Hendrix have supervised some very fine road construction on the roads leading by their farms. The country roads could have a little repair work done at least once every year. This would help out wonderfully towards making traffic safe and economical. Such men are to be commended for taking such a step when it is needed so badly after the long winter's rains.
