The Sure La Grippe Cure. There is no use suffering from this dreadful malady, if you will only get the right remedy. You are having pain all through your body, your liver is out of order, have no appetite, no life or ambition, have a bad cold, no feet are completely used up. Electric Bitters is the only remedy that will give you prompt and sure relief. They act directly on your Liver, Stomach and Kidneys, tone up the whole system and make you feel like a new being. They are guaranteed to cure or price refunded. For sale at Robertson & Gilder's and Pelham's Drug Store only 50 cents per bottle.

Damaged by Water. The grocery stocks of Messrs. E. Y. Morris and J. A. West were considerably damaged yesterday morning by the water on the roofs caused by the melting snow. Mr. Morris' billiard table was damaged to such an extent that it had to be completely worked over and recovered. The losses are being adjusted between the renters and the property owners satisfactorily.

A Narrow Escape. Thankful words written by Mrs. Ada E. Hart, of Groton, S. D.: "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four Doctors gave me up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent one above. My husband was advised to get Dr. King's Discovery for Consumption, Coughs and Colds. I gave it a trial, took it in eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman. Trial bottles free at Robertson & Gilder's and Pelham's Drug Stores. Regularize 50c and \$1.00. Guaranteed or price refunded.

Narrow Escape. On last Saturday, while standing before the fireplace, Miss Jessie Coppock had her dress to catch fire. She at once became frightened, and started to run out of the room, when Mrs. Jane Boozer prevented her and succeeded in quenching the flames. Both Miss Coppock and Mrs. Boozer had their hands burned. Miss Coppock had a narrow escape from a more serious result, due to the presence of mind displayed by Mrs. Boozer.—Observer.

For the Babies. There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by W. E. Pelham, Druggist.

OLD WEATHER REMEDIES at zero prices at— PELHAM'S PHARMACY. Everything kept in first-class drug-stores handled at lowest figures, by competent druggists, at Pelham's = Drugstore.

VARIOUS AND ALL ABOUT. Court will convene next Monday. Our country correspondents must be "friz up."

But few people from the country are coming to town. See what the Mower Co. says on shoe retailing. News is about as scarce an article as wood these days.

Have you guessed at the number of seed in those pumpkins? Rev. C. P. Boozer of Etheredge, was in Newberry yesterday. The Graded Schools resumed exercises Wednesday morning.

Prof. S. A. Merchant, of Whitmires, arrived in the city yesterday. Mrs. W. H. Carville and daughter, Miss Gertrude, are visiting in Florida. Mr. Edward Scholtz's stock has been damaged by the melting snow from the roof.

Mrs. G. E. Dominick after a pleasant visit to Columbia is expected home today. The Newberry delegation voted solidly against the prohibition bill in the House. Mr. Frank Bynum, of the Newberry bar, was in the city last week.—Laurens Advertiser.

The examination for teachers' certificates will be held on Saturday according to advertised notice. After next Monday the penalty will be attached for not making tax returns. That is the last day. Bring your job work to this office. You will find that it will be done neatly and at low prices.

Miss Amelia Kennerly, of Newberry, is visiting her sister, Mrs. T. E. Todd.—Laurens Advertiser. The Southern Railroad Company is having a new water tank built right by the side of the old one. Mr. E. P. Pawley will within the next few days move his stock into the Bowers' store on the corner. Master J. R. Fair wants to talk bicycle talk with you. He says he is agent for the best and cheapest.

Many of the college boys took advantage of the holiday Monday and went rabbit hunting in the snow. President Geo. B. Cromer will conduct his service at the Lutheran church next Sunday morning at 11 o'clock. The city of Charleston now has the question up for discussion whether or not to put the milk cows out of the city limits. Messrs. George Johnstone, J. Y. Culbreath and W. H. Hunt went down to Columbia yesterday on professional business. Mrs. Arnold and Miss Olive Fant, of Kentucky, who have been on a visit to Dr. Gilder's family, left yesterday for their home. Mr. J. W. Chappell and Mrs. Reeds, of the Mower Co., will leave the first of next week for the Northern markets to select their spring stock. Those of our subscribers who desire to pay for their paper in wood are reminded that this is a most acceptable time to us for them to do so. The merry jingle of the sleigh bells was heard on all sides on Tuesday and Wednesday and many a gallant beau had his fair belle out sleigh riding.

President Julius D. Dreher, of Roanoke College, is expected to arrive in Newberry today and will be the guest of President Cromer and Editor Housal. Mr. Arthur Dickert has bought the residence of Mr. C. M. West on O'Neill Street. Mr. West is negotiating for a valuable piece of property elsewhere in the city. We see where other cities were left in darkness is a result of the cold weather, but Supt. Voss kept the lights on in Newberry despite the cold. He knows his business and watches it closely. Don't think that people are coming to you to buy just because you have been in business for the past twenty years or more. One old tie don't make a railroad.—Ex.

The Baptist Ministers' Institute, which was to have been held here this week, was recalled on account of the extreme cold weather. It will be held here next year. Several guesses have been recorded the past week at the number of seed in the two pumpkins at Edw. R. Hipp's store. The nearest to the correct number will get that beautiful buggy. The city has done all in its power and supplied every demand for assistance during the severe cold spell to alleviate the suffering of the poor. Citizens went to their assistance also. The contracts have all been signed up for the work and improvements to be made on the opera house, and contractors White and Leslie will get to work at it within the next few days. It's a little trying when a reporter for a paper walks up to a person and asks for news to be told that "it has snowed." But it might be excusable if he finally succeeded in getting an item of news. The tour of the Tennessee Regimental band has been abandoned, therefore it will not appear here in a benefit for the Excelsior Fire Company. So take a ticket to hear Sam Jones' lecture and help the boys out. Mr. Harvey Jones, recently a member of the Newberry Clothing Company, died on Tuesday last of apoplexy in Roanoke, Va. He was a genial and pleasant gentleman and had many friends in Newberry.

In ancient times kissing a pretty girl was considered a certain cure for headache. It is difficult to improve upon the old time remedies.—Exchange. It might cure the headache but we fear it would be the cause of a fatal case of "grip."

While we have been shivering and freezing here in Newberry for the past week, with the thermometer at zero, our boys in Cuba have on their summer clothing, going in bathing, etc., trying to keep cool, with the thermometer at 90 in the shade. The streets were lined on Wednesday afternoon with bright and happy children returning from the annual treat of the Band of Hope, with cash prizes, books, candies, etc. We published on Tuesday a list of those who got the capital prizes. Our assertion that the thermometer went as low as 11 degrees below zero in our last issue has been doubted by some. However, it was a fact; and Mr. C. A. Bowman's thermometer is the one that registered that point. And—well, there were just odds of them that went down to 8 below. If you don't believe that ask Mr. D. B. Wheeler or Col. W. G. Peterson, voluntary observer for the government.

The words of praise bestowed upon Hood's Sarsaparilla by those who have taken it prove the merit of the medicine. A Capital Idea. We notice that Greenville and other cities are getting up companies of Confederate veterans to attend the reunion at Charleston in uniform, wearing the Confederate grey and camping out there in military style. How would the "James D. Nance Camp" take to such an idea. The doorkeepers in charge of the hall are Misses Fannie McCaughrin and Elizabeth Land.

The doorkeepers in charge of the hall are Misses Fannie McCaughrin and Elizabeth Land.

The Best Medicine For Rheumatism. "I think I was so crazy with pain I was not for Chamberlain's Pain Balm," writes Mr. W. H. Stapleton, Herculina, Pa. "I have been afflicted with rheumatism for several years and have tried remedies without number, but Pain Balm is the best medicine I have got hold of." One application relieves the pain. For sale by W. E. Pelham, Druggist. Mother and Daughter Die Together. Within the space of thirty-four hours Mrs. A. H. McNeil and her daughter, Miss Bessie, passed away at their home in Mechanic street. For several years Mrs. McNeil had been an invalid and was rarely ever seen away from home. Last summer she grew worse and then, for about seven months, she was confined to bed until her spirit was released from the suffering body on Saturday night. Miss Bessie's devotion to her mother cost her her life itself. She gave herself completely to her mother during the long and painful struggle with disease and the result was that when she was obliged, a little over two weeks ago, to take her bed, there was not vital force left to make a successful fight against disease, and she, too, passed away early Monday morning. Closely bound together in life, they are not divided in death. Theirs was a beautiful case of loyalty and devotion. Both of these ladies were possessed of marked intelligence, and had wide acquaintance with prominent and current literature. They were both members of the Greenwood Baptist Church; and in their death their relatives and friends are comforted by the assurance of their eternal happiness. We extend to the bereaved family our sincere sympathy. Mrs. McNeil's surviving children are: James Watson, of Texas; Dr. Alexander McNeil, of Edgemoor, S. C.; Elmore McNeil, of Augusta, Ga.; and Mrs. Ida Godsey, of North Carolina. The funeral services will be conducted this afternoon at 3 o'clock by Dr. E. J. Forrester and the bodies laid to rest in God's Acre there to await the resurrection.—Greenwood Journal.

Mrs. McNeil and Miss Bessie were both well known in Newberry, having made this place their home several years ago, and have many friends and acquaintances here who sorrow with the bereaved family in this their sad hour of affliction.
