"Clifton" fancy patent flour is a perfect flour. It is not possible to put more quality and purity into a flour than our "Clifton" brand contains.

"Clifton" is a soft wheat fancy patent. It is made from select wheat, every grain of which was grown on Kentucky soil—the finest wheat in the wide world. Only the choicest berries are selected. These are thoroughly cleaned, and then by a special process of gradual reduction are converted into flour. The cream of this flour is separated and sifted gently through the finest silk bolting cloth, giving it a velvety softness seldom found in ordinary flour. That's "Clifton," and that's why it is a perfect flour—the finest product expert milling and a modern mill can make from the best wheat grown.

"Clifton" is a flour of quality at a reasonable price. You can pay as much and get an inferior flour, but you cannot get a better flour whatever you pay. Bransford Mills, Owensboro, Ky.

Summer Complaint. is not always brought about by change of air and water. "The stay-at-homes" are just as susceptible to diarrhoea; due generally, to over eating, as unripe fruits etc.; and drinking ice water; all accompanied by painful bowel discharges, and is relieved by the use of Perry Davis' Painkiller is the only purely reliable remedy. 25 and 50c.

Brain-Fog Nonsense. Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Get Green's Special Almanac.

DEATH OF REV. C. E. TODD.

He was Once President of the Due West Female College.

Abbeville, Sept. 3. - A dispatch was received here today announcing the death of Rev. C. E. Todd at St. Joseph's infirmary, Baltimore, Md., as the result of a surgical operation. He had been in the infirmary only a few days, but had been in declining health for some months. He was one of the most prominent ministers of the Associate Reformed Presbyterian church and was formerly pastor for several years of the First Associate Reformed Presbyterian church of Charlotte, N. C. He left this charge to accept the presidency of Due West Female college, and on account of ill health he resigned the presidency of the college about two years ago after a most successful administration.

Since that time he has held a professorship in the theological seminary of the Associate Reformed Church at Due West. He was a man of untiring energy and prominent in the higher educational circles of the State. The funeral will take place in Due West Friday.

Mr. Todd was but 42 years of age, and is survived by his wife and six children. - Special to The State.

Rev. Todd had many friends and acquaintances in Newberry, who will regret to learn of his death. He was at one time editor of Our Young People, a religious paper printed at this office.

Notes from St. Phillip's.

The cotton is opening very rapidly in this section. We have had plenty of rain the last few days.

On August the 16th the celebration at St. Phillip's was a grand success. The exercises were grand. It was remarkable to see how the little children did speak.

Cedar Spring institute will open the 7th of October. Great improvements have been made in that institution since I left there. They have built a new department to recite lessons in, and they are going to use their old department altogether as a dormitory. There will be room now for pupils who sent in their application and could not enter on account of being crowded.

On the 24th of August Miss Talu Sligh was married to Mr. Louis Dominick of Prosperity. They were married at Prosperity by Rev. P. H. E. Derrick, after which they returned to Mr. and Mrs. W. F. Ruff's for dinner, where they found the table laden with many nice things. On Monday they returned to their home at Prosperity. We wish them much success through life.

I will close, hoping to hear next Tuesday a week that Mr. E. H. A. will be elected as a member of the House of Representatives.

Much success to The Herald and News. Feathertop. Aug. 29, 1902.

Death of an Infant. Saturday night, August 30th, at 10 o'clock, death visited the home of Mr. and Mrs. Fayette Clamp, of Kadesh, and took from them their little baby boy, Thos. Calvin—age 9 months.

The little boy had been sick only a few days and his recovery was hoped for until near the last, when it was seen that there were no hopes, and ere long his little spirit would fly to meet its God. How remarkable; nine months almost to the hour, that he lived—only nine months, yet in that time he became the idol of the home and the joy of his parents. Now they are bowed down in grief because of the absence of their darling boy. Yet they have the consolation to know that the Maker of everything doeth no wrong, and that their little boy is now happy on the Golden Shore waiting to welcome parents to that land which is promised unto them.

The sympathy of the entire community goes out to the parents in this their dark hour of bereavement. G. H. L.

Fairview Do's. Farmers have been very busy the past two weeks pulling fodder and picking cotton.

We have had some very rainy weather gathering crops. Crops in this section are the worst for years, not more than a half a crop will be gathered.

A few days' meeting will be commenced at Bethel Baptist Church on the second Sunday in September. J. M. M. August 29, 1902.

WALL Paper can be had at Wooten's where its kept in stock.

Died in North Carolina.

News was received in Newberry Wednesday of the death of Mr. J. D. Wooten in Morganton, N. C., that morning. The remains were brought to Blythwood S. C., for burial. Just one year from the date of his death his wife died. He leaves three little orphan children. Mr. Wooten was a brother-in-law of Mr. W. S. Mann, of this city.

Greenwood for Wyatt Aiken. I feel proud of the vote Greenwood gave Wyatt Aiken in the first primary. But now that all the other gentlemen are out of the way except one, let Greenwood put her shoulders to the wheel and give him a great big roll up the hill. He was, you might say, born and reared in our midst. His friends and his people are here. His distinguished father's body sleeps in the cemetery at Greenwood, and many of the old veterans who followed him in the war are proud of his record. Wyatt Aiken's interest in Greenwood and her people is deeper than that of the other gentlemen could possibly be. Why should we not then show that we reciprocate his interest and love? Let every man remember the big hearted son of the noble sire and make him our congressman. We believe that Greenwood town and county will give him a heavy vote. - Democrat in Greenwood Journal.
