NEWBERRY COTTON MARKET. (Corrected by Summer Bros.) September 11.

Good Middling 8 1/2c. Strict Middling 8c. Middling 7 1/2c.

United Sunday School Workers. Unions 1 and 2 of the primary and junior work of the city Sunday Schools will hold a united meeting in the Central Methodist church tonight at 7.45 o'clock.

Card of Thanks. I take this method of extending to the voters of Newberry County my sincere thanks for the honor done me in the first primary election by re-electing me by such a handsome and flattering vote. Respectfully, J. L. Epps.

Mangrum Captured. Doc Mangrum, the negro who brought a nice cow here several days ago and offered her for sale for \$30, and made his escape when the chief of police went to arrest him on suspicion, was captured by Deputy Sheriff Johnson and Mr. Will Buford on Tuesday night, near Bush River Church.

Fortune Favours a Texan. "Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennedale, Tex., "and soon felt like a new man." Infalible in stomach and liver troubles. Only 25c. at all drug stores.

Services at Thompson Street Church. The Sacrament of the Lord's supper will be dispensed in Thompson Street Church next Sabbath morning. Rev. B. N. Grier, of Ora, Laurens, S. C. will preach Friday 5 p. m., Saturday 11 a. m. and 11 a. m. Sabbath.

A Parson's Noble Act. "I want all the world to know," writes Rev. C. J. Budlong, of Ashaway, R. I., "what a thoroughly good and reliable medicine I found in Electric Bitters. They cured me of jaundice and liver troubles that had caused me great suffering for many years. For a genuine, all-around cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in Liver, Kidney and Stomach troubles. Don't fail to try them. Only 50 cts. Satisfaction is guaranteed by all druggists.

A Newberry Boy Promoted. The many friends of Mr. J. Epps Brown will be pleased to learn that he has received another promotion at the hands of the Southern Bell Telephone Company in Atlanta, with whom he has been for the past three years. He has been appointed Purchasing Agent for the company, which means an expenditure of from \$125,000 to \$150,000 per month, going to show the responsibility of the position to which he has been appointed and the esteem in which he is held by his employers. We congratulate him on his promotion.

A Card. I desire to thank the people of Newberry County for the confidence they have reposed in me by the handsome vote I received in the primary on Tuesday, and to assure them of my appreciation. I trust I realize in some measure the responsibility of the position and can only promise to give my people the best and most conscientious service in my power. Whatever shall be for the advancement and happiness of the people of Newberry County and the State of South Carolina shall have my hearty support. Elbert H. Aull.

A Boy's Wild Ride For Life. With a family around expecting him to die, and a son riding for life, 18 miles to get Dr. King's New Discovery for Consumption, Coughs and colds, W. H. Brown of Louisville, Ind., endures death's agonies from asthma, but this wonderful medicine gave instant relief and soon cured him. He writes: "I now sleep soundly every night." Like marvelous cures of Consumption, Pneumonia, Bronchitis, Coughs, Colds and Grip prove its matchless merit for all Throat and Lung troubles. Guaranteed bottles 50c and \$1.00. Trial bottle free at all drug stores.

The Separate Coach Law. Much has been said in the campaign this year about the Separate Coach Law and the question who was its original author has been asked many times. Upon examination of the journal of the House of Representatives of this State for the year 1890 at pages 76, 90 and 376 it will be found that Representative Cole L. Blease, of Newberry, introduced "A Bill, To Require Railroad Companies operating in this State to furnish separate accommodations for white and colored passengers." On the final vote the bill was defeated and the fight was continued by its friends until the present law was passed. Thus it will be seen that this was the first Bill introduced in this State on that subject and Mr. Blease is its author.

Even a Stole Groans under the torment of neuralgia, when every nerve in face or limb throbs and jumps. Philosophy cannot endure this agony but Perry Davis' Painkiller relieves it. Bathe the affected parts freely, keep them warm and do not expose yourself to cold and dampness. Medical science marches right along, but it has not found the equal of Painkiller in the treatment of neuralgia.

Car Cotton Seed Hulls just received. Summer Bros. "Clifton" fancy patent flour is a perfect flour. It is not possible to put more quality and purity into a flour than our "Clifton" brand contains. "Clifton" is a soft wheat fancy patent. It is made from select wheat, every grain of which was grown on Kentucky soil—the finest wheat in the wide world. Only the choicest berries are selected. These are thoroughly cleaned, and then by a special process of gradual reduction are converted into flour. The cream of this flour is separated and sifted gently through the finest silk bolting cloth, giving it a velvety softness seldom found in ordinary flour. That's "Clifton," and that's why it is a perfect flour—the finest product expert milling and a modern mill can make from the best wheat grown.

"Clifton" is a flour of quality at a reasonable price. You can pay as much and get an inferior flour, but you cannot get a better flour whatever you pay. Bransford Mills, Owensboro, Ky.

Car Cotton Seed Hulls just received. Summer Bros. Another ridiculous food fad has been branded by the most competent authorities. They have dispelled the silly notion that one kind of food is needed for brain, another for muscles, and still another for bones. A correct diet will not only nourish a particular part of the body, but it will sustain every other part. Yet, however good your food may be, its nutriment is destroyed by indigestion or dyspepsia. You must prepare for their appearance or prevent their coming by taking regular doses of Green's August Flower, the favorite medicine of the healthy millions. A few doses aids digestion, stimulates the liver to healthy action, purifies the blood, and makes you feel buoyant and vigorous. You can get this reliable remedy at Get Green's Special Almanac.

EXECUTIVE COMMITTEE MEETING.

The Tabulated Returns of the Papers Adopted as Official. The County Democratic Executive Committee met in the court house yesterday morning at 10:30 o'clock for the purpose of tabulating the vote and declaring the result of the second primary election.

The meeting was a pretty representative one, members being present from different sections of the county. The tabulated returns as published by The Herald and News and Observer in their extras, were adopted as official by the committee, the figures and returns having previously been gone over carefully, and the following were declared the nominees of the party: House of Representatives—E. H. Aull, and John F. Banks. Mr. Kibler was elected in the first primary. Probate Judge—John C. Wilson. County Supervisor—John M. Schumpert.

Sub-Supervisors—Benj. Halfacre and G. Sam Moore. Magistrate, Nos. 1, 2 and 8—J. H. Chappell. The official returns published on the first page of this paper, will show the vote received by each candidate.

On motion of Mr. Blease the thanks of the committee were extended the county chairman, secretary of the committee, and the managers of the election for their kindness and promptness in their respective duties. On motion it was required that the treasurer of the committee be bonded in the sum of \$250, and that he be paid 10 per cent. of all monies collected for his services. The committee then adjourned.

Service in the Father's Church. Rev. W. L. Seabrook and sons, William and Charles, returned on Thursday from Pawley's Island where they have been tenting for five weeks. Mr. Seabrook will preach at the Church of the Redeemer on Sunday morning from the text: "The Sea Is His," Ps. 95:5.

On Sunday afternoon at 4:30, he will preach at the Mayer Memorial Church. Death. Mr. James Weeks, after an extended illness from consumption, died at Asheville, N. C., where he had been in search of health, on Tuesday morning. He was a brother of Dr. C. D. Weeks of Gilder & Weeks, and had spent some time in Newberry where he had many friends. His remains were brought to Newberry on Wednesday and entered in Rosemont on Thursday morning. We extend our sympathy to the family in their hour of mourning.

On a Visit Home. Mr. Claude Greneker, of Pittsburg, Pa., is in Newberry on a visit to relatives and friends. Mr. Greneker left Newberry some few years ago to accept a position with The News and Courier, in Charleston. From Charleston he went to Pittsburg, where he is now engaged with the Dispatch of that city. He has been most successful in his newspaper work, and deserves and is receiving congratulations of his many friends here.

Consolidated. Gentry Bros'. famous trained animal Shows, which are well and favorably known in this city, having exhibited here many times, are headed this way again, and their multitude of patrons will, no doubt, be glad to learn of the permanent consolidation of Gentry Bros. famous Shows. The performance presented this year is a double one necessitating the use of two fold as many animals as have ever been seen with these popular Shows. The programme is made up of all new acts and features, the majority of which, have never been seen before. The combined street parades of the United Shows makes a sight doubly worth seeing.

The date of exhibition is announced for Monday, September 15th at 2.30 and 8 p. m. on Blease lot. IMPROVED TELEPHONE SYSTEM. The Home Company Putting in Complete Metallic Lines in Union. Work of construction on the new telephone system, which has been delayed for sometime on account of extensive improvements, which the proprietor, Mr. L. W. Floyd, at first did not contemplate making, will be resumed at a very early date. It was first intended to put in a fine common-return system; but he has decided to give the people of Union something still better, and will make the line a complete metallic and put in a large new Kellogg switch-board of the very latest and best pattern. The work of constructing out-of-town lines, which will connect with points all over the State, will, also, be pushed, and heavy copper wire will be used, which insure the very greatest efficiency in the service. Mr. R. G. Spearman, a wide-awake telephone man, who has been in charge of the constructing force here for some months has been made permanent manager of this exchange here and assumed his duties on Monday the first instant. Mr. Spearman is very anxious that all of the former subscribers to the Union Telephone system give him their support, and promises them in the near future a telephone system which will be second to none in the State. He has already secured wellnigh two hundred subscribers, and the prospect for getting a much larger number is very bright.—Union Progress 3d.

THE COUNTY PRIMARY.

TOTAL VOTE LARGEST IN GOVERNOR'S RACE, REACHING 2172. Good Men Selected to Fill the Various County Offices—A Very Quiet Election With a Good Deal of Interest in the Result.

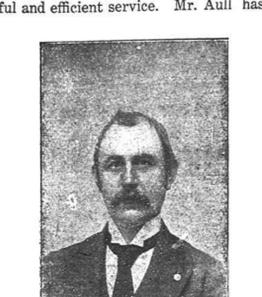

The second primary is over, the will of the majority has been registered and the result declared. The vote in the county was somewhat larger than two weeks ago, reaching a maximum in the governor's race of 2172. General good feeling prevailed throughout and everything passed off pleasantly.

Most of the races for county offices were close, and the successful candidates have a good deal to be proud of, and those defeated nothing of which to feel ashamed. Good men have been chosen, and will no doubt fill the positions with credit to themselves and to the people who honored them with their votes.

The result in detail is given on the first page of this issue. THE NOMINEES OF THE PARTY. In the lower branch of the legislature Newberry County will be represented for the ensuing two years by Messrs. Arthur Kibler, Elbert H. Aull and John F. Banks. Messrs. Kibler and Banks have already served two terms and have given their county faithful and efficient service. Mr. Aull has never before been elected to public office, but for the past several years has been intimately associated with public life and public affairs and has the interests of his people at heart.

never before been elected to public office, but for the past several years has been intimately associated with public life and public affairs and has the interests of his people at heart.

Mr. John L. Epps will enter upon his second term as treasurer with a good, clean record in office behind him. Mr. W. W. Cromer, since his appointment in the early part of the present year to the office of auditor, to which he has now been chosen by his people, has been efficient and courteous in the discharge of his duties, and will be faithful to the trust reposed in him.

Mr. John C. Wilson is our next probate judge. He has been honored by Newberry County in the past and has served several terms in the legislature and has been faithful to every trust reposed.

Mr. Jno. M. Schumpert will enter upon his third term as supervisor. He has made a good officer. Mr. Eugene S. Werts, superintendent of education, also enters upon his second term. Though a young man, he

has been remarkably successful politically and has made a record in office on which he is willing to be judged. Messrs. Benj. Halfacre and G. Sam Moore, who have been chosen county

commissioners are good and capable men, and will render faithful service. Magistrate J. H. Chappell's books will show those interested what he has accomplished to meet the demands of justice, and he says he is going to keep it up.

The other magistrates for the various townships, all of whom were nominated in the first primary, also have the confidence of their people. Taking everything into consideration Newberry County has been placed in good hands for the next two years.
